A Woman Called God: A Picture Book For Grown Ups Peter Wilkes

Second Edition. Proceeds from the sale of this edition of A Woman Called God will go to fight violence against women throughout the world.

So, why couldn't God be a woman? Really, why not? In this adorably playful, yet poignant and timely book, A Woman Called God asks all of us – women and men alike – to consider how the world would and could look if our universal perception of The Creator were not male but female: a mother-figure of unconditional love.

The result of a seventy-year personal journey by the author, A Woman Called God revolutionizes the traditional thinking of organized religion and makes possible a new and inviting path for every woman and man on the planet.

In its short five-minute read you may discover a new way of thinking. In its simple 27 hand-drawn stick-figures you may find a new dialogue. And in its less than 500 words you might even uncover answers that will take you and the world in a new and welcome direction.

Chelsea says

Elegant in its simplicity and powerful in its message--I absolutely love this book and I have shared with all of my friends! Encouraging dialogue and calling us all to be more compassionate and understanding, A WOMAN CALLED GOD inspires deep thought, great conversation, and a better approach to spirituality and faith!

Kim says

Well, yes! Of course!

If only everyone would read this book, give it a good think, and take its message to heart. It all makes perfect sense, and - as the author suggests - would change everything. I actually don't believe there is a God - or a god - to be perfectly honest. But if I were going to believe, I'd for sure want her to be a woman rather than an angry man!

Steve Lee Sr says

Not exactly earth shattering, but I did like the challenge to imagine the world in a different way. We definitely need more of that.

Darla says

loved this book it makes so much since with the title as most women nature their young this is totally a great book with a different hindsight as what if God was a female
