### Love Mode, Vol. 4 Yuki Shimizu

As if life hasn't been hard enough for young Naoya, a secret from his past is surfacing that could unravel everything he's built up in his new life with Reiji. What really happened the night his parents died? This volume of Love Mode also features more hot scenes with Takamiya and Izumi after the two join Reiji and Naoya on a double date. And what's this? Submissive Izumi is taking charge in bed for a change?!

## From Reader Review Love Mode, Vol. 4 for online ebook

### Barbjo says

Reiji and Naoya finally do it! Hurray! Well they do something, anyway. I love how Naoya passes on Reiji's teachings to Wataru. And the feeling when Reiji and Naoya are reunited is exquisite.

---

### Eli says

I love these series. The type of series where it stays with you forever. A lot of drama, love, a bit of comedy here and there, a slice of life and everything in between. Always a delight to go back to it and re-read it again.

---

### Anne Freya says

Akhirnya balik lagi ceritanya ke pasangan favoritku : Reiji/Naoya. :) Plus extra story Takamiya/Izumi yg steamy abis, hihhi.

---

### DeeNeez says

Much darker this story with Naoya finding the truth about his families death. And my heart jumps for joy with the Takamiya and Izumi double date with Reiji and Naoya. I love this age-gap series!

---

### scarlettraces says

Love Mode has all the standard issues, but because of its age and place in the canon, i tend to make allowances. (that said, i seem to remember it gets really weird a few books in - maybe around 7 or 8?) i'm not a huge fan of age-gap romance but it's hard to get away from in this kind of thing. on the other hand, i like the way she draws her older characters and the sly touches of comedy. and it's genuinely romantic.

---

### Jennifer Lavoie says

I read this when it first was released in the US many years ago, and despite loving it, I was only ever able to get the first three volumes. Now I have them all, and I'm currently bed-ridden and I decided to read through them all - rather than do schoolwork.

OH THE ANGST!! I love Reiji and Naoya. Again, taking it slow, but so much depth in these characters and their story. I love how everything about Naoya's past is coming out. This really is a great addition to the series. And it was fun seeing Naoya and Izumi meet.

I also have to add, the last story, which has nothing to do with Love Mode, was heart breaking. I cried through that, too. I think the art is getting better, too. That or I'm getting used to the style and enjoying it even more.

---

### **Heather C says**

Well that one was toooooo short!

---

### **78sunny says**

Meine Meinung:

Noch emotionaler, noch packender und noch heißer als die anderen Bände der Reihe. Richtig super! Die Hauptstory handelt wieder von Reiji und Naoya (meinem Lieblingspaar der Reihe). Naoya muss hier mal wieder wie so oft in seinem Leben etwas traumatisches erleben, aber dieses Mal hat er Reiji zur Seite. Und auch Kiichi mischt wieder ordentlich mit – er ist ja mein 'kleiner' Held der Reihe. Mit der Kurzgeschichte am Ende die von völlig neuen Charakteren handelt konnte ich inhaltlich nichts anfangen und ich verstand nicht was mir damit gesagt werden sollte.

Die erotischen Szenen waren im Gegensatz zu den Vorgängern recht lang und extrem gut gezeichnet. Es wurde auch nur wenig zensiert. Man merkt, dass die Reihe ab jetzt ab 18 Jahren ist.

Meine Wertung:

5 von 5 Sternen

---

### **Miguel Vega says**

This volume was good, centers again around Naoya and Reiji. I like the character development for Aoe and how it is occurring slowly and the other characters notice and mock him for it. Also this volume is darker than than the previous ones because it continues to explore Naoya's backstory (poor kid can't catch a break).

---

### **Veronica says**

The art looks clumsy by current standards, and I've never liked any of the Izumi/Takamiya storyline, but there's something about Reiji and Naoya that still gets me. Ah, nostalgia. (Wtffffff is up with the standalone bonus story in this volume though.)

---

### **Ericka annamarie says**

sweet and short, great for a comfortable night at home.

---

### **Redfox5 says**

This volume sees us back with Naoya & Aoe for what is a dark story. We find out more about why Naoya's parents died. Their relationship stays pretty innocent. I seem to remember this manga having loads of sex scenes but it hardly has any.

Talking of sex scenes, thank you Yuki for including the bonus story 'Four Men'!, which is the reason I gave this book full stars! My favourite couple get a large chunk of the book dedicated to them, more of this please!

---

### **Yuu Sasih says**

Continuation of Naoya and Reiji's story. Naoya's past is getting revealed and their relationship is getting stronger. I really love these two.

---

### **Asagi says**

I read this so many years ago, something like 2007. I cried for hours with this one. I can't even explain how much I loved it then and how much I'm still loving this manga nowadays, especially this couple. Naoya is one of my favorite manga characters ever.
