**Someone Old** Lacy Williams , Susan Crawford

Claire gets jilted at the altar—and a blast from the past in the form of her baseball-playing ex.

”Lacy’s books are just so darn cozy and wholesome, without being cloying.” WendyTheSuperLibrarian book blog

“Sweet, faith-filled romance...” Publishers Weekly on SAVING JUSTICE by Susan Crawford.

About Someone Old:

Claire Davidson wanted to be a blushing bride. Instead, her groom splits just before they’re supposed to walk down the altar at her hometown bed & breakfast. Cue her old flame and college sweetheart Jax Morris—the man who walked away when things got serious between them. Seeing her ex-boyfriend is the last thing she needs... until she needs his help to track down her missing groom.

Jax has it all. His dream of being a MLB pitcher kept him alive during a tragic childhood. Now he’s playing baseball for the Major Leagues, expected to be Rookie of the Year, and life is golden. Except for the one that got away. There’s still a Claire-shaped hole in his heart. He’s never forgotten the sweet, small town girl who was his first love.

But Claire’s no runaway bride. She’s not interested in a second chance with him—and he can’t blame her. He wants redemption. He just isn’t sure he deserves it.

Will Claire open her heart to Someone Old?

Jilted in Sawyer Creek: Four couples. One crazy wedding weekend.

## From Reader Review Someone Old for online ebook

### **Brittany says**

I really enjoyed this sweet novella. Even though it is short, I felt very connected to these two characters as they fell back into each other's lives. I'm looking forward to book two in the series!

---

### **Theresa says**

This is a sweet novella about second chances, rejection, love and loss. It was a very enjoyable book. I fell in love with the characters immediately. Their stories were relatable, emotional and interesting. This novella was well written and a quick read. I would recommend this book and I look forward to reading the rest of the series.

---

### **Janine says**

I received this book through Goodreads Giveaways for an honest review.

Someone Old was a sweet, cute romance. Although since it was a shorter book, I felt there was not as much depth in the characters or situations.

---

### **Paula says**

Claire's heart is breaking and she is about to get another jolt. Wow! I can't imagine being jilted especially at the altar. I was not happy with Nicholas and really skeptical of Jax showing up - not really a fan of love triangles - but I was very happy with how the story played out. I will say I admired all three of the main characters - often hard for an author to pull off IMO. This was not only a romance but a story of forgiving an ex and family. Great start to this series.

---

### **Nichole says**

This was a good book. I only wish it was longer

---

### **Bethany says**

I won this book through Goodreads ebooks. This novella was good. Claire was supposed to marry Nicholas, but her junior college boyfriend Jax came back in her life.  
I like happy endings.

### **Susan says**

**Wow**

Loved the story line, second chance at love. A great read. A must read. Enjoyed this book very much! ? ? ?

---

### **Sheila says**

A short, lite, fun, romantic read. Somewhat predictable, but still an enjoyable novella.

---

### **Diana in SC says**

Absorbing, angsty, clean romance

I became absorbed in this novella from page 1. I liked it, but it was significantly angstier than Lacey Williams' other contemporary romances such as the Fairy Tale Cowboys series. I kept hoping for more humor and light-heartedness as I read. Still, the writing was high quality, and I deeply cared about the characters, Jax and Claire. They are both compassionate, good-hearted people who have gone through a few terrible things in their pasts. I definitely want to read the next two in the trilogy because we briefly meet the characters in the future books, and I want to know their story.

The novella has a small town setting. It is also somewhat a sports romance because Jax recently become a major league baseball player, although sports are not important to the story. It is a second chance romance that occurs after Claire's fiancée jilts her on the wedding day. I recommend this novella to anyone who wants an angsty clean romance.

I received a free advanced reading copy from the author, and I voluntarily wrote this honest review.

---

### **Joyce says**

#### **A Second Chance**

Claire is getting married to Nicholas. Wait were is the Groom? Jax has come looking for Claire to ask her to give him a second chance but discovers she is getting married. Will things work out for Jax? A cute romantic story that I think you will enjoy.

---

### **Lauren says**

This was a great, cute, clean read but wrapped up really fast. I think that it could have worked well as a full-

---

length novel. I really enjoyed this fun, light read! The story line was unique and intriguing.

---

### **April Collins says**

#### **Great short romance**

This is a great read for someone with a short amount of time. It's time frame for most of the book is a 2 or 3 day stretch so its quick but it's worth the time if you got it.

---

### **Jennifer says**

2.25 stars.

Well developed for a novella, I enjoyed this more than I thought I would. I'm glad for the clean content and for the angst that wasn't dragged out too long. I'm also glad for an H who didn't seem like a manho. He was also direct about wanting a second chance with the h. I think I'll read the rest of this series and see if this author is for me. These novellas are just what I need after finishing a long and somewhat sad series.

---

### **Terressa says**

Super cute novella. Fun storyline. Charming characters.
