Emma Sea says

I'm completely digging Anyta Sunday's writing: it's just lovely. Simple. Effective.

This is a short (smigeon over 10,000 words) candy-sweet tale about a best friend who can't see what's in front of him. There are no surprises, no twists, no shocks, no explicit sex, but it's just so sweetly written. I'm hooked.

Cadiva says

Short but sweet

This is a sort of prequel to the next book in the series, setting up Will's story and it's a short, but very sweet, exploratory how what we want is sometimes right under our noses

Camille Adams says

Lendle loan.

Author did a good job of showing not telling.

Lucy says

Oh Benny, it took you long enough! Glad you finally woke up to what's right in front of you.

Jenni Lea says

Cutie patootie lead-in to William.

Elsa Bravante says

Muy cortito, y muy mono.

Me encantan este tipo de historias, muy dulce.

Laura V. says

Hay gente que no ve lo que tiene delante y luego está Benny. Su caso es realmente extraordinario.

Marlobo says

3.5 stars

Cute *Friends-to-Lovers* short story. I would have liked some internal connection with the first stories without depending on the blurb to know that it's related to next installment; I prefer that a series explain itself, obviously excepting those where the link is by location or merely thematic.

Read as part of Enemies to Lovers

Arthur says

4.5 stars

A nice three-part short story.

Benny was so much into Keith that he failed to recognize the obvious. It took a visit from his sister to open his eyes about his best friend, James. But, was it too late?

I really enjoyed reading this story. It's short, but it manages to pack a nice flowing story.

Recommended.

Katharina says

3.5

A very cute, short, friends-to-lovers-type read. Love Anyta Sunday's way of telling stories.

However, in this story, Benny's blindness to what's directly in front of him felt a bit exaggerated to me. And again, there were some problems with editing and grammar slip-ups.

Since this is a free read I rounded up to four stars, anyway. And it definitely is a recommended read for anyone reading the Enemies to Lovers series!

Manda says

One of my favourite stories from Anyta.

Edina Rose says

Cute, cute short read about two best friends who have been in love with each other for years. One didn't know he was in love, and this story is about how he came to realise he was in love all the time.

Susan says

BUT
BUT
BUT
I WANT MORE!!!!

Curly Carla Celebrity Readers says

<https://celebrityreaders.wordpress.co...>

This was a cute short story. I loved how we got to see them come together. It was nice to see Benny finally see what he had right in front of him.

James was quite the forgiving character. I've been where he is and I had to walk away. I'm a huge fan of this author so I expected to love it as much as I did.

Mandy*reads obsessively* says

I have enjoyed all the stories by Ms Sunday that I have read, this short free is no exception.
Unrequited love sucks and it's even worse when you can't just cut the person out of your life!
Benny and James are best friends and have been for years...but poor James has been in love with Benny the whole time, and Benny can't see what is right in front of him.
It's sweet, gentle and very enjoyable story..
