## **From Reader Review The Incredible Power of Prayer for online ebook**

### **Lee Hoe says**

Its a very insightful very powerful book.

---

### **Kay says**

This book is a must have in any home, Christian or non Christian. It exposes the techniques of prayer, and helps you to fully understand how prayer works and show you that prayer do work.

---

### **Rebekah says**

Great inspirational book for an even better price. I only gave it four stars because I wish there had been more stories in it! But then it wouldn't have been such a nice size and price...

---

### **Lori says**

This book was great in building my faith. Thank you to the Kirks who sent this to us!

---

### **Terry says**

This book is highly inspirational and gives great insights into the power of prayer! What an opportunity for Christians to live a life of power, power that is available through connecting daily to God.

---

### **Aficia says**

Truly inspirational, motivational and direct.

As christians we neglect to see that we may have problems but so does our brother/sister. And seeking the needs of your brother does not mean that you are neglecting our own, but simply showing that we love. Intercessory prayer in itself is an unselfish act of love, seeking divine help/healing for someone who probably just dont no how to seek it for themselves.

It help me to understand the order in which I am to present my request to God as appose to just saying " God I need money", "God I want a house", God I need/want, this that and the other. It brings home the point that the relationship with our Lord is paramount to all our needs, because these material things cannot and will not bring us happiness. The more of Christ we input in our lives, the more we see the things that we crave for

are of no consequence to our salvation.

I was truly blessed.

I feel like I can read it all over again

---

### **Lillian says**

This book has challenged me to get more out of my prayer life & interceding for others vis-a-vis, presenting God with a shopping list

---

### **Yvetta Franklin says**

I thoroughly enjoyed reading this super short story. Morneau shares his personal journey of prayer for himself, family, friends eventually co-workers and beyond. He realized how powerful prayer is and it soon became his purpose for living. Though he suffered various ailments, hardships in his personal life, prayer made him stronger and gave him hope and success in every area of his life.

---

### **Aiane Karla says**

This book changed my prayer life and impressed me to start a prayer ministry, praying for one specific person (in addition to others) in great detail each day. The stories shared in this book are so inspiring. I would recommend this book to anyone from all walks of life! Did not want to put it down once I started.

---

### **Tim says**

Roger Morneau's stories about his life remind me that when we are spending a lot of time in prayer and immersed in the truth of Jesus and have a bold faith that God will act in our lives the same way He did in the lives of people in the Bible, we will see spectacular divine intervention in very specific situations in our lives. I feel much more confident in God's working in my life after I read this book. I recommend reading it once a year to get back on track.

---

### **Ken says**

I need to go back and read this. None of it stuck in my current memory (as of Jan 7, 2012).

---

### **Frances Davidson says**

I bought this book shortly after I heard the author speak. I am awed by the stories and was very upset when

---

the book ended. It is so amazing, that even with the history he had (deep in spiritualism)-- God managed to use him in glorious ways, now if only we could grasp the power of prayer the way Morneau does, I believe this world would be a LOT better off.

great read.

highly recommended.

---

### **Kristin says**

An amazing book to help your prayer life

---

### **Kessia Reyne says**

I love love love it. I've read it several times, picking it up whenever my faith needs a boost. It really is incredible!

---

### **Wambui Andrews says**

I have been buying this book read it, give it out and it never comes back . Reading it for like the sixth time now. I love it the power of intercessory prayer.
