Just for Fun Coloring Book Sylvie Cyr

Coloring is so much fun and a great way to use our imaginations! Seasoned artist Sylvie Cyr shares a collection of original drawings inspired by some of her favorite things that she hopes will encourage others to explore their own personal journeys. From busy bees to picnics in the warm sun to magical creatures in the woods and beautiful ballerinas, Sylvie includes artwork that will inspire those who love to color to remember that variety is the spice of life. Just for Fun Coloring Book shares creative illustrations for all ages to enjoy and color while reflecting on the world around us.

Jennifer Baxter says

I just got this in the mail as a free giveaway. It is super cute, great for kids. To me doesn't look very professional lots of pages didn't seem to have dark out lines. But my daughter and I will enjoy coloring all the different animals in this book. Thank you!
