Sharon Lawler says

Mostly activities (word searches, codes, crosswords, lists, etc.) with a minimum of plot. Good book for Big Nate fans to take on a vacation. Don't forget a pencil and eraser.

Georgina says

i love big nate! big nate is super duper extra super cool. he is the coolest guy on earth, except for my daddy. this book has a lot of activities like super scribble. super scribbles are where you scribble and then yo make a drawing like an elephant on a skateboard.

Moe says

This is not a book; it's more like Diary of a Wimpy Kid do it yourself journal. And really, it kept me from getting bored while mom got her eyebrows plucked, but that's a different story.

Fari says

I bought this when I was in 5th grade and did all ht riddles, comics and stuff.

Melissa Namba says

this is a great book for when you have to take a kid on a long car drive. there are lots of activities. they are not overly repetitive so kids shouldn't get bored. some of them will take a good amount of time. nothing is so brain busting that it will make parents look dumb.
