Joanne Fluke Christmas Bundle: Sugar Cookie Murder, Candy Cane Murder, Plum Pudding Murder, & Gingerbread Cookie Murder Joanne Fluke

The holidays are the icing on the cake for bakery owner Hannah Swensen. Surrounded by her loved ones, she has all the ingredients for a perfect Christmas--until murder is added to the mix. . .

When it comes to holidays, Minnesotans rise to the occasion--and the little town of Lake Eden is baking up a storm with Hannah leading the way. The annual Christmas Buffet is the final test of the recipes Hannah has collected for the Lake Eden Holiday Buffet Cookbook.

'Tis the season for trimming the tree, caroling, baking cookies, and curling up by the Yuletide waiting for Santa to drop down the chimney. But in this festive collection of holiday whodunits, murder is also paying a visit. . .

"Candy Cane Murder" By Joanne Fluke

When a trail of candy canes leads to a corpse outfitted in a Santa suit on a snowy bank, Hannah Swensen sets out to discover who killed Kris Kringle. . .

The yuletide season in Lake Eden, Minnesota, guarantees a white Christmas, delectable holiday goodies from Hannah Swensen's bakery, The Cookie Jar--and murder. As a shadow hangs over her friends' Christmas wedding, Hannah's determined to cook a killer's goose before anyone else gets burned. . .

The Cookie Jar's busiest time of the year also happens to be the most wonderful time. . .for Christmas cookies, Hannah's own special plum pudding--and romance! She also gets a kick out of "Lunatic Larry Jaeger's Crazy Elf Christmas Tree Lot," a kitschy carnival taking place smack-dab in the middle of the village green. But then Hannah discovers the man himself dead as a doornail in his own office. . .

Nothing's better on Christmas Eve than waiting for the stroke of midnight with a cup of eggnog and a plate of warm gingerbread cookies. But in this merry collection of holiday mysteries, murder is making its own special delivery. . .

"Gingerbread Cookie Murder" By Joanne Fluke

When Hannah Swensen finds her neighbor Ernie Kusak with his head bashed in and sprawled on the floor of his condo next to an upended box of Hannah's Gingerbread Cookies, she discovers a flurry of murder suspects that's as long as her holiday shopping list.

Charlene Lee says

Enjoyment of reading has returned to me since I started reading this series!!!

5 stars excellent series that keeps me interested and guessing what will happen next and when will Hannah finally make up her mind????

Shelby says

These are good quick little reads, however I wish she would just put the recipes at the end! I listen to a lot of these books and I usually just fast-forward through the recipes.

Wanda says

Some good recipes. Fun cozy mysteries. A little improbable at times but that is part of being a cozy.

Katie says

I really enjoyed this one. Loved the new format of the stories and delving a little more into Hannah's personality.

Dana says

This set was my first real foray into cozy mysteries and I enjoyed the holiday reads. I'll likely be seeking out more Joanne Fluke and Laura Levine soon.

Beth says

Actually just read first two. Ok but not my type of book.

Mary Teresa says

Coauthored with Laura Levine, Leslie Meier. Strong authors, topics were light and fun.

S says

Very enjoyable.

Better plots than expected, for easy-reading books. Very enjoyable. The recipes I tried were delicious. I didn't rate it 5 simply because I reserve that rating for the books that keep me spellbound.

Maryann Jackson says

good, I like her series, but sometimes too many at a time is really like eating too many cookies.

Heath says

These books are all kind of ridiculous, but sometimes you need a totally fluffy, mindnumbing, unrealistic HELLA cozy mystery with some recipes in it, you know?

Not great literature, but just what I'm in need of these dark days.

Maureen says

Not enough time with Mike and Norman.

Mary Ann says

I enjoyed Joanne Fluke's novels and contributions. I enjoyed Leslie Meier's contributions, I will probably borrow more of her books from library, but I did not enjoy the contributions from Laura Levine. Her style just was not enjoyable.
