Four Secret Babies - A Second Chance Billionaire Romance (San Bravado Billionaires' Club Book 7)

Layla Valentine , Holly Rayner

He has billions of dollars

But he doesn't have a baby

Well guess what?

That's going to change – four times over!

CHLOE:

When you land a job with a billionaire, you keep your eyes on the prize, right?
What you don't do is sleep with their hot-as-hell playboy son, but of course I did just that.
I let him sweep me off my feet,
Jordan King; San Bravado scion, heartbreaker to the rich and famous
One wild night was all it took,
And soon I found myself pregnant with 4 of my cocky lover's babies
Then Jordan discarded me as quickly as he'd picked me up,
And I knew my babies would be better off without him in their lives.
I only hoped that someday, I'd be able to reveal the truth...

JORDAN:

I was a bad boy, all right,
I played around, and acted every inch the arrogant heir to an unearned fortune that I was.
Well, two years down the line I've left San Bravado and made a name for myself,
I'm a billionaire, for real this time.
Now, I'm back in town, and Chloe is the only woman I want to see
I have a lot of making up to do...
Only now she's telling me she has a secret,
And it's four times bigger than anything I could have anticipated...

This is the seventh book in the San Bravado Billionaires' Club series

Misty Schott says

Chloe was working for a billionaire as his personal chef and she loved her job. She was tasked with cooking for a dinner party and then asked to sit and have dinner with everyone just because her employer was a great gentleman. She met Jordan that evening, he is her employer's playboy son. He's gorgeous, charming and will be staying with his father for about a week while his penthouse is getting some new countertops. They end up going out a few times and then spend a wild passionate night together. After all that things get complicated and completely out of control and they end up going their separate ways because Jordan acts like a complete and utter jerk. Chloe comes to find out she's pregnant and after everything Jordan did and said, she decides it's for the best not to tell him. Two years later and Chloe runs into Jordan at the coffee shop where her and Jordan had coffee together two years ago. Grab this book to find out if both Jordan and Chloe come clean to each other and get their HEA. Or will too many bad decisions make it impossible for them to forgive each other? Loved this book!

Stacey Timmons says

Chloe is a chef who is now working for a billionaire as his personal chef. She's there cooking for a dinner party and meets his son, Jordan. There's instant attraction in both parts but Chloe holds back a little.

Jordan is your typical spoilt, cocky, rich boy. He's out partying on his father's dime and this frustrates his father. He's never had a job of any kind and doesn't care for people feeling. So, Alfred, Jordan's father, puts a stop to it and sends him to New York. But not before him and Chloe form a connection and sleep together. The day after, Jordan, at his father's insistence moves to New York City without a word.

Fast forward and Chloe discovers she's pregnant and when Jordan comes back for Christmas, he's cruel and nasty to Chloe. So she vows never to be taken in again. Fast forward again and she discovers she's having quadruplets. But she copes with the help from family and friends and the generosity of Alfred.

There's not a whole lot of drama in this book. Which to be honest, I was kinda looking for it. Jordan was just a man child and kept running from his feelings and problems, until his father forced him to grow up. I didn't really like the way things ended for Alfred. I was hoping him and Chloe would form an alliance but the author took a different approach instead.

I like reading secret baby romances but it always gets on my nerves when the mother of the child/children gets all pissy about the father's reaction. You know, they've had plenty of time to get used to it.

Joanne Carr says

I am voluntarily writing this review for this book I received through Booksprouts arc.

Chloe work for a billionaire as his personal chef. She was preparing dinner for a small dinner party. When she starts to work on the salad she help Luz deliver the salad to the table. She notices a handsome man who looked like Mr. King then she realized that it was his son Jordan. While she was cooking she noticed an extra duck. She called Mr King to tell him the main course was ready he told her to join them for dinner with the extra duck was for her. Jordan was making small talk with Chloe and of course there were many innuendos. Then Chloe finds out that he will be staying at the house while his penthouse was being work on at the time. Jordan and Chloe start to spend some time together as friends but that was about to change. Jordan leaves for New York where his father set the job up without saying a word to Chloe. Chloe finds out she is pregnant and Xmas was coming up and she knew Jordan would be there. Jordan and Chloe see each other and they he totally as*hol* s out. He tells her she is basically the help and it would be a scandal if anyone knew about the two of them. Chloe finds out that her bundle of joy is now 4 little people.

Jordan is still in New York now with his own company and money. He decides to go back to San Bravado. Jordan runs into Chloe at the cafe where they went on their first date. Jordon finds out where Chloe lives and goes over to see her. That was the first time he sees the children playing and then realizes that they are his he turns and leave Chloe. Will Jordan man up and come and work things out with Chloe and the kids?

