The Billionaire and The Virgin Bella Love-Wins

I caught her trespassing on my property. That makes her mine.

Jackson

The world tilted a little on its axis the second that innocent little country girl appeared from the other side of the privacy glass on my penthouse terrace. Everything changed. Her timing couldn't be any worse, but the second she climbs onto my balcony, I have to have her.

Her name is Dahlia.

My doll.

Now, she's my property.

She doesn't know it yet, but Dahlia is about to be owned.

Dahlia

The bossy billionaire wants to make me pay.

The first time I laid eyes on Jackson Knight, the bossy billionaire next door, he gave me an intense, panty-dropping stare with those mesmerizing, sky-blue, brooding eyes.

The second time, I trespassed onto his penthouse balcony to retrieve a wayward, high-strung Shih Tzu I was pet-sitting for his neighbor.

Jackson warned me never to do that again, or next time he'd punish me and make me pay.

Well, dogs will be dogs.

It happened again.

And I found out he wasn't lying about punishing me.

Now I'm naked and tied to Jackson's bed. Any minute now, I'll have to tell him that I'm a virgin.

Happy happy happy, I was so happy to have the chance to read this book. I've read another book by Bella Love-Winns and I freaking loved it.

I've already told this in my previous review that Bella has a unique and very hot and kinky writing. Oh boy... Trust me when I say that this book will make you sweat.

The Billionaire and the Virgin tells the stories of Jackson and Dhalia.

Jackson is the ultimate billionaire who has everything and anything that he wants. He's used to have things done his way and doesn't takes no for an answer. When the beautiful and innocent Dhalia is caught trespassing his property he knows what he wants, and he wants her. He vow to punish her if he caught her there again and guess what? She does it again and now what?

Dhalia is a Veterinary student that does pet-sitting to gather some money to help with her bills. When the dog that she's taking care of trespass the stunning guy balcony she knows that she's in trouble but she can't imagine what trouble that will be. The thing is, she has a crush for that bossy man but she can't imagine the depth of it. She has a little secret? Wanna guess what that is?

Oh boy this book was so so hot. I loved it. I love the way the story progressed, the way the characters interacted with each others but what I loved the most was that this could have happened to anyone. The fun factor was there but the hot stuff were oh boy. Lol

Bella I don't know if you realize that you are creating a monster, lol, an eager and nuts monster.

Can't wait for the other characters to have their own stories because I want to know more about them.

Stacy says

Wowza!

I have only read a few books by this author, and I think I need to read more. This was a great cat & mouse romance. The characters were amazing and complimented each other perfectly.

I hope we get to see more from Jackson's business partners. They all sound hot that's for sure.

Di says

A great story about a college student, Dahlia, and her neighbour, Jackson. When Dahlia ends up pet sitting for a rich woman with three dogs she doesn't expect to fall for the hot alpha man living next door. When one of the dogs keeps escaping to Jackson's balcony he finally has had enough and states that she will pay. But it's not in monetary value that he's looking for and when he finds out that she is inexperienced he does something that Dahlia never expected. Now he has to figure out how to win her back and apologize.

When he comes home after a bad day the dogs escape to his front door and won't let Dahlia take them away, when he opens the door the dogs go to him and won't leave, offering him comfort, sensing something's wrong. It's then that he finally opens up to her and the attraction takes over.

A great read that builds your anticipation right to the end and a HEA that makes you smile.

DELICIOUSLY CUTE AND DELIGHTFULLY NAUGHTY !!!

Title: The Billionaire and the Virgin

Author: Bella Love-Wins

Designation: Novella Length Standalone Contemporary Billionaire Romance with elements of Suspense, No Cliffhanger (Although the page count indicates 627 pages, this edition also includes four other sexy contemporary romance standalone shorts by Bella Love-Wins)

Reading Platform: Kindle Unlimited

My Rating: Five Sinfully Sexy Stars*****

The Billionaire and the Virgin is a fun-filled, fast-paced, steamy contemporary billionaire/virgin romance with a well-crafted, clearly-defined, first-person dual perspective narrative. The dialogue is smart, snappy, seductive, at times humorous, and exceptionally well-executed. The premise for this story is cute and entertaining but it's the characters who steal the show along with my heart. I was immediately smitten with the two protagonists, handsome, cocky bad boy billionaire Jackson Knight and beautiful innocent aspiring Columbia University veterinary student Dahlia. Dahlia is trying to earn some much-needed cash by house sitting for her part-time boss Vivian Chandler. Her job is to take care of Vivian's three mischievous but very intelligent fur babies, Sheba, Daisy and Bailey who seem determined to play matchmaker. And these three little angels are quite a handful, especially Sheba the Shih Tzu. I'm an animal lover myself and also own a Shih Tzu so this story really tugged on my heartstrings. Although this is primarily a contemporary billionaire romance about a bad boy who seduces a virgin, it also has underlying elements of mystery and suspense.

Did I like this book? No, I loved it! Engaging well-crafted storyline-check! Beautiful cover-check!

