Big Nate: Payback Time! Lincoln Peirce

In this brand-new collection of the NEW YORK TIMES BESTSELLING series Big Nate, everyone's favorite prankster takes on everything from epic snowball fights to sixth-grade crushes, with plenty of hilarious misadventures along the way.

Look out, Big Nate fans—it's payback time!

In this brand-new collection of Big Nate comics, Nate develops a mysterious allergy to Mrs. Godfrey, wages epic snowball fights with Teddy and Francis, and even takes a nervous newbie under his wing during detention. But after a disastrous run-in with Randy in the cafetorium, our hero faces a dreaded after-school showdown on the soccer field. Will Nate survive or get kicked around?

From wedgies and food fights to Halloween pranks and sixth-grade crushes, *Big Nate: Payback Time!* has got it all.

Etienne says

A comic book that made me think of Peanuts in its illustrations and style of humor. So maybe the Peanuts fans might enjoy it more than I did. It was entertaining and even funny from time to time, but just a bit too light for my personal taste!

Jennifer Green says

I received an ARC via NetGalley in exchange for an honest review.

It's another fun read in the Big Nate series. My son loves them, and he and I read this one together. There were a few chuckles, and I finally was able to confirm my son's explanation of why Big Nate has no dog yet Spitsy is always featured as though he were Nate's dog.

A few lessons were learned, mainly by those around Nate and anyone reading his story. The books aren't really there to teach necessarily, but I find they do a good job of that.

While not as cohesive as some of the other books, this pulling together of various strips still works.

Well drawn. Well written. Fun characters. Great read!

Donald Scott says

This collection of Big Nate comics shows off our naughty, narcissistic little hero in his best light - whether trying to get his social studies teacher Mrs. Godfrey fired because he's supposedly become allergic to her, to petitioning for a student lounge because the teachers get one for themselves, dressing up as classmate Gina for Halloween, schooling a newbie in how to make the most out of detention, or trying to break up Jenny and Arthur because he may (or may not) like Jenny. Oh, yeah, and the bully episode, as seen on the book cover; this reader's personal favorite. Nate, as usual, goes through the world from day to day acting like he owns it, and this collection is a funny, varied example of the little menace from PS 38 at his most maddening. Amazing, what this kid can talk or scheme his way out of; I wish I'd had half his skills in school. 4.5/5 stars

NOTE: I received a free ARC of this title from NetGalley and the publisher, in exchange for an honest review.

Theediscerning says

There's little to say here, for these books are great. Their light-hearted look at school life in modern USA certainly travels across the ages and the miles, for here I am liking yet one more. The Power of Chad, dressing up as Gina for Halloween, decorating a school room as a students' lounge, and so much more is here. This series has lasted for a reason, which is the incredible way it's sustained its quality over the years. Four and a half stars.

OMG! This is another hilarious read from the Big Nate series. I have to say that it's as funny as the other books in the series. This is my 3rd Big Nate book that I've read and reviewed. Just can't get enough of the jokes.

From the first pages, it's just so funny to see Nate's battle with Ms. Godfrey. The amazing thing is sometimes his logic seems to be acceptable (if something makes you allergy, you get rid of the source). It's just a creative way for a 6th grader to achieve his goal. Gina and Nate's battle go beyond trick or treating. Nate dressed as Gina because Gina is (in his perception) an evil villain. And in a normal world, his friends assumed he's secretly in love with Gina. Even Principal Nichols has an inner thought about both characters (the recreation lounge incident).

This is by far the most hilarious and entertaining title from the Big Nate series that I've read. I will for sure keep reading the Big Nate series and review it!

Recommend for those who love to read comedy, not afraid to have a bit of crazy adventure and crazy logic of course.

Yasmeena says

ARC provided by NetGalley in exchange for an honest review.

This one was really enjoyable.

I really liked the references to today, like Big Shaq, Netflix, and Youtube. I didn't see those in the other books and was really glad to see it here.

Lisa Terwilliger says

My 9 year old Maggie read and reviewed this for #NetGalley and she LOVED it! She said it was the best of the Big Nate books and she would definitely suggest it to her friends. She laughed a lot and often would read the pages outloud for us to hear...many laugh out loud moments! Maggie loves graphic novels and discovered Big Nate a few months ago and quickly read what the library had...she was so excited to read this one in advance and read it in 2 sittings! Two very enthusiastic thumbs up from a big Big Nate fan!

Mehsi says

I received this book from Netgalley in exchange of an honest review.

OMG, you guys! Imagine my delight when after many months of no new Nate we suddenly have a new Nate on Netgalley! I just had to click that Read Now button. Thankfully, I got the whole day free so I can read tons and tons of books! \o/

Another great bundle of comics! Review to come on March 5th.

Rebecca Widder says

Thanks to NetGalley and the publisher for providing me an advanced copy in exchange for an honest review.

Review from my 8-year-old son:

"I think that it is a funny, good book. It is funny because Bug Nate does funny things and asks for a kid's lounge in the school. It's better than some of the other books because Big Nate does more silly things in this book than in some of the others

Corlyn Riverside Reader says

Another entertaining Big Nate story! My 9-year old was eager to read this with me and enjoyed it. This book covers the typical middle school occurrences including detentions, writing assignments and crushes. The level of vocabulary was slightly advanced for my 9-year old but would be fine for my 12-year old.

Bunny says

Received via Netgalley in exchange for a fair and unbiased review.

I read a review of a Big Nate book once from a parent who stated they were horrified by these books, and would not be comfortable giving them to their child because of how rude and disrespectful Nate is. To his friends, his dad, his teachers. He's just a little snot.

And I don't disagree, exactly, but I also completely see why this series is a big hit with kids. Even the most polite child in the class has dreams of telling a teacher or authority figure exactly what they think about their rule structure. Nate gets to say exactly what they're thinking, and he tends to get away with it every time.

I love these books. They can stand the test of time and be read generations from now. Though we'll see how the joke about Nate's dad falling for a Youtube star ages.

Karen says

Un cómic totalmente hilarante, Big Nate es un personaje entrañable.

Ron says

You know what you are getting with a Big Nate collection - plenty of middle school hi-jinks - just see the front cover! It is like the old commercial - bet you can't read just one. And before you know it you have breezed through the whole collection and have to wait for the next Sunday to get your next fix. But the nice thing about a book, is that you can always go back and reread it!

Thanks Netgalley for the opportunity to read this title!

jina yoo says

The whole book is soo funny especially when Nate accidentally dumped food on Randy and at the end of the school at the soccer field when Randy dislocated his shoulder!!! Soo funny.The Big Nate series are really funny

XD XD XD XD XD XD XD XD XD XD XD XD XD XD XD X XD XD AS WELL AS THE FIRST ONE
