Carrie says

There is a pattern for a fairly cute granny square skirt in this book. Still, I'm not sure if anyone could actually pull off a crocheted skirt.

Nanci Svensson says

The projects in this book are boring. Ok?

Tracy says

While the projects were pretty, they were somewhat simplistic. Good for begginers.

Jo says

Several projects, instruction on stitches, felting & a primer on afgan (tunisian) crochet.

Holly Booms Walsh says

pretty good book of crochet patterns. Nice instructions in the beginning, the projects were not the most inspiring but this would be great for a beginner-level crocheter.

Krista says

Eh. Not a particular fan of these patterns- they are pretty clunky. I did like the open-backed cardigan, but the striping and flower patterns were a little much.

Susanjane says

made "one of a kind" hat on p.18-23. instructions not accurate, had to adapt. see amazon reviews re: sizing. i like a lot of the patterns, though. i want to try the nested (p.99-) and organic (p.102-) baskets and learn how to make corkscrew fringe (p.43). library copy. thought about buying it, but decided against it.

Emma says

A library borrowing that is on my (long) wishlist. Somehow crochet pattern books almost always look out of date the minute they're published. But I found quite a few good patterns in this one.

Faith Bradham says

All of the clothes were disgusting in this book ... big shapeless blobs! I found 2 or 3 things I thought were cute (that were not clothes ;)), but other than that, I didn't like this book so well.

Lizzie says

Didn't find anything of use for me or mine. sorry, didn't like the patterns

Carrie says

This book is okay.

Elisabeth P. says

This book has some fun projects, but it also has the basics of crocheting in it that are easy to understand and follow.

OssifrageRage says

Decent beginner book. I didn't find the patterns to be quite as "hip".

Jennifer says

a couple of great patterns for making sweaters for the first time using simple stitches and shaping.

Karen says

cool designs, hope to use a few before winter get here. (I am slow)
