## **The Lion's Pride** J.S. Davey

Full of laughter, suspense, unique characters, and heart-warming encounters, "The Lion's Pride" excites imaginations while teaching the fundamental lesson that pride divides nations and brothers and friends, and, sadly, it leaves you alone in the end.

## From Reader Review The Lion's Pride for online ebook

### **Penny Olson says**

I received this book through a Goodreads giveaway. I love this book. It is a great children's story but there are many levels to it. It is the story of two brother lions, Leo and Leon who have very different leadership styles. Leon rules by tyranny and fear whereas Leo finds the strengths in his subjects and encourages them to contribute to society. Each lion has different animals as subjects and the book shows how the Leo's kingdom and animals thrives whereas Leon loses the loyalty of his animals. Interestingly, this book would make a great management training tool. My 7 year-old loved it and we will be reading it again.

### **Kathy Heare Watts says**

PARABLE OF TWO LION KINGS, ONE MEEK AND ONE PROUD

I wish I could give this amazing book 10 shining stars!

The story and illustrations are outstanding. As the grandmother to ten grandchildren, storybooks are a big deal in our home. I am so excited for the grandchildren to enjoy this book. The pictures of all the animals are a great way for parent or grandparent to talk about "what kind of animal" is this to smaller children.

The book is not just a short children's book, it is 156 pages in length, this beautifully illustrated, with rhyming parable of meekness is a must-read for children and adults alike.

I won a copy of this book in a Goodreads giveaway and I am under no obligation to write a review and do so voluntarily.

### **Robin says**

Nice story with wonderful illustrations.

---

### **Sandra Gest says**

I won this book on Goodreads. My grand daughter doesn't like to read so I signed up to win something she would read. We read the book together and she loved it. She told me a story about each picture. Thank you for this book. Sandra Gest
