Lucifer #1 Dan Watters , Max Fiumara (Illustrator) , Sebastian Fiumara (Illustrator) , Dave McCaig (Illustrator)

Lucifer is missing. Having embarked on a dangerous journey to find the mother of his abandoned son, the Prince of Lies finds himself imprisoned and crippled by mysterious forces who seek to torment him for their own terrible ends. Meanwhile: a car is crashed, two witches blind themselves, a tumor speaks its first words, and a perfectly good bowl of oatmeal is left to go cold.

From Reader Review Lucifer #1 for online ebook

Arjun Rajkumar says

Did not particularly like it. artwork was OK. the thing with a first issue is that there should be enough meat in the story and some coherence to draw the reader in which is kind of lacking. given that I am a huge fan of the sandman universe it is likely that I will be back for the second issue and hopefully that one is better.

Heather says

I frankly don't know what this is. But I like it. A lot.

Amber says

Haven't read Sandman (yet), but boy howdy, the art.... that cover!!

Not exactly a friendly entrance for new readers but whatever, we'll see

Diana says

What the heck was that?

Sherri says

I found this confusing but we'll see where it goes.

Patty says

So he's a ginger, interesting.

Christie Joesbury says

Dark and confusing. Reminds me of the scarier parts of sandman. I want think it will make more sense when the whole first volume is released.