Handsome sexy hero-check! Beautiful virgin heroine-check! Large cast of panty-melting billionaire bad boys-check! Three adorable pets determined to play matchmaker-check! An unethical businessman up to no good-check! A dash of humor, drama and angst-check! Lots of steamy romance-check! A fabulous happy ending-check! What's not to like!?! There were a few minor boo-boos but nothing that distracted me from the story. Would I recommend it? You bet and I am but only for adult readers since it does contain some steamy dreamy love scenes. Will I read this author again? Absolutely! And finally, was I entertained? Completely! And the four bonus stories included were pretty darn good as well! Fabulous entertainment and an awesome read!

Where's the rest?

Over all an ok book but it just kind of ended? I expected a little more back story and a little more love story and how they got to the epilogue. Ok book. Quick read. HEA.

Angelia says

Good read

I give this book 5 stars. It has steamy scenes, betrayal, brotherly love, and a HEA ending. I recommend this book.

Grisel says

My Jaw is on the floor!

Ok, I will start with Jackson & Dahlia. I want more! I could not stop reading! They are an amazing couple and I need that extended epilogue! Touching, hot, hectic, suspenseful and sexy. Their chemistry was amazing. So please create the extended epilogue. If you haven't read it yet what are you waiting for, your also missing all of Jackson's mother got friend's!

And wait for it.....there are Jace & Cherry's story, Dylan & Chef Emily's story, Caleb & Else's story and Fosters story as well.

Now on to Mafia Princess:

Paige and Angelo what an unexpected story line. But again need an epilogue I want to know what happens after. The chemistry is there and the characters as strong and her sister Sophia needs her own story as well. Third story: Taken for the First Time- Dakota & Owen again please get this book. Amazing characters and they are strong ones. Epilogue please I want to know more. See what happens after.

Fourth story - Party Fever unexpected with the whole way they meet and how it's so intense their attraction to each other. But you've left me hanging again! Do Nick and Lily end up working together? Do they win that account?

To wrap up this review... Loved them all and Bella does offer epilogues so don't let it out you off from reading these wonderful stories.

So get the book and wait to be surprised and get hot flashes!

Cyndi says

Although good, this was not a novel!

I HATE when books claim to be a full length novel only to end at 50% or less (38% for this book). And I was really enjoying this book. Dahlia was quirky and cute, with just enough innocence to make you love her

and just enough sass to make you laugh. And Jackson...YUMMY!

So why didn't the author write their damn stories? Why didn't we know a little about Dahlia before she moved to NY? Why didn't we get any of the back story on Jackson and his family? It all just felt too rushed. And because of that I can only justify a 3 rating...which makes me sad because I was really enjoying the book in the beginning.

I'll read more by this author though because I liked her writing style...maybe we'll get a true full length novel out of one of them. Haha

Racy says

What a great story. It was a billionaire story with only a touch a BDSM.

Dahlia Dawson was this 19 year old who appeared to be a little shy well unless you got her mad. She was a college student studying to be a vet. She loved animals and enjoyed when she got to dog sit for Vivian Chandler. I have to say you can tell Vivian was rich the way she spoiled her dogs.

Jackson Knight night was this grumpy sexy billionaire that hated dogs and lived next door to Vivian Chandler. I can understand Jackson's grumpiness when it came to his neighbors dogs. I would be mad as well if one kept finding it's way over to my patio was well.

Dahlia will have her hands full when it comes to these dogs. It is almost funny some of the things one of these dogs will do. It is like it is trying to play match maker. For someone not liking dogs the dogs sure like Jackson.

I almost laughed at Jackson's attraction to Dahlia. She was barely legal and Jackson was at war with himself. No matter how much he fought to stay away from her it was like the dogs were going to make sure he kept running into her.

Jackson will have a few shocks in this book and one of them will be to find out that his sweet Dahlia is still a virgin. This will be an inward battle with him and it does not help that his brother finds the situation entertaining.

I am so glad I took out time to read this story. It truly was an enjoyable read.

ViolinVixen says

More than just Puppy Love <3

This is a fun, sexy quick read and although it's short, the characters are well developed and we see genuine progression in their relationship and in the mystery surrounding Jackson's business dealings.

Dahlia is house/pet sitting for a very rich woman. She has in her charge 3 dogs who are very much characters of their own. One of them in particular has a mind of its own and continues to trespass on the next balcony over, much to the annoyance of their very rich, gorgeous and broody next door neighbour Jackson.

I loved reading Jackson and Dahlia's banter back and forth and loved watching him soften towards the young beauty and the pesky pups. The chemistry between Jackson and Dahlia was intense and felt real. Their relationship is hot, hot, hot once they take it to that next level.

Dahlia was a smart, strong woman. Serious about her studies and not quick to forgive Jackson's cruelty once he starts groveling. I loved that her character was sexy and beautiful, but also driven and confident.

Steamy, witty read with great characters, solid storylines and a wonderful happy ending.

Standalone. No cliffhanger. HEA. No cheating.

Elaine says

2.5 stars for me. I didn't fancy the bonus content as main story was not the best.

I loved it. Dahlia (cool name btw) is dog sitting for a rich lady with a hot neighbor, Jackson. And the dogs are playing matchmaker! Jackson is having some business problems, which adds a whole other interesting part to the story. And you meet so many other interesting characters in it, that hopefully will get their stories told as well.

I received an arc of this.
