## **Dark Wolf Unbound** Stephanie Rowe

*New York Times* bestselling author, Stephanie Rowe, returns to the Heart of the Shifter series with her most riveting entry to date, in which a dangerous wolf shifter must face his darkest truth to save the woman he was born to protect.

Driven by his intense moral code, alpha Jace Donovan's only mission is to protect his pack, until deadly trick turns him into the monster he has spent his life hunting. Haunted by the nightmare he has become, Jace is faced with an impossible choice...until a bold, sensual woman tears him from his well-ordered path and thrusts him into the very situation that destroyed him the first time.

Raised as the daughter of a depraved killer, Abby Collins is being hunted by the pack she escaped from when she was nineteen. Haunted by the evil she was forced to do, Abby must call upon Jace to help her when her former pack hunts her down, even though he is the one man she should never trust.

Scorching hot passion ignites between Abby and Jace the moment they meet, hurtling them toward a deadly fate in a heart-pounding race against the psychopath who owns them both.

## From Reader Review Dark Wolf Unbound for online ebook

### Scrap says

I received an ARC of this book for an honest review

I absolutely loved this book, Jace and Abby's story is one of the best I have read in a long time. Jace has been basically destroyed by Gregori, Abby is his salvation yet she could also destroy him, the guilt he lives with has put him in the frame of mind that he needs to be ended, Abby needs his help and he cannot resist helping her because that is who he is he protects the innocent . This book broke my heart over and over. I wish I was able to put into words just how this book touched my heart

### Cindy ~ says

Another fast paced, gripping addition to the Heart of the Shifter series.

As this picks up literally after the first book I recommend reading that first as even though there are different couples in each book there is a main plot/bad guy running through all the books.

Jace Donovan was the pack leader who was on trial for killing a woman in the first book. In that book we find out he had been under a spell to make him do it. Jace is an alpha and leader who has a deep need to save people. The guilt over him taking a life is more than he can handle. Against the advise of his pack mates he goes to apologize to the woman's family.

Abby Collins is the woman's sister and can feel Jace's deep grief over what he's done. Even though she knows her sister died at his hands she also knows he is the only hope she has to locating the man who is responsible for both of their grief.

My only complaint is I still wish the books were longer but other than that I am always engrossed in the main couples story and we got a little more info about psychopathic shifter who is wrecking havoc on all their lives and that thread is still open at the end of this book.

Stephanie does it again!! I loved every minute of this book. Jace Donovan goes to find closure for his crime in the grandmother of the woman he killed, only to find the sister of that woman is his true saving grace! Action packed! Intense love! Suspense!! This book has everything I love from Stephanie Rowe!! Ready for the next book!

### Nichola Kinsella says

gripping sexy romantic as expected.

He pressed a kiss to her knuckle. "Don't be blind, Abby. Your love can't accomplish the impossible."

---

loved the characters Abby soft subdued nearly destroyed but with a sharp edge and a love for her man. Jace with his self blame and tough leader exterior finds a woman to help him heal from his past and overcome his dark side. love conquers all but damn Stephanie you've left me on the edge of my seat with that ending.

### **Sharon says**

Jace is the alpha of a pack of misfit wolves. He has been under the control of Grigori, an evil shifter who used his own daughter to force others to kill innocents. Abby is the daughter of Grigori and was forced to be his weapon of destruction. Once Jace and Abby meet they soon realize who the other is. Jace is the wolf shifter who was forced to kill her sister and Abby is the reason he did it. They struggle to come to terms with each other and trust each other while feeling a mutual attraction. They both have their own demons to fight and to forgive themselves for things they had no control over. This book has it all, action, drama, romance, good and evil.

I enjoyed this book and am looking forward to the next in the series. I was given this arc book for an honest review.

### **Christine Holmes says**

This is a great book. This is the second in the series following a pack of strong wolf shifters assembled by Jace who became Alpha to lone males who needed direction and had the potential to be rogues. Book one told Cash's story during which Jace was almost destroyed by an evil pack who developed a devastating weapon which turned him into a killer when he attacked and killed a young woman. Exonerated by the courts as he was not in control when it happened, he cannot forgive himself and goes to her family fully intending to give them the means to put him down. But they need his help. Can he fight the demons that the weapon triggers enough to help his victim's sister? Can she bring him back from the brink of madness, and can he ever forgive her for being the weapon that caused it all in the first place?

