### **Great Love Story**

De and Raniya were getting on my nerve. I wish they would have cut the drama a while ago and work out there issue. I loved JuRon. He was a good friend. This was a page turner and I was glue to the pages. They was a great story and I really enjoyed it

### **Review**

### **Great Love story**

Great Love story.. I'm glad that D'Eric and Raniyah ended with a happily ever after. I think D'Eric took it well with her especially after not being in hs daughter's life for 9 years. They both was very much still in love with each other. And she had been honest with him from the beginning. But she got her best friend back and they have a family.

### **Beat Friends**

Wow this was great. Ra and are were working on my everlasting nerve. I just wanted them to talk it out. Vice I was not expecting him. Sasa and JuJu Bee and Jash are just too cute. Nessa man I wasn't expecting that. Riah is too cute. Zaire was a mess. Great story.

### **Good read**

I enjoyed this book. At times De and Ra were selfish and annoying, but that can be realistic when you've been through what they have. Again love prevails. I knew Vice was not everything he portrayed himself to

be. Overall, this was a good read.

#### **Never disappoints**

Eboni never disappoints. Ra had me annoyed with her at times but De was a typical male expecting to have his cake and eat it too. I like that the drama surrounding Sassy and JU was at a minimum. It added to the story without taking the focus off the main couple

#### **If feelings aren't really dealt with**

People avoid these problems you can't see where things might go. Raniya was wrong to keep D'Eric's child away from him for so long. Oneesa never loved herself or her child. Glad De and Ra got it right in the end.

#### **Childish**

Too but petty drama. I could not even finish reading the book. A lot of back and forth non sense. Too much unnecessary miscommunication between Ra and De that lasted 9 years too long.

Good Standalone!!

Best friends become lovers, miscommunication and separation!! Raniya was wrong for her actions and had to return home to face the consequences. The back and forth was tedious, but Ra and D'Eric finally got on the same page!!.... The Nessa situation was shocking, didn't see that coming!!

Loved little Miss Zaria and Riah!! Vice was living foul and paid for his actions! Saderia and Juju were cute together!!

This is my first read by this author but not my last. Really enjoy a great love story and this was one. Best friends became lovers then parents. Enjoyed the story and storyline and was really glad it was a standalone. At times everyone but JuRon seemed very immature and got on my last nerves, but it still was a good read. Oneesa was very selfish for her actions and I didn't feel sorry for her at all. So glad that D'Eric and Raniya worked things out and they became a family. Overall a good read and can't wait to read more of this author. Good job E Shanie.

Good book I'm glad that Raniyah got her act together and realize that she was in love with De and that her daughter didn't need to be away from her dad, sad the Nessa killed her self she didn't have to do that but I'm happy that they took her child in and I'm happy for Ju and Sasa

### **Best friends and lovers**

Really enjoyed yet another book of yours!! So glad that Ra and De finally got their act together. Vice was something else and he deserved what he got!! Now I wasn't expecting Nessa story to go that way and the outcome had me shocked!!

### **Good book.**

I enjoyed this book and it kept my attention from the start. I loved the relationship between D'Eric and Raniya. They could've been together but didn't communicate. Oneesa was justified in feeling lead on but she knew how he really felt. I'm glad Riah made. JuRon and Saderia were crazy but good together. Great story

### **Loved it!**

This book was so good! I'm glad they got it together and worked everything out! Oneesa should not have tried to kill her daughter if you want to die that's on you but don't put that baby in it! Job well done can't wait to see what's next from you!
