Excalibur says

The awesomeness continues. LSP is quite possibly the weirdest looking Prince or Lumpy person or character or *thing* ever. **Shudders**

The Fionna/Cake dynamic as sisters is really cool. Very well done.

Fave character: ...not sure. Fionna or Cake. But Prince Gumball and Marshall Lee are still **awesome**

Sofia Rodrigues says

Oh my God! I just lost it at LSP in anime style. I can't even.

Miriam says

I thought this was the funniest one so far! Oh Lumpy Space Prince!!

Valeria says

I WANT TO READ IT ALREADY!!! >:c

Liz Neering says

LSP is wonderful in any gender. What more can I say?

Kristin says

Not only was this issue hilarious, but it is packed with a wonderfully positive message for younger girls (and boys too!) who read it. Fantastic work, Natasha Allegri!

Isa Lavinia says

OH MY GLOB THE WHOLE LSP STORY HAD ME IN TEARS, TOO FUNNY!

Luna Valentine says

you know, there's an episode of spongebob with a storyline a lot like lsp's. this issue was creepy but i loved it so much

Titis Wardhana says

LSP wants to be handsome... this issue is hilarious...
