Priya says

I love Jughead :D I'm really digging this series so far. Can't wait to hear about "The Lipstick Incident" next issue!

Jason McKinney says

Another good issue, though I thought the "crazy rich bitch" characterization of Veronica was a teensy bit over the top.

?????? ?????? says

The way Archie acts around Veronica, this extremely frivolous side of his is just damn irritating. Makes me wanna punch him in the face. The only character that I like so far is Jughead. He is the only one with some sense in him and more. Betty gets fired up at last against Veronica and agrees to free Archie from her clutch. So next issue will be Betty Vs. Veronica and also the revealing of #Lipstickincident.

Sadia Mansoor says

Okay...so Veronica is finally here & its her first day at the school.. She's all modern & extremely status conscious! She's very particular about her high standards & cannot really merge into her plain & simple surroundings. She finds people here of average standard or maybe below to her high profile class. Archie is going crazy after her already & helping her out on her 1st day but she is treating him not less than a mere servant & Jughead cannot accept this treatment for his friend. Jughead is shown a very wise person here. Loving his character a lot! The traces of love triangle can be seen, & Betty has beginning to sense the trouble coming up very soon..
Lets see.. what happens! I just don't like Veronica, as I don't want anyone to come in between Archie & Betty. While this disturbs me & the rest of the comic lovers, one thing is sure that I am loving the colorful illustrations a lot! <3 ^_^

K. says

Introducing Veronica!

She and Jughead are never going to be buds - I think Jughead sees too much of who he could have been in her behavior.

Archie becomes her pack mule almost immediately, due to a combination of "horndoggedness" and the

implication of blackmail. This is just another new dimension added to the relationship thanks to the reboot!

Amanda says

I was sad to hear this is the last issue Fiona Staples is doing the art for, but it's still going to be great.

Karen says

Verona pops in

What can be said, the triangle of the ages begins here. Bighead is a lot cooler here than he was in the old days.

Abel Montero says

Always and forever Jughead (not only burgers, but mostly burgers)

Holly Letson says

Veronica "Ronnie" Lodge is in Riverdale now, and Archie Andrews has become her own personal lapdog, making her every wish his command. That is really sad, y'all. He is better than this.

Jughead alerted Betty, but Betty played it cool most the time. But, finally, Ronnie crossed the line. So, soon, it will be no more Miss Nice Betty.

Also, can't wait to find out what the #LipstickIncident actually is.

Emma says

I wish they weren't making Betty & Veronica JUST rivals. One of my favourite parts of the old series was that they were best friends, but also rivals. It was so weird, but it kind of worked.

Still love Jughead to bits. So far this series he has had the best lines!

Becca Vargas ?? says

Mi favorito hasta el momento sin duda...

Sandra says

It's starting to be more like the older Archie story. Haha.

Summer says

I really don't like Veronica.

Maine Caulfield says

Veronica is so terrible, I love it.

McAbby says

can't wait to find out what the #lipstickincident is all about!
