Mike and Marie's story.

This story will be told from Marie's point of view, focusing heavily on her new relationship/romance with Mike Murphy, bodyguard. Marie and Mike are Ryan and Taryn's bodyguards, so naturally there will be a lot of Ryan and Taryn in the storyline.

When is this book coming out already????

Ave Binks says

Whoa, whoa, whoa, hold on a minute!! "Mike and Marie's story"!?! Huge spoiler for me! Isn't Marie already married to Gary?! The second book isn't even out yet but I'm going to guess that *somebody* gets divorced...

Ava says

could be interesting to read a love story about them. Believe in marriage again. I usually fond on sequel but I'm more fondly on the first protagonists on the first book as for every books sequel I read. I hope I will love and not like being ok ok for this book. Because Mike is a great guy, he was doing a job and being more than a worker and by the second book he showed remorse and worries because of his love and friendship. As for Marie, it was not a doubt how she loved her friend, Tar. taking on a bodyguard job. how could Tar handle seeing her friend protecting her even more now that it s her job. I will wondering how life changing in this book is for Marie. bodyguard job and a family by that i mean with

children. could you sacrifice yourself for another one by doing that kind of job.
So many things in my mind so I can't wait to read this book.
