“Morgan Rice ha concebido lo que promete ser otra brillante serie, que nos sumerge en una fantasía de valor, honor, coraje, magia y fe en el destino. Morgan ha conseguido de nuevo producir un fuerte conjunto de personajes que hará que los aclamemos a cada página...Recomendado para la biblioteca habitual de todos los lectores a los que les gusta la fantasía bien escrita”.

REBELDE, POBRE, REY es el libro#4 de la serie de fantasía épica DE CORONAS Y GLORIA de la autora #1 en ventas Morgan Rice, que empieza con ESCLAVA, GUERRERA, REINA (Libro#1)

Ceres, de 17 años, una bella chica pobre de la ciudad del Imperio de Delos, despierta y descubre que ha sido encarcelada. Su ejército destruido, su gente capturada, la rebelión sofocada, de algún modo debe recomponer las piezas tras ser traicionada. ¿Puede volverse a levantar su pueblo?

Thanos parte hacia la Isla de los Prisioneros, pensando que Ceres está viva, y se encuentra atrapado en su propia trampa. Durante su peligroso viaje le atormenta la idea de que Estefanía esté sola, con su hijo, y se siente roto por el camino que está tomando su vida. Pero si lucha por regresar a Delos, en busca de sus dos amores, se encuentra con una traición tan grande, que puede que su vida no vuelva a ser la misma.

Estefanía, una mujer despreciada, no se queda sin hacer nada. Dirige toda la fuerza de su furia hacia los que más ama -y su perfidia, la más peligrosa de todas, puede que sea lo que haga caer al reino para siempre.

REBELDE, POBRE, REY cuenta la historia épica del amor trágico, de la venganza, de la traición, de la ambición y destino. Llena de personajes inolvidables y acción vibrante, nos transporta a un mundo que nunca olvidaremos, y hace que nos enamoremos de nuevo de la fantasía.

“Una novela de fantasía llena de acción que seguro satisfará a los fans de las anteriores novelas de Morgan Rice, además de a los fans de obras como EL CICLO DEL LEGADO de Christopher Paolini... Los fans de la Ficción para Jóvenes Adultos devorarán la obra más reciente de Rice y pedirán más”.

Me está empezando a cansar esta forma de alargar la historia

Antoinette Lewis says

No man I can't bother with the ring marrow. Around and around in circles Ceres escape she got captured. Her brother was captured escaped, captured and on and on same with with Thanos.

Everything thing they do irrationally without thinking. Going through the gate without a signal planned by the rebels that cause so many of Lord West men and himself to die and get torture.

The mount of people died in the series so far I am shocked that any citizens of Delos is left to be ruled after the wake of Lucious' cruelty and tyranny.

Que bueno...

Estoy emocionada por cómo van los acontecimientos en esta Saga...y por supuesto en la espera del próximo libro...quiero empezarlo YA.

Rebel, Pawn, King (Of Crowns and Glory #4)

Brilliant book from the start to finish everything never stops for the warriors, battles, uprising this series so far has everything can't wait for the next installment...

Good series

So it's about time Thanos dude!!

So back to my complaint a while ago about the different points of view.

Because there is so many of them it makes the book longer and it can be hard to keep up with them. It can also feel like it is dragging the book along with information that isn't necessary.

We also got to see how far Lucious was really willing to go to get his throne. Crazy man!

The storyline is progressing nicely now and so are the characters.

The books are getting much better as they go.

Caitlin says

I hate that this book comes soooooo close to having characters reunite...and then it NEVER happens!!!!

So much frustration!!!! I want to read the next one but I also don't ><"

Another solid book in the series. The only thing holding it back is too many storylines

Stacey says

Starting to believe that the author wants us to suffer with the characters, need more story in the book, not sure if it's a too many central characters or not enough pages issue...

Emilie says

Every hero in this series is fighting for their life. All. The. Time. At every single moment in the series. The stakes are set high, for an epic battle, then another higher-stakes epic battle, then another higher-stakes epic battle... and so on. This was a nice page-turner for the first book or two, but now after 4 books... it's a little tough to keep that pace going. I'm having trouble believing that, after all the previous battles, there are still people alive in the armies on both sides.

Plus, the novels are pretty slim, so they go by quickly, and then I have to buy another, and another...

It's still entertaining to read, but for now I'm taking a little break. ;)

I really enjoyed most of this series

But this is starting to be too far drawn out. I finished this book in a Couple of hours because I skimmed trying to find out the important information. It was disappointing to get to the end only to be left hanging once again and have to wait what...another year to find the next course of action. By then I will have forgotten most of the series.

Julie Powell says

This tale is filled with action and adventure, so I feel extremely lucky to have been given a copy. Even though it was a gift, I always give an honest review.

Ceres is a strong female lead, filled with energy and honour, and she now knows her origins. Her brother is equally honorable and brave - a likeable character. Although, Thanos is a warrior, he does seem weak at times. Lucious is awful with not one positive characteristic. Mixed the other characters, this cast is brilliant for this fantasy story.

Overall, it is a little short, but packed with action, and because of its easy-to-read style of writing, imaginative scenarios and magical influence, it makes for a compelling read.

Highly recommended.

Terri Calvert says

Superb

The story just keeps getting better. Action and adventure. Love and betrayal. The fight for right against the fight for evil. Thanks Morgan Rice.

Kevin says

I continue to enjoy this series - I do think the one thing with Morgan's series is they tend to take too many turns that lead to a little wandering in the story line. If they were shortened with the plot it would lead to even a better read. That said I am waiting for the next book.
