### Rebecca Hollingsworth says

#### Nine down...

This is the 9th book in this series and I'm still totally loving this series. At this rate, I'm gonna have to pray that the author speeds up his release of new books!

#### Cruel Deception

This is book nine in the Detective Strong series. This one was just ok. I did not enjoy this book as much as the other eight. I am getting ready to read book ten the last of the series. I hope it is better than this one.

Great series of good clean murder mysteries

This is book number nine in a great series of clean police procedurals. The duo of Strong and Payne are great. I see them more as real people than characters in a police procedural. The book is similar to a police procedural on television. The murder happens, we meet the "bad guy", and then Detective Jason Strong and his partner, Vanessa Layne are called to the scene, investigate the case, and uncover the killer, after he or she has murdered a couple of people. It also shows the cops in their day to day lives, going through their lives. It's kind of like a mash up of Cops and Law and Order, but toned down. The mystery and suspense are great as well.

### Pat Whitworth says

**As with all of John's books you are captured until the end.**

Jason and Vanessa are off to a shaky start with this one there is a mix of real puzzlement. You're good if you can catch the killer before he's revealed

#### Review of "Cruel Deception"

Another fast read with a good mystery story plot. I hope this author writes lots of books. As an insomniac I read a lot.

## **Kim Bishop says**

Cruel Deception was another good story in the life of Detective Jason Strong and his partner Vanessa. In this story the Detectives are trying figure out the connection between two women that were murdered in the same fashion. While they are investigating, we also deal with some drama that is going on in their lives as well.

I must admit I was quite surprised to find out the who and why of the murderer! I would like to see more depth in Jason's character, however the series is a nice change of pace when you have been reading dark, heavy books for a while. It does make me smile that Jason and his wife named their new baby after the fallen Nina though :)

### **Cruel Deception**

As always John has done it again .I love the characters and it looks like someone new has been added. Only one small criticism this time though.. seemed a little rushed to find the bad guy ..but still a great read !

### **Exceptionally Entertaining**

Once again an excellent book. So enjoyable. This time the bad guy made it to almost to the ending before I figured out who he was. Really great reading . Enjoy.

### **A great mystery**

This is a real thriller that keeps you in suspense all through it. What I also liked about it . There were no bad words in it . I read it in two days.

Awesome adventure. Suspenseful thriller with Detective Jason Strong and his partner Vanessa. Together they set out to solve another thrilling crime. This is a great series and I have enjoyed reading them all. Although they are not long stories, they will keep your imagination running at full speed. You'll have trouble putting them down. Highly recommend this series! Enjoy!

Jason and Vanessa have a new case. This one has mysterious clues. Will they figure it out in time?

I love the writing style of Dalglish. He has become one of my favorite authors. Clean and Christian.

Jason Strong is a character I love being around. He's a family man and a great detective. Strong is like an old friend you call periodically to check up on him.

From the first murder of Nikki, the question arises: "Who would want her dead." When it all came together, and we knew it would, it made for a surprising ending.

#### **Another good book by Dalglish**

My only complaint is that it is a little short. But the book has a good story, believable characters and is fun to read. Has no fowl language, isn't suggestive sexually and does not glorify bad guys or what they do.
