Holiday Bound Jaci Burton

Twass the night before Christmas and she wrote a letter, asking Santa to make her love life much better. The handcuffs and garters were all hung with care, waiting for the right man with whom she could share- Domestic violence counselor Maria Perez is tired of being on the nice list. She wants to be naughty. When a letter to Santa falls into the hands of Detective Colin Maguire, the man who inspires her deepest, darkest fantasies, Colin sets out to make every one of Maria's kinky Christmas wishes come true.

Serena says

While this book did have a few redeeming qualities, due to a lack of editorial contribution I would not recommend.

My Rating System:

* couldn't finish, ** wouldn't recommend, *** would recommend, **** would read again, ***** have read again.

Katie says

Enjoyed this one for what it is. Liked that the author tried to make the characters really deep, even in a short.

Angel Padillo says

Not a bad short read, but not the best either. Would of liked a bit more backstory on Maria and Colin, and their age would of been nice too.

Christy says

Quick read with the kink and lust that keeps you turning the pages. Love that Maria still had a bit of inner conflict over defining just how much kink was acceptable after working in the field of domestic abuse. It was realistic with a great understanding of what is okay between two consenting adults and where the line is drawn.