Raecharmed says

Chloe is the personal chef to billionaire Alfred. She enjoys her work and the creativity her boss allows her in her cooking. She meets Jordan the boss's son on one of his trips to see his father. Sparks fly between them and against her better judgement she goes out with him. They have an incredible night together and she thinks its something they can build on that is until she learns he left town without saying anything to her. Not long after her night with Jordan she learns that she's pregnant and not with just one baby but four. When Jordan comes back into town after his father forced him to take an internship with a friend he treats Chloe badly and calls her the help. She keeps quiet about her pregnancy and when her employer dies suddenly she has to deal with how to survive taking care of herself and her four babies. Four years down the road Jordan has made his own fortune and is a billionaire in his own right. However he can't stop thinking about the one regret his has in his life Chloe. So he looks into finding her when he comes back to his hometown and is shocked to see four toddlers with her. Are the toddlers his? Why did Chloe not tell him?

This is an amazing story that once I started it I couldn't put it down. The chemistry between Chloe and Jordan was off the charts hot. This is a well written and very entertaining story. I would recommend this book to any book lover.

Carol says

This story had some very sweet parts to it. Jordan was a spoiled billionaire (or rather his father was a billionaire) who just was partying through life. His father's new chef was someone who caught his eye. They ended up having a brief affair and then he left town. When he came home for Christmas, he had a fight with

his dad and was quite mean to her. What he didn't know was that she was pregnant. She ended up not telling him. When his father died and left him no money, he wasn't even upset. He got his life together and made his own money. But he was missing one thing. Chloe. When he came back home to connect 18 months later, he was shocked to find out he had 4 babies. He took to fatherhood right away and they eventually got back together. This was fun to read and I'll look for more from this author.

Margaret says

Chloe starts work as personal chef to Billionaire Alfred King and meets his son Jordan. When Chloe is offered the position of personal chef to Billionaire Alfred King she jumps at the chance and is soon cooking for him and his guest when he has parties, Then she meets his son Jordan and she starts going out with him ending up spending the night with him. He and his have a row which ends up with Jordan sent to New York to take a job or lose his support from his father and he leaves the next morning without contacting Chloe. When he returns for Christmas he and Chloe come to words with Jordan saying some hurtful thing including referring to her as the help. He is unaware that she has found out she is pregnant with quads. Then his father dies leaving Chloe shattered. A billionaire romance to relax and enjoy.

Caroline Doig says

Chloe is the personal chef to Mr King a 70 plus year old billionaire, right now she's cooking for a dinner party for a load of wealthy people. When she served the salads Mr King's son Jordan was there and he was looking Chloe up and down, Chloe was invited to sit at the table but right next to Jordan. Jordan is trying to charm Chloe and it seems to be working but then Jordan's father says that Jordan doesn't work he's a playboy with a different woman never the same woman twice and he flies all over the world on his father's money, Chloe doesn't understand why he doesn't work after all that's all that she has ever done since she was 14 years old was work. Eventually they go out together and sleep together and that's when things take a turn for the worse, you will have to get the book if you want to know what happens next. I loved this story and it certainly deserves more than 5 plus +++++ ?? and I highly recommend this book it's definitely well worth the read.

Jenny Brightman Harris says

I received this book with the understanding that I could leave a voluntary and honest review.

In this book we meet Chloe and Jordan. Chloe is a personal chef and really enjoys what she does. However all it takes is one night with the boss's son to change her life forever. Jordan is the typical playboy but he figures he is young why not. All it takes though is one look at Chloe and he knows what he wants next on his menu. If only he can get her to agree to the plan. One night is all it takes for him to know Chloe is something special but he has things that need his attention elsewhere and he is gone. When he returns will their be a HEA for them or will her news send him running for the hills.

This is a great story. There are ups and downs I really want to tell you about. However I don't want to ruin the story for any other readers. I will say this book will have you hooked from the first word to the very end.

I would highly recommend it to anyone and everyone.

Renata Gill says

Still new out of culinary school Chloe is offered a job she cant resist as the personal chef to billionaire Mr King.

She loves her job, gets on with her boss and then meets his son Jordan. Jordan sweeps her off her feet and after one passionate night disappears.

What did she expect? She knew he was a playboy. Spoilt, lazy, immature and living of his fathers money while he parties and has women dropping at his feet.

When Jordan shows up for the holidays Chloe has something important to tell him.

She was ready to forgive him and take him back until he tells her that he doesn't mix with the help and that she was just another one night stand, a mistake that will never happen again.

A year and a half later Jordan is back begging Chloe for another chance, telling her that he has changed and that he has left his past life behind and that all he can think about is her and the life they can have together.

Will Jordan stay once he finds out that Chloe has a secret that has changed her life forever and could change his too? Or will he do what he always does when things get to complicated for him.....run.

