Awesome Read

OMG! Just when I thought everyone had there stuff together. This book was full of twist! Janay and Milan being sisters and the father wanted her dead. Miley could not get it right in the beginning. It is took him to almost loose his wife to realize he may be losing the best thing that happened to him. glad Cain and Milan made it. I enjoyed this book.

Quick read

This was the final book in a set of 3 and just like the first 2 it had me gripped. The ended wasn't as great as expected but great to see where the characters finished off.
