Drake Restrained 4 S.E. Lund

Drake Morgan, MD, Neurosurgeon, bass player, philanthropist – Dominant.

He doesn't do girlfriends, he doesn't do sleepovers, and he certainly doesn't do breakfast in bed the morning after. He has his surgical slate at New York Presbyterian, he has a charitable foundation providing surgical tools to hospitals in Africa, he has his Brit Invasion cover band, Mersey, and he has his secret life as a Dominant in Manhattan's BDSM community. Into bondage, D/s and the occasional dungeon scene,

Drake keeps every part of his life separate, the divisions between them neat and tidy. His weeks are filled with surgeries, music and D/s sex, and none of the well-planned and scheduled parts of his life intersect.

That is until Kate McDermott crosses his path and screws everything up. Now, nothing is neat and tidy anymore, for Drake is smitten and things are going to get messy...

In Part 4 of Drake Restrained, Drake and Kate go deeper into the D/s lifestyle, but their secret affair is not safe and soon they must face a challenge to their burgeoning romance.

Note This is a novella, and is part 4 of the Drake Series. The Drake Series is The Unrestrained Series told from Drake's point of view. The novella includes all new scenes as well as the story told from Drakes point of view.

The series is intended for 18+ due to explicit content.

Drake's Love Story

I enjoyed Drake's POV, many questions was answered and I got a closer look into his heart and soul and found that it held eyes only for Kate. I just wished we got a little more of Drake's thoughts while they were in Africa, but still the same...this book was enjoyable

Really loved reading this story from Drake's point of view and seeing what makes him tick. Oh, Drake, how do I love thee...? Anywho, know that Drake Restrained can be purchased/read as one whole book that is Drake's point of view of the first book in the Unrestrained series. I say that because I guess the publisher or someone saw a way to make some more money and broke the first book--Drake Unrestrained--down into four small novellas. So be careful when you are buying the book--there's one whole book that's 428 pages. The three books are Drake Restrained, Drake Unwound, and Drake Unbound. I've seen Drake Restrained, Drake Restrained 2, Drake Restrained 3 and Drake Restrained 4--these are all parts of the same story... Drake Restrained. Trying to see if there's a fourth Drake book, but I'm not sure...

PS--Forever After just came out, which is the Unrestrained book #5!!! Yay!

Great series!!! Sorry it ended, I could read about Drake and Kate forever. Drake is my MR BIG, he it so very alpha, handsome, caring, he's everything wrapped up in a very nice package. I enjoyed the series very much from Drake's POV.

Jennifer Finn says

The end of a great series & I'm so happy Kate got her head out of her ass.

Dawn Myers says

This series did not feel any different than the Unrestrained Series. The only difference was from Drake's point of view. It just did not seem to come from a male point of view. I also got tired of reading how delicious and luscious Kate was. S. E. Lund could not found other adjectives to use. In my opinion this is not worth reading and was not needed, it didn't add anything to the series.

Michele A. Blank says

Finally

Again, I love hearing from Drake and seeing his process to get to where he can finally admit his feelings.
