Olimpiade Smurf Peyo

Smurf Kekar mengadakan pertandingan olimpade. Semua smurf ikut berpartisipasi dan membentuk tim-tim sendiri. Smurf Rapuh yang dikenal nggak bisa apa-apa juga mau ikut serta. Sementara semua smurf meremehkannya, Smurf Rapuh pantang menyerah dan terus berlatih. Berhasilkah Smurf Rapuh memenangkan pertandingan ini dan mengalahkan semua smurf lain?

More insomnia fodder

Bunga Mawar says

Lama2 smurf komik ini kok makin kurang smurf, ya? Apakah karena sekarang smurf saya terlalu smurf? :p

Nicole Wolf says

I like smurfs

Jaime says

My daughter loves the smurfs!

Andrew Ives says

Maybe the Smurfs started to fizzle out by book #11, because despite absolutely lovely colourful printing and appealing artwork, the story is pretty woeful, even allowing that some of it will be lost in translation. The cover states that there are "two" full stories in this thin book, but actually, the Olympics story occupies 60% of the book and the rest is made up of little bits of this and that from newspaper strips. I much prefer Tintin.
2.5/5

Valerie says

A little bit boring....but some vivary inside

Helmut says

Sport ist Mord

Kurzreview: Ein Gutschlumpf meint, allen anderen im Dorf vorschreiben zu müssen, dass sie nun Sport treiben sollen. Besser hätten sie ihn aus dem Dorf gejagt, denn außer Stress ist am Ende wieder nichts gewesen. Ebenso der Geschenkewahn zu Ostern: Ein Ei jagt das nächste. Und dass man nicht in einen plötzlich über Nacht aus dem Boden geschossenen Vergnügungspark gehen sollte... klug sind sie nicht, die Schlümpfe.

Soobie's scared says

Beh, la copertina proprio... Come si fa a vedere che il Puffino Debolino ha il naso rosso se tutto lo sfondo è rosso uguale?!

A parte questo, la prima storia non mi è dispiaciuta. Anche se povero Puffo Debolino che non si prende nemmeno il bacio della Puffetta. Che fregatura!! È stato comunque simpatico vedere i Puffi alle prese con l'atletica e le Olimpiadi.

La seconda storia è un po' confusa è ho dovuto leggerla un paio di volte per riuscire a capire tutti i vari passaggi.

La terza è un po' così. Solita storia: Uno per tutti, tutti per uno.

Alice Rachel says

This was really funny.

Catherine says

Je crois que je l'ai aimé à cause que je me suis reconnue. Le schtroumpf absolument incapable de gagner qui gagne. Ça fait du bien au self-esteem! Les deux mini histoires en surplus sont corrects mais ils valent la peine juste voir le Grand Schtroumpf fâché.

Primadonna says

Waktu kecil pernah baca, sekarang baca lagi dengan edisi baru.

Andria Davis says

This is a level 2 reader book. It is a story about Hefty Smurf wanting the other smurfs to get active but also about teaching a smurf to believe in himself and try to achieve the things he wants to achieve.

I thought this was a very cute story. The book seemed a little difficult for a level 2 reader but maybe if they were getting ready to go up to the next step, it would be ok. The book's story also held a lesson which I thought was an added bonus.