Annie says

I volunteered to read this ARC for an honest review. Loved this story about Chloe and Jordan. She works for his dad as a chef, he's a player that lives on Dad's dime. There is a spark between them but he's afraid to be seen with the help. After a masquerade ball, the two spend a hot and heavy night together. Unfortunately the next day Mr King tells Jordan he's got to head to New York for a job and there are no other options. Chloe finds out she is pregnant with quadruplets but can't decide if she should tell Jordan. Then Mr King dies leaving her some money. Where the kids are 18 months Jordan, who had changed for the better, comes and wants to rekindle their affair. But but is he blown away with what he discovered. Great story with great characters and story line.

Jami says

Chloe is Mr. King's personal chef. She prepares the meal for a private dinner party only to find out that Mr. King wants her to join him and his son in this meal. His son Jordan is staying at the house during renovations of his penthouse. Jordan likes what he sees and pursues an affair with Chloe. Suddenly Jordan is gone. Off to New York to live and run his own company. But Chloe is not left alone, instead she has 4 babies on the way and no daddy to be there for her and the kids.

Jordan is back and runs into Chloe. He pursues her only to find out he is a father, times four! Will Chloe be willing to let him in? Will Jordan step up and accept Chloe and his babies or will he continue down the

arrogant path of believing Chloe is not good enough for him as she is just the help?

One click and find out!

Debbie Caswell says

Chloe is the personal chef for a billionaire but he doesn't treat her as the hired help when he invites her to sit down for dinner one night, she meets his son Jordan one thing leads to another and they end up sharing a night of passion. There will be repercussions from this night but when Chloe as words with Jordan she decides not to tell him she is pregnant after all he basically told her she is just the hired help. How will Chloe survive especially now that she has found out she is pregnant with not one but four babies. Will Jordan finally grow up and release what he is leaving behind and how will he react when he finds out he is about to become a father. This is another great addition to the San Bravado Billionaire club and it a great fun read

LMR says

He's Got "Four Secret Babies" Waiting For Him!!

He wanted ME...

A Nobody, a Chef, someone working for his Father!

He was Determined; He worked for it, when he wouldn't work for or at anything else...

Unfortunately...

Once he'd had ME a series of events Ruined things before that ONE NIGHT could be tested & maybe turn into something MORE...

UnExpectedly, that Night sowed consequences... TIMES FOUR!!

Now... I harbor "Four Secret Babies" Sooo precious, cherished, & LOVED Forevermore...

He's BACK, & I face HIM now with "Four Secret Babies" in tow, will he Walk, RUN, Stay, or FIGHT to Grow into the Father, the Husband, & the Man his Dad would be Proud to call Son!!

I was granted an ARC of Layla Valentine's "Four Secret Babies - A Second Chance Billionaire Romance (San Bravado Billionaires' Club Book 7)" via Booksprout; I recommend this book to others based upon its own merits. All opinions expressed within this review are uniquely my own & freely given!

Until next time... Happy Reading!

MJM says

Okay, I confess - I didn't think much of Jordan at all at the beginning and wasn't sure if I ever could. But, you know what? I do now. This is the seventh book in the billionaire series by Layla Valentine and Holly Rayner and it is well written with a great storyline and fabulous characters. Chloe and Jordan have a night of red hot passion then he dumps her. That's it no going back. But two years later he comes back to the city a changed man who has actually done himself proud and made his billions by his own efforts. He also is on a mission to see Chloe. But Chloe has a secret - no make that four secrets that could make Jordan run away again. Is he really sincere with real feelings for her? Such passion and real depth to the hero and heroine. But will Chloe

forgive him? Is she prepared to let him in hers and the babies's lives? This is a real page turner with some great twists and cleverly written to keep me fully focussed on reading it as quickly as possible because I just @had to know' what was going to happen. A thoroughly enjoyable story. I received a free copy of this book via Booksprout and am voluntarily leaving a review. I look forward to reading their next book. Definitely recommended

Lady Elizabeth says

Chloe is the personal Chef of Alfred, a billionaire man that it's sweet and caring. She's trying to slowly build herself into a better life and working at Alfred's mansion helps.

Jordan is Alfred's son and a player. He's the typical guy that had everything handed to him and takes things for granted because his father has money. He has not lived hardship in the monetary way ever.

This two characters meet and feel a spark of something between them. A relationship develops but when things happen and Jordan is given an ultimatum by his father, things fall apart. The story develops and babies are mixed into the narrative.

I think the author did a good job with the plot of the story, even though is a trope that I've read before I had a really good time reading this book. It wasn't long but it was done well and with a way of writing that I liked. Also, the book flowed perfectly from beginning to end, no bumps in the road or problems that could take me away from the story at any point.

I would recommend this book if you like secret baby stories, cute adorable babies and a man that actually develops and changes in the story.
