5 stars. Before you read "Beautifully Revealed" you have to read "Beautifully Broken" (which is the 1st book in this series). In "Beautifully Revealed" we learn a lot more about Ella's history with her childhood "friend" Damon and her mother. The 1st half of this book there is a lot of heartbreak in Liam and Ella's relationship while they struggle to trust each other and Ella struggles with needing to tell Liam about her secrets of what happened with Damon. I was happy to see a HEA for Liam and Ella after all their struggles. I recommend this series to anyone who loves a good love story with plenty of steamy love scenes, drama, and heartbreak.

Elle was so frustrating in the beginning by not opening up to Liam, I just wanted to bust her upside her head at times! Lol but great ending and nice touch with the father daughter dance at her wedding, I had tears.

*****Spoiler Alert*****

Ok let me start out by saying I loved this book...a perfect follow up! I've read so many series were the first one blows my mind and I can't wait for the next ones only to be disappointed. Bethany kept the story interesting and Liam and Ella had the same depths to their characters as the first book. The only disappointment was that we didn't get to read Liam and Ella consummate their marriage!!

Absolutely Love!!!!!!

I am very saddened by having to split apart with this book and characters. I wish it can go into another book, but there always has to be an ending. Great Read, and awesome author.

I thought her 2nd book really brought it! Kept me entertained & into the story! Liam Maddox was a hottie!! Loved Ella Moss too & was surprised at just how much she was hiding from her past! Great ending brought tears to my eyes. I so not want to spoil it for anyone who hasn't read yet! Great read!

AlphaMale Lover says

i continued reading this series because i was very curious about Liam and Ella.this book was better written and the story flowed better than in the first book. the sex in this book is hot.

So Ella is still hiding her past from Liam ,but confides in Cayden more and more, although Liam still doesnt think Cayden is interested in her. Ella meets Luc in Las Vagas, but their trip ends sadly when Luc takes advantage of her. Anne dies and whilst at the hospital, Luc lets Liam know He had his hands in Ellas panties,Liam has had enough and puts them on hold. Ellas past comes back to hunt her and she has to face it and come out stronger. 3 stars from me

WHAT A BEAUTIFUL LOVE STORY WITH A LOT OF TWISTS & TURNS. THIS IS BK#2 AND THE ENDING OF THIS "BEAUTIIFUL SERIES". THE HATEFUL VILLIANS IN THIS BOOK MADE ME SO ANGRY BECAUSE NO ONE SHOULD BE ABLE TO DO WHAT THEY DID AND GET AWAY WITH IT. BOTH BK#1&2 ARE WELL WRITTEN, ABOUT TWO BROKEN SOULS, FILLED WITH ANGST, LOVE, A WHOLE LOT OF SEXX, UPS, DOWNS, MURDER, SECRETS, AND ABUSE. THEY MIGHT HAVE BEEN BROKEN BUT TOGETHER THEY FOUND A WAY TO HEAL ONE ANOTHER. VERY, VERY GOOD LOVE STORY, I LOVED IT. YEA!!!

Can You say **LOVED IT LOVED IT LOVED IT!!!!!!!** *Bethany Bazile* sure did not disappoint us with "**Beautifully Revealed**" OMG!!! I literally couldn't put it down. I kept rereading the chapters just because I didn't want it to end. **Liam Maddox** and here I thought you couldn't be more resettable.

I LOVE Liam Maddox and I want the world to know lol. OMG the way he opened up in this book how can you not love him. But enough about Liam for a second **Isabella Moss** you are the definition of a strong, most complicated, stubborn,independent, and loving woman. *GHHESSSHHH* I had a feeling the poor girl had a dark past but OMG I didn't think it was that terrible. Girl did have some issues, can't blame her for being the way she was. But with help of Liam and don't forget the incredible "sometimes wanted to punch him the the face" doctor Cayden Knight Isabelle is learning to overcome her fear and learn how to live again.

I don't want to ruin the book for those of you that haven't read it yet, but I'm to excited I love this book just as much as the first one "beautifully broken". It was incredible full of lust,love,action,drama,jealousy,laughs,heartbreak,emotion,sadness and scorching **HOTTTTTT** sexy scenes. This book will definitely keep you on your toes.

