### **Chi's Sweet Home, Volume 6** Kanata Konami , Ed Chavez (Translator)

America loves Chi! Japan's latest kitty phenomenon is rising up the U.S. charts and has quickly become a publishing sensation. Presented in full-color and left-to-right format, Chi and her collection of furry and feathery friends are back

with more adventures for readers of all ages to enjoy this summer.

Chi is a mischievous newborn kitten who on a leisurely stroll with her family finds herself lost and alone. Separated from the warmth and protection of her mother, desperately attempts to reunite with her family of feral cats. When the kitten feels all hope is lost, she is found in a park by a young boy named Yohei and his mother. After taking a tumble Yohei feels just as distraught as the kitten he sees before him, and he quickly takes comfort in feeling a sense of sympathy with the cat. And before she could even know what hit her, the little kitty was picked up and soon under the protection and care of Yohei's family--the Yamadas. Every moment of their daily life is filled with something we can all cherish.

In the latest volume of Chi's Sweet Home, the titular kitten takes to the streets with unbridled curiosity. Exploring her new surroundings she encounters countless new friends, including another young feline named Cocchi. This new kitty comrade opens up a whole new world for our star. Prior to this encounter she had a mild awareness of what it was like to be a cat. To Chi, she was Chi and the Yamada's were her clan. But now with another one of her kind clearly there, she is more willing than ever to accept that a cat's world is one that she should be and will eventually be a part of. So while on a rare night excursion, our furry heroine reunites with an old friend and is introduced to a world where a whole community of cats of all shapes and sizes congregate in the twilight. This reunion with her mentor Blackie allows Chi to slowly move closer and closer to that long awaited reunion with her own cat family. Even if she is no longer searching for her own original home it is suddenly closer than it's ever been.

## From Reader Review Chi's Sweet Home, Volume 6 for online ebook

### Elisa Tarancón says

Me gusta que se amplíe el barrio y Chi conozca a sus vecinos :3

---

### Ang says

In this volume, Chi is mischievous as ever and having a lot of fun too. Both Mamma and Daddy want Chi safe, but realize she's wanting okay and explore with things that she probably shouldn't. So they start putting things in places that Chi can't reach. Little do they know Chi's determination is greater than they realize.

Chi starts exploring outside her new home and starts to get more comfortable with the dog next door. Although the bird dis kind of freak her out when it started to mimic her meows.

The volume ends on a cliff hanger! Chi decides to follow Blackie to the park at night and ends up getting out of her new collar. What will happen to Chi?!

---

### Christyn says

It's hard to think of new things to say about a book series. So I'll go with the stand by - adorable. Though perhaps not as adorable as some earlier books (or maybe I'm overdosing on adorability). Chi gets into a lot of mischief (including destruction) in this volume as well as meeting up with new and old friends. I thought the funniest one in this particular volume involved the parakeet. Mostly, just Chi being a kitten and getting into all sorts of mischief and fun.

---

### Alyssa Marie says

I found this one to not be quite as cute as the others, but still good!

---

### Nico says

the worst part of this volume is that there is no more! chi is a wonderful manga that makes me feel peaceful and happy. I hope that there will be more volumes someday.

---

### Kai Hunter says

Still sweet, but this one is mostly filler. The Yamadas have to learn the lesson that cats don't wear collars. But it was a cute one. Loving Chi!

---

## **Karissa says**

This was another adorable volume in the Chi's Sweet Home series. This is a great series that is cute and funny and wonderful for all ages of readers.

Chi has settled into her new home and is now starting to explore around. She meets a number of new cats, including Cocchi who is the first kitten around her age she has ever known. Chi is starting to realize that a cat is something different and separate from the people she lives with.

This book is full of hilarity and cuteness just like all of the rest. Chi learns about vacuum cleaners and how to push things down stairs. The Yamada family learns about cat-proofing the house. Many of these scenes had my whole family laughing out loud.

We see a new less warm and fuzzy side to Chi in this book as well, Cocchi is kind of a bratty, angry cat. Chi has moments of anger too and is not always happy and cute. Okay, well she is still pretty cute when she's angry....

The illustration is wonderful just like with the previous installments. Both cat and human emotion is portrayed well.

This is one of my 7 year old son's favorite series to read still. At night before he goes to bed he always comes bouncing into the room with the latest Chi's Sweet Home book, "Can we read Chi tonight? Can we!?"

Overall another wonderfully hilarious and cute Chi book. My whole family really enjoys these. I would definitely recommend this whole series to cat lovers of all ages.

## **Pinky says**

I'm a little nervous about all of Chi's outdoor adventures. She meets up with a not-so-nice kitty in this one. Also, hilarious chapter with Chi and the vacuum cleaner.

---

## **Sylwia (Wish Fulfillment) says**

Didn't make me tearful like some of the other volumes, but I still enjoyed it. It's such a heart-warming read.

---

## **Nicola Mansfield says**

It's getting hard to say anything different about each volume as each one is as pleasing as the last. There is no plot, nothing really happens other than a series of events but it is all so sweet, realistic, cute and amusing. I've gotten used to Chi's character now and don't actually laugh out loud anymore but I'm still smiling and chuckling to myself at her realistic feline reactions. This volume mostly takes place outside as Chi explores the neighbourhood meeting up with the neighbourhood pets and Chi is introduced to another kitten who isn't

as friendly as she is. When in the house Chi is becoming quite active now and causing quite a bit of trouble. Chi is not just lovable anymore either; she has an angry side which frequently shows its face this volume but she's just as cute when she's angry! Four more volumes to go in the series but taking a little break now so I can come back to them refreshed. Highly recommend this series though.

---

### **Becky's Clean Reading says**

Very cute. About a naughty and naive cat. The cat seems to speak Japanese/English but owners interpret it as meows. Other animals seem to understand but dogs. Interesting and cute. Stories are a few pages long as chapters.

?

---

### **Child960801 says**

In this book we meet the neighbour animals and Chi makes a new friend at the park.

---

### **Ashley says**

This is the first volume where I really noticed the colour coding of the sound effects. Perfect! I loved all of the new creatures introduced in this one. Hilarious!