An uncompromising story with well rounded characters and a romance against the odds

### **Amber says**

I'm just loving this new shifter series by Stephanie Rowe, she is the best of the best when it comes to paranormal romances. This is Jace and Abby's story and is about two people united through extreme loss – Jace the loss of his humanity and Abby the loss of her family, in addition to them bonding over the loss of their free will when they were both forced to play a role in murderous acts while being controlled by an evil pack of werewolves. Jace and Abby come together to try and right some of the wrongs that have been committed and to ultimately learn to forgive themselves. Great story, great characters with top notch writing! Definitely a must read!

can and will pull miracles from the nether. I can not wait for the next edition in this series.

Jace & Abby

Jace, a fierce protector and mentor to others of his kind has been forced to kill against his moral code and against the entire grain of his soul. He has gone to atone for his sins to the family of the victim. But he is unprepared for what he finds here. He throws himself at the feet of the grandmother and offers his life to her. she refuses to release him from his torment.

Abby, just listening to the person on the other side of the door causes her heart to thud, even knowing he killed her sister. But she knows what he does not, that she is the cause of his torment and the blood of her sister and so many, many others are on her hands. She is his catalyst of destruction, it was her voice and her song that drives shifters to destruction. She would give up totally if it was not for Seth, her little nephew. She needs this tormented mans help to find Seth, and maybe in the process he can find peace he deserves that in the very least. What she doesn't expect is to feel safe and cherished by this broken soul.

They are both tormented by the same people and actions. Those action forced on them by others, by being manipulated by torture and fear. Can these 2 tormented souls find the peace and trust in the other?

Dark Wolf Unbound by Stephanie Rowe

Jace Donovan is a tortured soul. He is full of self loathing over the death of the innocent he killed and the lack of control he had upon hearing that song.

Abby Collins carries her guilt in her heart. She's responsible for the frenzied wolf reacting to her voice in song. Even though it's Grigori manipulating them both, their guilt and regret are punishing.

Second in the series. The first is Dark Wolf Rising.

Excerpt

“Every time he got close to her, he was trapped by the sheer intensity of his response to her. He was aware of her on every level as a woman. Every part of who he was responded to her. He needed to touch her, be with her, help her, and even claim her... except he had no right. He'd brought only hell and damnation upon her and her family. There was no way he was ever going to consider himself worthy of touching her the way he burned to.”

Excerpt From: Rowe, Stephanie. “Dark Wolf Unbound: A Heart of the Shifter Novel.”

These two are so self punishing. He's going to kill himself. He's going to protect her. He doesn't deserve her. He's alpha and needs to defend and stand for those weaker. But he makes sure his backup will shot him if he hears the song again.

## **Sydney Hopke says**

What a way to be introduced to an author!! Jace was tricked into betraying his morals and ended up killing someone and now can't live with that memory. When he tries to apologize to the woman's family he meets her sister Abby. Abby knows it wasn't Jace's fault he did what he did and because of that needs his help to go

after the man who tricked him and get back her nephew. The attraction between is intense but danger follows their every move. With the help of old and new friends they go after a madman.

WOW what an amazing story! Once I started I couldn't put it down until I was done. The author brings you into the story and you feel like you're right there with the characters. I only wish I didn't have to wait for the next book! I received this in exchange for a honest review.

### **Robin says**

I was impressed with this story, it was dark, edgy and I loved how Jace and Abby fit together overcoming their evil to fit like a glove. I loved everything about this story except for what to me felt like an abrupt ending but it does make me pant for more. I want to know about Drake and Savannah, will they be a couple in a future book and will Grigori get what he deserves?

I received an ARC of this story in exchange for an honest review. This is my first Stephanie Rowe book and I hope to continue with this series. I would recommend this to other shifter lovers.

### **Lisa Rodrigo says**

Oh my I LOVE this shifter series! This story pulled at my heart. Jace's soul is so broken and tormented and Abby is both broken and strong. She see's the goodness in Jace when Jace can only see depravity within himself. The action packed story line kept made it hard for me to put the book down! Stephanie Rowe nailed it again! I can't wait for the next book, because the end of this story left me with a huge question...What happened to Drake!!!??? I need to know!