Beautifully revealed starts of right when you leave of beautifully broken you still have Luc and Liam with there love triangle and more new characters like cough cough Cayden Knight who tries to make the triangle a square. Beautifully revealed is exactly the right title because in this book we find out all of Ella's dark secrets her horrible past with includes a cold hearted B**** of a mother and a bastard named Damon!!! "but not to ruin the story you guys must read for the details".

Liam's and Ella's journey continues and I'm very very satisfied how the book ended, cant denied I did shed a tear at the amazing gift at the end :x !!!!! lol I know im being selfish but i wished the story didn't end even though the ending was perfect "complete"

" I LOVED HIM, AND I'M NOT AFRAID TO SAY IT ANYMORE". Ella

"YOU'RE PERFECT AND I COULDN'T HAVE DREAMED UP ANYONE BETTER. LEAVING YOU WAS ABOUT MY FEAR,BUT MAYBE I WAS WRONG. I'D RATHER HAVE A HUNDRED TODAYS WITH YOU RATHER THAN WORRY ABOUT THE FEAR OF WHAT'S TO COME TOMORROW". Liam

just FEW of my favorite quotes i have alot more more i can't write the whole book here!!!!

I loved it I will reread this book again and again thank you Bethany Bazile for introducing us to this amazing book and even amazing characters , cant wait to read more of your amazing books . I definitely recommend this book to everyone !!!! If you are a a hopeless romantic that also loves to read romance stories with erotic sexy scenes that make you want to take a cold shower afterwards then this is the book for you.... again one more time **LIAM Maddox** is a god !!!!!!!!! my ultimate character crush right here beats Christian Grey and Gideon !!!! lol HANDS DOWN!!!

" KEEP CALM AND LOVE LIAM MADDOX from THE BEAUTIFULLY SERIES"

*****IF we had 10 stars i would rate it 10 stars ,but we have 5 ?????sooo five amazing scorching hot stars goes to the end of the beautifully series!!!! *****

This review is from: Beautifully Revealed (Beautifully #2) (Beautifully Series) (Kindle Edition)

From start to finish this just simply took my breath away, I was filled with anxiety and excitement. I was constantly consumed with so many conflicting emotions, one minute I'm elated and excited next I'm dreadfully frightened Ella and Liam are heading towards complete destruction. Their unbridled passion for each other is so soul consuming, it's all or nothing. Together they soar but hellbent in pushing each other away yet miserable apart. Their affair is so tumultuous, a constant push and pull, felt like pulling my own hair out from getting so mad at Ella for constantly doing things that she knows very well drives Liam out of his mind. You'll agonize with Liam's own turmoil and great loss, you'll love him and adore him. The build up and the reveal of Ella's deep dark past was done agonizingly slow but WOW! it was frightening and agonizing it just rips your heart out. This is edgy, erotic, passionate and all consuming you would not want it to end. I stayed up through the wee hours, I just couldn't seem to put it down...my gosh, one of my best memorable read. The writer is just incredibly gifted, I am so impress...well done!

Stephanie Morrow says

4.5 stars

Whew, I thought that Liam was going to be the more messed up of the two; I sure was wrong. Ella had so much bottled up. Bazile did an amazing job of making you feel every emotion that Ella goes through. As the reader, I went through the happy phases and the sad ones as though I was Ella.

There were so many messed up characters in this book, each one of them were faced with their own demons but some how found the ability to overcome them and be somewhat "normal." Each character dealt with something different but in each case, they had a hard time accepting whom they had become and letting people accept them for who they genuinely were.

The relationship between Liam and Ella was HOTTTTT. Every steamy moment with them felt like I was on FIRE. Their characters collided and formed an undeniable passion from the beginning. Theirs was anything but an easy HEA but for the two of them, they seemed blissful and content. They both felt they had something to look forward to since they found each other.

OMG!!!! OMG!!!! O!!!!!!!!!!!!!!M!!!!!!!!!!!!!!G!!!!!!!!!!!!!!

I couldn't put this book down.

Lucas if I ever see you I will do some serious bodily harm to you. I won't kill you because you came around at the end, but you're still going to get a good licking!

Liam...Liam...Liam... *sighs* *stares off into space dreaming of Liam*

Ella, girl! I like you. I really do, but darn it snap out of it. You can't trust anyone who hurts you..Past, Present or in the future. *rolls eyes*

The Epilogue was AMAZING!!!!!! I cried like a baby. I was wondering if that person was going to make an appearance.
