Tiger vs. Nightmare Emily Tetri

Tiger is a very lucky kid: she has a monster living under her bed. Every night, Tiger and Monster play games until it's time for lights out. Of course, Monster would never try to scare Tiger—that's not what best friends do.

But Monster needs to scare someone...it's a monster, after all. So while Tiger sleeps, Monster scares all of her nightmares away. Thanks to her friend, Tiger has nothing but good dreams. But waiting in the darkness is a nightmare so big and mean that Monster can't fight it alone. Only teamwork and a lot of bravery can chase this nightmare away.

In this charming graphic novel for young readers, cartoonist Emily Tetri proves that unlikely best friends can be an unbeatable team, even against the scariest monsters.

Andrea Johnston says

Man oh man, ladies and gents! This book is absolutely adorable! Filled with themes of best friends, bravery, conquering your fears, and nighttime terrors, this is such a special work that should be on all bookshelves. I think one of the greatest things about this novel is its fresh take on monsters under the bed, and what it means to face your own nightmares. This work could very easily become the new textbook on managing nightmares with children because it is such an exceptional and accessible story that parents can take out, read with their children, and have a perfect avenue to discuss what may be scaring their child, or what kind of nightmares they're dealing with and positive ways of coping. Top that off with a story of true friendship and we really do have a winner.

Beautiful story! Brilliant illustrations and a heartwarming ending makes this book the perfect addition to every public and home library! Enjoy reading and sweet dreams!

Emily says

Beautiful artwork accompanies such a sweet and empowering story. Tiger learns how to handle those pesky nightmares of hers!

Ana Calabresi says

Lovely story about nightmares, monsters under the bed, and courage. Tiger is supposed to be a courageous animal, but this little one is afraid of nightmares. With the help of her friend monster, they fight the nightmares. Until one day she is courageous enough to face her own mind and get rid of the nightmares for real. The art is gorgeous!

Ryan says

Amazing! Simply Amazing. Tiger has a best friend that everyone thinks is imaginary, but Tiger knows better. And his best friend is amazing. He keeps watch at night so Tiger gets a great night's sleep. His most frightens all the nightmares away. But sometimes a nightmare is just too big, and needs more than one person to make it go away. The story is simple for even the youngest child, but it is the illustrations that make the story so great. The illustrator does an amazing job making some nightmares seem nice and easy, and others big bad menaces. I can not wait to see what Emily puts out next.

Jillian says

This was so adorable. ^^ Wish I had a monster to fight my nightmares!

India says

Simply charming!

I want a monster under my bed to fight nightmares with me!

Lindi (Do You Dog-ear?) says

I received an ARC from NetGalley in exchange for an honest review. My thoughts and opinions are my own.

We **loved** this! *Tiger vs. Nightmare* was an amazing story about friendship and conquering your fears. My son has only recently started believing that monsters lurk in the dark corners of his room, so this book was very applicable to him right now.

However, instead of Monster being something Tiger is afraid of, Monster is her friend that lives underneath her bed. They play together every evening (her parents think she has an imaginary friend), and Monster keeps the nightmares away. They have a solid friendship and a good nighttime routine, until the night a nightmare gets through.

I don't want to give anything away, but eventually the two of them have to work together to conquer their fears, and they end up becoming better friends because of it. Tiger couldn't rely on Monster to do all of the work, she had to learn to face her fears and be there for her friend.

Tiger vs. Nightmare might look like a long book, but it's a quick read with a wonderful story. It's definitely one we're going to be adding to our shelves.

Terri says

Graphic novel for younger kids, but the nightmares are scary looking! The monster under tiger's bed helps her by fending off the nightmares until one night when the nightmare is too big and scary and tiger realizes she needs to help to rid herself of nightmares and then both she and the monster can sleep!

Kendall says

What a great book for kids struggling with nightmares. Tiger and the monster under Tiger's Bed are friends and while Tiger sleeps, the monster friend fights off all the nightmares that threaten Tiger's dreams...until one night the nightmare is so enormous, Tiger has to help fight it off. All about friendship, facing your fears, teamwork, and not being afraid of the thing under your bed, this is a superb bedtime story for kids with colorful, dynamic artwork.

BookishOwlette says

Oh my gosh! This was adorable! Perfect and cute! I loved it so much!

If you want a book about friendship and conquering fear.. this is it for you.

Also, the artwork is amazing.

Molly says

An adorable story of a tiger who works with the monster from under his bed to fend off nightmares. He had the power to keep the nightmares away all along!

Tin Cheung says

Cute story, beautiful illustrations.

Little Tiger has become friends with her nightmare monster, whom fends off other nightmares... until one night, Tiger get a nightmare. What happened to her monster?

Carol Tilley says

Love the watercolors and the creative take on a common childhood issue.

Monica says

So cute.

Theresa says

I read an ARC via NetGalley. This graphic novel for beginning readers is about a young tiger who works with the monster under her bed to scare away nightmares. The watercolor artwork was evocative, but may be a little scary for picture book readers. However, it is perfect for ages 5-8. Recommended for young readers dealing with nightmares. A quick and cute read.
