## **Forever Driven** Kathleen Brooks

Driven to fight for her town, driven to fight for love.

Riley Davies never backs down from a fight. She stands up for herself and those who can't stand up for themselves. But she is just the manager of a farm and can only do so much . . . until a political matter threatens to ruin her farm and the town she loves. Driven to fight the injustice of losing the farm and having the town of Keeneston destroyed, Riley dusts off her cowboy boots and runs for the State Legislature.

State Trooper Matt Walz has always been the lone trooper assigned to Keeneston since he was a rookie. And sometimes it takes stepping away from the place and people you love to discover you want to come back. Matt finds out Riley, the woman who had sparked his interest before he left Keeneston, is embroiled in political intrigue and insists on being the one to protect her. Now Riley and the entire town are in danger due to someone looking to run their own political game . . . even if it means murder.

## From Reader Review Forever Driven for online ebook

### Kimberly Banta says

#### Bluegrass series

I love these books, but you should read them in order. Starting with The Bluegrass series, The Bluegrass Brothers, Bluegrass Singles and then Bluegrass Forever. Lots of humor and good reading

### Sandy says

#### Forever driven

As I read these books, I think it's the last one. Guess it's not so enjoying another great book, and think I might have a couple more to read.

### Michelle says

#### Loved it

Another Great read with lots of action backstabbing and corruption add a sexy red head with a mission to save her town and Matt trying to save her and once again we've got an town helping out and coming together for one another.

Sexy state trooper??? Yes please!!! Another book that I love from Miss Kathleen, enough suspense and romance to keep the pages flipping and the reader interested until the end. Riley and Matt find each other and deny their feelings, at first, but once they grab onto each other there is no letting go. I really enjoyed this story, I hope you do too. Happy reading!!!!

### Diana says

So good! So awesome! I loved it! Makes me wish I lived in Keenston!

### Katy says

I've enjoyed all of the Bluegrass series written by Kathleen Brooks. In this one, Riley goes to the Kentucky Legislature as a junior delegate to insure a road does not split Keeneston. A sort of Mr. Smith Goes to

Washington type story.

I guessed it. Riley and Matt were a sexy team. They truly had each other six either naked or clothed. Stopped at nothing to serve and protect each other as well as their town. The covers were great and so were Cy defenses. The one-liners and hidden comic relief was needed to off balance the politics and threats.

Kathleen did the history and origins of Kentucky justice on the names as well as some landmarks. She made Riley fierce but with a vulnerability that would have not been guest by anyone. Matt blew me away, his secret and his devotion to stand by his woman and for his relationship. Truly an enjoyable read that left me as dead as..... Another one-liner with a toe still in tact. Sorry Lincoln.

#### **WONDERFULLY INTERESTING STORY!!!**

As usual Kathleen gave us another great book!!! It was suspenseful and riveting! I love, love, love, that the whole Bluegrass crew shows up and is featured in these stories. The continuity is so nice ... It is like your family is there! I know that probably sounds a little wacky but I have enjoyed every character in these stories and also the adorable town and it's very unique residents! This book was very good with lots of interesting twists and turns! Lots of romance, heat and good friendships! It also has a lot of humor especially how cute "Cy" was as a protective father!!!

### **Lindsay says**

If there was ever a place I could pick to live out my life then it would be Here in these books in this town. I love this series and wish there were more for me to read. Amazing book yet again.

### **Jo says**

It's little bit different, no more side characters involved, rose sisters, may be they are too old, hundred years old, no more cousins n friends, they only appear a quick, and they didn't involve, the story only focus on Riley and Matt. Now another couples, the line is long long queue, I do think all the family at least get one story, Kenna n Paige, Daniel, Marshall n now Cy. The next will be Cade, we still have Miles, Pierce n Ahedm, may be The new owners of cafe too, the cousins of Rose sisters.

### **Kirstie Ibrahim says**

Full of action and suspense with a bit of love and romance on the side

---

### **Bette Stanek says**

This one is a bit different than the others in the Bluegrass, Bluegrass Brothers, and Forever Bluegrass series. There weren't as many appearances of the town folk as you'd expect. They also didn't get very involved in Riley's and Matt's relationship, nor did they have much of a part in the "take down."

That being said, there's still plenty of Keeneston's charm and character in this one. It focuses more on just Riley, Matt, and Riley's family....OK, her overprotective dad, Cy. There's political intrigue galore and devious plots all around. The fun continues in Keeneston!

### **Janet Overstreet says**

This series just keeps getting better and better. So much suspense and excitement in the political arena. Matt and Riley are brave and caring people. They are such a good match. If you like suspense and romance, this would be a very good series to read.

#### **Forever Bluegrass 4**

Riley is in trouble and in true Keeneston fashion, her hero comes to her rescue. Not that any Davies girl needs help but a hero and true love is always needed. Riley is fighting to save her town and Matt, the local state trooper is there to help her. Matt is running from his demons and Riley is there to save him.

Catch up with all your favorite Keeneston characters and the grapevine. Latest odds are on a wedding and hopefully grandbabies!
