## **Blinding Love 2** Liv Bennett

Can love be torn away from the heart completely?

After Matt and I went our separate ways, I try my best to forget him and move on with my life. I start a white-hot, passionate affair with another gorgeous man. I dedicate myself to my work, but the memories of my marriage are always there, lingering on, reminding me of the good times and the bad times, and, once in a while, making me regret my decision to divorce.

## From Reader Review Blinding Love 2 for online ebook

### Carrie says

Messed up relationships... I like a little romance with my romance. This was just about the sex. Meh.

### Angi says

I was asked to read this book for an honest review...I do believe I loved it a lot more then the previous one. Evie has moved past her failed marriage with Matt and has met a new man, Craig. Craig could possible be ever more Hotter then Matt and he definately doesn't seem to be as mentally abusing. Matt hasn't moved on and has started to stalk Evie. He has even gone as low as to try to get her best friend Shelly's mom involved to try to convince Evie to take him back. Matt has even talked Shelly to help out some...ironic really! Then once again...we are left with a cliffhanger waiting for book 3...the suspense on Craig & Eve's relationship and now what is going on with Shelly???

### Angila Landsaw says

#### Blinding love

love this series very sexy and OMG hot !!! Team Craig all the for Evelyn. Think Shelly and should get together.

---

### Nelly says

This one is definitely better than the first. Evie's has a lot more self respect this time around and Craig and she have an even better connection because he isn't always the one dominating everything.

I assume Matt has something to do with the arrest?? Maybe that is why she agreed to help Matt get Evie's back??

Oh Evie, can't you see that Craig is not the one. Matt I needed you to change, now you are so on the right track, even though the stalking was a bit worrisome. Liv Bennett thank you for a great read. I prefer stand

alone stories, but I am loving this series . I cannot hardly wait for the 3rd book. Strong characters and an easy flowing story, with angst, drama, and sexy.

I was given a complimentary copy of this book in exchange for an honest review.

This is the second book in the Blinding Love series. Be forewarned that there is a cliffhanger at the end.

Evelyn has made the choice to go her own way from Matt. Being able to no longer trust him or the feelings that he evoked she wanted to start over again. Alone.

Or so she thought. Another man comes into her life but she is unsure as to whether he is one night stand type material or a relationship type of guy. In the meantime Matt has realized just how much he loves Evelyn and is determined to get her back.

I liked the growth that Evelyn and Matt both show in this one. There were a few surprises thrown in that will definitely be showing up again in the next book. I am patiently (ok not so patiently!!) waiting for the last book so I know what happens.

MUST READ SERIES --- GETS BETTER AND BETTER!!!

WOW... what a cliffhanger ending! I did NOT expect that ending!!! Whoa... I'm already SALIVATING for book #3!!!

If you liked the first book (Blinding Love #1), you're going to LOVE the 2nd book in this series even more!

Blinding Love #2 takes some interesting twists and turns with all of the characters. I really liked that Evelyn's character was so much stronger in this book! She's really come a long way from the mental and emotional abuse she suffered in her marriage to Matt. I was really proud of her and her character's strength in this book. She didn't get wishy-washy or let anyone take advantage of her anymore... and I LOVED it!

There were also some interesting twists with Matt, Craig, and Shelly in this book too. Especially in the last chapter, with that major cliffhanger ending!!! That was very unexpected... and I'm just dying to read book #3 now to find out what happens next!

## Shannon says

I received an ARC from the author in exchange for an honest review

Ok, book 2 is my favorite so far! Liv Bennett cranked up the heat on this series, plus a cliffhanger that shocked the heck out of me! C'mon book 3... hurry

Blinding Love 2 by Liv Bennett  
3 1/2 stars

Craig seems to be a great match for Evelyn. His similarities to her ex husband Matt end with their jobs. The attraction between them is great, it just seems the relationship itself develops in a rushed manner. Matt's still a creepy factor that regardless of his behavior apparently to the contrary, just doesn't seem to really change (IMO).

Shelly's surprise at the end definitely threw me for a loop, I didn't see that coming at all.

I liked the story, it just seemed a bit rushed and slightly disjointed for some reason. I still want to read book 3 regardless, I have got to know how this story wraps up!

## Tim says

**WOW! YOUR HEAD WILL BE SPINNING BY THE END.**

A THREESOME; LIVING TOGETHER; SEX OUT OF THIS WORLD!!! (And THAT is just ONE of the situations.)

This book is going to "Rock Your World." All the stories are going to keep you WET MOST of the time. It has just about EVERY KIND OF SENSUAL SCENE you can imagine.

This second book in the series is definitely a keeper. ENJOY!

## Andrea says

Awesome!

---

## Erica says

Ahhh hell.

I didn't even get time to digest what had happened then BAM.

---

## **Marianne says**

It's not a good sign when you are passing the pages.. not much of a storyline and I just hated the three some relationship between Evie, Matt her ex husband and Craig her new boyfriend. It just got too weird and cringe worth for me, they ended up living together, working together and having this weird relationship. I hated it.
