Swamp Team 3 Jana Deleon

From New York Times and USA Today bestselling author Jana DeLeon, a new installment in her bestselling Miss Fortune series.

What's a little arson between friends?

Undercover CIA agent Fortune Redding spent her first three weeks in Sinful, Louisiana dodging insults, makeup advice, guard dogs, bullets, and Deputy Carter LeBlanc, both professionally and personally. But just when she thinks things are going to settle down in the small bayou town, someone sets her friend Ally's house on fire.

Carter, who'd just started pursuing Fortune on a personal basis, goes back into cop mode and admonishes her to stay out of his investigation. This time, he swears he won't issue any warning before arresting her. But with her friend's safety hanging in the balance, Fortune can't resist taking matters into her own hands and calls on her partners in crime fighting, Ida Belle and Gertie, to help.

This is a mission for Swamp Team 3.

Mariko Tsubaki says

A great addition to the hilarious antics of the Sinful crime fighters. The ability of this series to cause me laugh out load moments remind me of early Stephanie Plum books.

Deanna says

The fifth installment in the Miss Fortune mysteries, *Swamp Team 3* by DeLeon, continues the hilarious exploits of CIA assassin Fortune Redding with her entourage of former spies Ida Belle and Gertie. Someone tries to set fire to Ally's house, so the intrepid trip band together to find the culprit. The investigation is complicated when Ally's next door neighbor is found murdered in her back yard shortly afterwards, and the FBI barge in to take over the homicide investigation. Much hilarity ensues as usual. Another 5 stars.

Anne says

This was another great addition to the series.

It's rare lately that I find a book that just makes me happy. A good heart-warming story with lots of laughs and good warm happy feels. So imagine how happy I've been to spend my Christmas break with the eclectic crew of Fortune, Ida, Gertie, and the lovable law abiding Carter. It makes me want to hop in my car and go find these people in Sinful, Louisiana and join in on all the fun. Read this series, people. Especially if you are a fan of laughs, friends, and genuine happiness.

Swamp Team 3 by Jana DeLeon is the 4th book in the Miss Fortune Mystery series. When her friend Ally's house is set on fire, Fortune and her crime fighting partners Ida Belle and Gertie set off to find the culprit. Another very entertaining and funny book in the series. As always, things are never smooth sailing giving us plenty of laughs along the way.

FangirlNation says

An arsonist is loose in Sinful, Louisiana, causing **Swamp Team 3** to mobilize in order catch the criminal. In Jana DeLeon's fourth novel in the Miss Fortune series, Fortune is just starting out on her highly anticipated "not-a-date" with Deputy Carter when he gets summoned back to town because of a house fire. Allie, Fortune's only female friend her age, is left temporarily homeless by a deliberately-set fire. This gives

Fortune the opportunity to host Allie in order to protect her from the arsonist and a creeper who has been coming around, whether he be the arsonist or someone else.

I am so glad I was alone when I started this book. I laughed so hard in some places that I lost my breath and had tears running down my checks. I had to put the book down to get myself under control. Everytime today when I think about the scenes I start laughing all over again. this is a fun mystery that could only happen to Fortune and her friends in Sin, LA.

This is part of a series of books. you do not need to read the first 2 to enjoy this one, but it helps with the back story of these 3 ladies. the first 2 books are just as much fun to read.

This young crow and 2 old crows bring a new level of what trouble they can get into.

I am sure looking forward to the next book from Jana.

This series keeps getting better and better!

I just had the pleasure of reading Swamp Team 3 by Jana DeLeon and let me tell you, this book had me laughing from start to finish. Ida Bell and Gertie are up to their old tricks, and some new ones, and of course, Fortune is stuck right in the middle. There wasn't a single thing I would change about this story. It had the right amount of mystery, romance, and sassy humor. I can't wait for the next book in the series.

Hilarious, fun, spunky, and witty! A definite must read for anyone who loves a humorous mystery!

Ida Belle...on a motorcycle...wearing a Sons of Anarchy patch. God have mercy on Sinful.

The laughs just keep coming. This time Fortune's friend, Ally, is the victim of arson and a stalker, forcing her to temporarily live with Fortune while her home is repaired and for safety. Naturally Fortune and her two seventy-something pals, Gertie and Ida Belle, feel compelled to get to the bottom of things. Things are also heating up between Fortune and Deputy Carter and I really liked the conversation he initiated with her. I can't help but think that Gertie should've broken a hip several times over by now but, then, one doesn't read this series looking for anything resembling reality.

Paula says

I am totally loving this series and the humor just keeps coming along with the action. I hope I'm that active at the seniors age.

Trish says

This series keeps getting funnier!

JoAn says

Swamp Team 3 by Jana Deleon was pure fun from start to finish. I love Fortune and with Ida Belle and Gertie by her side you know there will be total chaos and laughter. This time they are trying to protect Ally from an arsonist and a "creeper". Of course, there is more going on than there appears. Plenty of twists, only a few suspects and too many things that can go wrong and do. I'm already on the wait list at my library for the next one in this series.

Pamela(AllHoney) says

The fourth book in the *Miss Fortune Mystery* series by Jana Deleon. Now starting her fourth week of being stuck in Sinful, LA, Fortune Redding is going on a date with Deputy Carter LeBlanc but that gets derailed when the call comes in that Ally's house is on fire. (Ally is the awesome baker we met in previous books.) Once again, Carter must insist that Fortune and her friends do not interfere in the investigation but, of course, that falls on deaf ears.

Although these books can be read as stand-alones, I recommend reading them in order. I think a person will appreciate them more that way. Anyway, another fun and delightful read.

Amy says

Romantic Tension.

Also wonderful old ladies, all the humor, and murder. What is not to love?

Caitlin Copp says

Fortune has only been undercover and in hiding for 3 weeks in Sinful, Louisiana and she has already seen her fair share of bodies and had numerous attempts on her life. When someone tries to burn down her friend, Allie's house Fortune, Ida Belle and Gertie are on the case. That is until Carter tells her in no uncertain terms to stay out of police business or risk finding herself in the big house. Fortune agrees to stay away from investigating but Ida Belle and Gertie don't. When the FBI show up and take over the investigation Fortune

justifies that she isn't getting involved in Carter's investigation, but in that of the FBI. As usual she finds herself in quite a mess, this time involving a chicken riding a motorcycle and winning "Best Boobs" at the Swamp Bar's wet t-shirt contest. Another great one in the series.
