**From New York Times and USA Today bestselling author CJ Lyons:**

*Can a girl raised to kill give it up for a chance at a new life?*

The only thing worse than being the girl raised by a serial killer is being the girl he blames for getting caught...and now Morgan Ames' father has escaped prison.

Morgan knows she'll be at the top of her father's hit list. After all, she dared to defy him, abandoning him to rot in jail while she escaped to live a normal life.

Every instinct screams at Morgan to run and hide, but she's as much a predator as her father and she refuses to allow him to turn her into prey. Because to Clinton Caine the entire world is populated by "fish," victims to torture for his own twisted pleasure.

Morgan is no fish. Past time her father learned that. But before she can take him on she has to stay alive long enough to find him...hopefully without getting anyone else killed along the way.

A note to those who are also fans of the Lucy Guardino Thrillers: the Renegade Justice stories take place in the year between Lucy's adventures in KILL ZONE and AFTER SHOCK.

### Gerald Guy says

This was my first Lyons novel and I found it fast-paced and full of action. Morgan Ames is a teenager who was taught to kill by an abusive father and serial killer. She has a miraculous way of weaving her way in and out of trouble. The reader can't help but like the grit she shows as she tries to shed her troubled past and build new relationships that are normal. I think author C.J. Lyons has got a hit on his hands. I'll read more.

### E Sano says

She did it again!!! C.J. loves those cliffhangers!!! Makes 'Angels Weep' a must read.

'Raw Edges' depicts Morgan changing through her relationships with the people around her. Jenna remains an unsympathetic character, but her unrevealed past is starting to seep out around the edges, promising interesting developments in future books.

Well worth reading.

### **Lara Giesbers says**

CJ Lyons is very entertaining as a writer. Her stories are quick to get involved in, and you just want to keep reading into the night! Morgan Ames is a very interesting character, and I can't wait to see what other shenanigans she gets into! If you've read Thrillers with Heart, I suggest this series as well.

### **Tulay says**

#### **Suspense and action.**

Good story, Morgan character again shows us love can change people. What psychiatric can't do, but caring, loving person can. With her father, she hunted, tortured and killed, but great new future might be ahead of her.

### **Felice Foster says**

Wow! I wasn't sure about this character, but Morgan Ames is SAVAGE, and I love it. I think one of qualities of a good author is to have characters that make you feel something. As much as I'm starting to enjoy Morgan, I'm starting to really not like Jenna. And, this love/hate relationship, is why I will be grabbing the next book in this series. I want to see what happens to these characters. Can they be redeemed, are they a lost cause, will they fall from grace, or is there a happy medium.

These books are not for the faint at heart. There is an honesty in the writing that I find refreshing.
