**Miss Ryoko says**

Here are the thoughts that were going through my head as I read this volume:

“UGH!! Ryoki is such a f\*ckin’ douche nozzle! Look at him being such a controlling prick telling Hatsumi she has to choose and she cannot have both. UGH!! She should really just punch him in the jeans!”

“Just tell him off Hatsumi! Tell him to go suck himself! Just do it! Stand up for yourself for once..... YES!! YES!! FINALLY!! I mean, it’s not exactly how it should have went, but at least she made a choice that wasn’t made for her for once!!”

“SHINOBU!! YES!! SHINOBU!! LOOK!! GIVE HIM A BIG HUG!! \*tears in eyes\* JUST JUMP INTO HIS ARMS, CRY, AND LOVE HIM!!!!!!.....okay, so she hardly reacted.... that was anticlimactic.”

“UGH!! WHAT THE HELL HATSUMI!!!!!! You finally decided to ditch that controlling assmunch who basically said you can’t have any other happiness in your life that doesn’t revolve around him and YOU’RE CRYING OVER IT!!!!!! ARE YOU FOR REAL!!!!!!?!!?!!?!!?”

And lastly

“YES!!!!!!!!!!!! MOVE IN WITH SHINOBU AND LOVE HIM!!!!!!!!!!!! LOVE HIM FOREVER BECAUSE HE IS THE ONLY DECENT MAN IN THIS ENTIRE SERIES!!!!!!!!!!!!!!!!!!!!!!!!!!!!”

**Julie says**

Admittedly, it's a soap opera, and smut! But it's sooooo addicting. D, I blame you.

**A. Powers says**

There is no logical reason for me to love this book, yet I do.

---

**Chocobox says**

My love for Ryoki knows no bounds. He's so adorable I can't stand it. This volume gives us more of his Test Brain thought process. I love the way he thinks of everything in terms of multiple choice and math equations.

---

I thought I was going to die of cute when he made Hatsumi hold hands with their fingers laced together because that's 128% couple-like, while clasping is only 45%. BUT, what Ryoki sees in Hatsumi I will never know; she's a spineless wuss and he deserves better. (Oh shoujo manga, why do you do this to me so often?) Also, why I love Japanese: ??????????????????????You just can't translate that into English.

---

### **Ashley says**

Oh the rollercoaster this volume put me through. So many emotions and feels. For one we are started with things going well for the couple. However, in true shojo fashion, control was lost and things got bad. Very bad as the truth about Azusa's mom was revealed to everyone. It also led to the downfall of Hatsumi and Ryoki's budding relationship.

---

### **Mosley Allen says**

Well there it is, it's all finally out on the god damn table! It only took us 10 mangas to keep hinting at what us as readers pretty much already knew was going to happen. Ryoki is still a abusive prick yet now Hatsumi actually loves him. I don't see this love triangle ending well for anyone. Azusa is pretty much out of the running and now it's down to the jerk or her adopted brother but it seems clear she doesn't see Shinogu in the same way. 2 more volumes left and I'm not sure why I'm still reading this train wreck, I just want to see who ends up with who I guess.

### **Alisha Brown says**

Can the story get anymore complex?

---

### **Stephanie says**

In regards to Ryoki: About time, Hatsumi. About time. Though why you waited this long, for that to (almost) happen... Plus, like father, like son.  
In regards to Shinogu and Hatsumi: this shall be interesting.

---

### **Sylwia (Wish Fulfillment) says**

**Why I Recommend Bumping This Down On Your TBR:** It romanticizes abuse. The male love interests are all abusive: physically, verbally, emotionally, etc. They're all controlling and their behaviors are

---

appalling.

The interesting thing about this series is that the protagonist calls the main love interest out on his abusive behavior. They discuss it on the page. And yet they're still together?

---

### **Sophie says**

Ryoki is such a controlling asshole. But I'm glad Hatsumi has somewhat come to her senses (though I have a feeling she might go back to Ryoki - she seems to enjoy abusive relationships. The ending of this volume was very good - lots of tension and drama.
