A Tainted Hood Love Coco Shawnde

After surviving life in the grimy streets of St. Louis, Shonnie Clarkson is finally able to stop her life from spiraling out of control and grow some independence. After four years of being away, a returned trip home shows her that while she was doing better, the same couldn't be said for those she left behind. Family secrets are exposed and leave Shonnie scrambling to get her family back to what it was supposed to be. The problem is, she can't focus on family issues when she crosses paths with the arrogant Brasi Gates. Not one to grow distracted, Shonnie is left in shock when Brasi barges into her life, throwing it into a whirlwind of drama and excitement.

With his brothers on his side, Brasi runs the streets like no other. Money, loyalty, power, and respect was everything to Brasi until Shonnie proved that she's nothing like the women of his past. In this fast-paced hood love story, cocaine dreams become crack nightmares. Moreover, Shonnie and Brasi show you first hand that even the strongest loves are sometimes the most tainted.

Wow ?

Where do I began.. Siah in some deep stuff I hope the brothers believe her.. love the storyline and the characters.. why is the uncle doing this.. this book kept me turning the pages for more.. I just love those bad twins

SHANNON FRASIER says

Great Book 1?????

Siah has the whole business going on. She just tangled up in her web. NaNa doing too much for her mother after all her mom put her through. The only only 2 that's coming together is Shonnie and Blaise. The twins are bad but you have to love them. Great Book 1!!

Siobhan Graham says

Good book

Can't wait for part 2, Kiasiah done got herself into something that she might not be able to get herself out of. Them brothers are something else. I'm happy that Hood and NaNa got together i hope that they make it. And just as soon as Brasi and Shonie get it together look what happens can't wait for part 2

A MUST READ

Held my attention from beginning to end and what a ending. I couldn't put it down...a page-turner. Enjoyed the storyline, plot and these characters. It flowed really well and moved at a fast yet steady pace. The sisters have been through so much, but I love how they were able to come back together after being away from each other. I'm going to need to NaNa to get a backbone dealing with their trifling so called mother. She's really in a bad space and need her sisters to help her, help herself. Siah and Slugga relationship was so dysfunctional and you know they care for each other, they really need to talk. Right now, Shonnie and Brasi seems like the only ones that's alright. Hopefully, NaNa hasn't messed things up with Hood. Poor Siah just can't catch a break,always in the middle of drama. Can't wait to see what happens next and the reasons behind Cando actions. I think Siah was a pawn all along. A great read and I hated it had to end. Great job Coco Shawnde.

Lawd...the cliffhangers?

When Brasi talking about Hood said..."He didn't feel right in a situation if he wasn't in cuffs at the end. I knew for a fact our mother smoked crack with his nutty ass and couldn't nobody tell me different." I almost flatlined, lol. Well I think when he find out what NaNa just done...he'll definitely be in cuffs. That was just plan stupid on her part. And for her mammy...she need to have several seats? If Slugga wasn't done with Siah, I'm sure he is now? Brasi and Shonnie are my favorite couple, and seems to be the only ones acting like adults. I need part 2 ASAP

Donta says

????

Awww shoot. It is so much going on. Na Na a fool and Nisha is busted. I cannot wait until Part 2. Shonnie relationship that will last. This story is so good but can go bad real quick... great job

Yasss

I loved this story line... Towanda ass needs to stay in jail.. I love Shonnie and Brasi together.. I love how Hood and NaNa are together I hope what her and baby daddy got going on doesn't end them.. I hope everything works out for Kasiah cause lord that situation is a mess.. Come on pt 2

Abeni Gregory says

Baby that ending got me super ready for part 2

Let me start with how dysfunctional Kasiah and Sluggs relationship is because he pissed at her for what happened yet y'all were never really in a relationship. I really like NaNa and Hood together but she is wrong for having sex with her BD to help her horrible ass momma. My favorite couple is Shon Shon and Brasi because he's doing everything he can to love her like he should. He seems to be the more stable level headed one out of the three brothers. I need part 2 like today lol

Jawanda says

Damn

That ending though those brothers are crazy I like hood the most and them twins lord NaNa messing up for her mother once again and siah I don't even know what to say shonnie the only one with her head on right

can't wait for pt 2

Monique Spicer says

Well damn

This book most definitely held you attention from beginning to end. Those same Gates brothers are something else especially Good and Slugga. I can't wait to see what happens next mainly after the way it was left off.

Lisa Dukes says

Wow

Oh my what an ending I swear Kasiah just can't win now this will be another reason for Slugs to hate her but this time she didn't know I hope they get it together and I hate Inayah is so dumb for her mommy cause she don't mean her any good now her And Good gonna have problems seem like Brasi and Shonnie is the only one going strong can't wait for them to find out about Cando and Kamal I don't trust neither one of them can't wait for part two keep up the great work.

Urbanbook_chick says

Good book

This was my first book I read by Coco, I must say this book was definitely a page turner. I love all three of the Gates brothers, and I can't wait to read part two. This book is definitely a must read.

♥?

This was a great book.. I love how Brasi is a true gentleman & loved on Shonnie the way she deserved. These sisters have been thru hell & back I just hope they finally get some peace..

Pamela Johnston Ward says

Tainted

This storyline had me up all night trying to finish this book. These brothers and sisters took me on a real rollercoaster ride. So much craziness with a jaw dropping ending. I can't wait to read part 2. I need more of NaNa.

shawanda Woods says

Hot hot hot

Coco has done it again. I simply loved Hood to death. I feel sorry for Siah because she has been dealt a dirty hand in life. Slugga need to come off it. They have never been a couple. Brasi and Shonnie is so good together. NaNa did something so stupid for a mama who could care less about her. Good job
