### **Maid-sama! Vol. 07** Hiro Fujiwara

Once an all-boys school, Seika High, a renowned school full of reckless and filthy students, has recently become a co-ed school. However, with the female population still remaining a minority even after the change over the recent years, Misaki Ayuzawa takes it into her own hands to reform the school and allow a chance for the girls to feel safer in the rough environment. Even the teachers are on her side. Training, studying and even becoming the first female student council president of the school, Misaki has gained a reputation, among the male students body as an uptight boy-hating demon dictator and as a shining hope for the teachers and fellow female students. However, despite her tough-as-nails appearance, she secretly works part-time at a maid café in order to support her family. Unfortunately, her secret is soon discovered by Takumi Usui, a popular boy at Seika High.

(stejná recenze u každého dílu)

Jsem tak ráda, že jsem si to znovu přečetla! Tohle je naprosto brilantní dílo! <3 A to je i vidět na tom, kolik jsem času u této série strávila. A to nejen manga podobně. Jako anime jsem to snad viděla milionkrát a ani za tu dobu mě to nikdy neomrzelo. I když mám samozřejmě části, které zase tak úplně ráda nemám, ale ty by se daly spojit na prstech jedné ruky.

Kresba vypadala ze začátku úplně ošesně, naštěstí ze to od druhého volumka začalo zlepšovat a od pátého volumka začala vypadat opravdu překrásně. A hrozně se mi líbily ty zjednodušené postavičky. Ty dokonce vypadaly poměrně dobře již od prvního volumka.

Misaki jsem si hrozně moc oblíbila. Byla milá, kurážná, chytrá, dokázala přiznat vlastní chybu, upřímná ve všech ohledech a hodně moc silná. A přitom měla i nějaké slabiny, které si uměla přiznat. Misaki je prostě úžasná. <3 Až na tu slepotu ohledně lásky. Ale to má snad každá druhá hlavní hrdinka, takže to ani moc

nevadí. Taktéž se mi líbila její ob?tavost pro druhé a to, že každého dokázala motivovat a zamýšlet se nad sebou.

Misaki společně s Usuiem byli hrozně moc slá?ou?ký pár. Hlavně později, když si už Misaky přiznala své pocity k Usuiovi. Hrozně se mi líbily ty momenty, kdy se ?ervenal i Usui, to bylo tak sladké. <3

~~Trošku~~ Hodně mi mrzelo, že se tam neobjevovalo více scén s Igarashim Torou. Scény s ním jsem naprosto milovala a mohla bych je ?íst stále dokola. Ke všemu zbož?uji, když má jakýkoliv charakter ten jeden ostrý zoubek, který je stále vidět. <3 Vážně byla škoda, že se některé události s ním nemohly protáhnout. :( Dalším mým oblíbeným charakterem byl Aoi. Musím říct, že jsem ho litovala za to, že s ním hold Misaki nikdy nebudu, chudák malý. Ta jeho láska k ní byla opravdu sladká. Když o tom tak přemýšlím, tak jsem se skoro pořád musela culit a nic mi nemohlo zkazit náladu. :D

Příběh byl sladký, skvělý a já si ho prostě užila. Nemám vyloženě nic, co bych tomu mohla vytknout, maximálně to, že bych chtěla, aby se tam některé mé oblíbené postavy objevily vícekrát, ale to, že se tam zas tak často neobjevovaly, neubíralo na kvalitě příběhu.

Akorát jsem si prostě nemohla oblíbit všechny postavy, což mi trochu mrzelo. Jako to by mi ani zas tak nevadilo, ale prostě tu bylo až moc postav, ke kterým jsem měla neutrální vztah.

Obálky vypadají dobře a hned když se na ni mrknete, tak víte, že na vás rozhodně čeká roztomilý příběh.

**Hodnotím 94% Jazyk: Aj (dív?jší do?tení v ?j)**

Another awesome installment to the Maid Sama series! I love this manga so much that I finished both the 7th and 8th volume so I will have two reviews up today! It was so much fun to read, (as the usual), I can't wait to read more! So much has happened and I can't wait to read more about these characters and where they will be in the future.

*That's exactly the way it should be. Doing only unexpected things, otherwise, I'll lose my reputation as a perverted outer-space human.*

This series is about a girl named Misaki who is Seika High's school president. Her school is filled with a bunch of guys and she hopes to bring more girls into her school. She works at a maid cafe in secret because her family isn't doing too well financially. But one day, the most popular guy from her school finds out this secret and is suddenly interested in her. Both of these characters go through a lot and learn to slowly open up to each other.

This is hilarious, I laughed so much through out this volume. Shintani is the best and it is funny to see Usui jealous. I love seeing these to fight and are secretly jealous of each other. The things that Usui says to Misaki is hilarious! He is so straight forward and sometimes he does things that make me laugh so hard. I love his character so much, he is just too good to be true! :) Misaki is another amazing character. She is always there to support her friends and I love that. She is still the same girl, but she is more open now.

The character development is progressing really well in this series. It makes sense to have it slowly develop because of how the characters are. When I see the characters grow, it makes me think that I am so old! I felt like there were so many swoon-worthy moments in this volume, I was squealing so much!

I highly recommend this to anyone who hasn't read any manga yet, this is an amazing read. If you have read manga and want a fast, funny read with a lot of romance, I highly recommend this. If you watched the anime and want more of these characters, you should definitely read this manga series.

March 2014: 5 DAZZLING STARS

Oh my. Oh dear me, oh my! Finally, the moment has come in which the stars are aligned and OH MY GOODNESS MY OTP IS FINALLY A THING!

"Wow, as if that doesn't give anything away..."

Technically, it doesn't. You don't know \*for certain\* who my OTP is, now do you?

"Well..."

Exactly. Moving on!

Oh, what do you know? \*peers at a speck in the distance\* Well, look at that! There are spoilers ahead! READ AT YOUR OWN RISK

The volume starts off light-heartedly enough, until Misaki decides to share her secret with Shintani. I'm proud of her for having had the guts to live with her choices, no matter the consequences. Honoka-chan is a little vicious, though...

AT LAST, we get to the festival! Oh, how I loved this part in the anime! I ABSOLUTELY ADORE how true to their characters Usui and Misaki's behaviour is. Of course they can't go through the trial like a normal couple! Of course they are both fearsome and awesome! IT'S WHO THEY ARE!!

But I do have this to say: as happy as I am that Misaki has finally accepted that she likes Usui, it felt a little... too soon for me. WEIRD, I KNOW. Just like everyone else, I wanted them to get together already, but at the same time, I feel like they could have drawn it out a little longer (I feel like this is coming off as somewhat masochistic..).

I guess when I compare Usui and Misaki to Kazehaya and Sawako (Kimi ni Todoke), it feels rushed. But one also has to bring into consideration the fact that Usui is a perverted alien, whereas Kazehaya is sweetly chaste around Sawako. BUT ANYWAY, my point is that I think it would have been a little more natural to Misaki's character if they'd held back for at least a couple more volumes. YES, I understand and totally agree that the love trial was the perfect way to bring them together, but.. that's kinda what it felt like: a plot, a tool, to force Misaki closer to Usui. I'm not saying she was against it, and she did fight the events around her well, and her breakdown was totally believable, but at the same time, it didn't feel like... her. Not completely something she'd do, ya know?

But I digress. This volume was perfect and I can't wait to see where Usui and Misaki are in their relationship next, especially since I think they reworked some of the chapters in the anime adaptation to that the festival came last. But anyway.

Let's see where volume 8 takes Usui and Misaki!
