**The Travel Book: A Journey Through Every Country in the World** Lonely Planet

*Lonely Planet: The world's leading travel guide publisher*

Take a journey through every country in the world. 850 images. 230 countries. One complete picture.

With details of every United Nations-approved country in the world, and a few more principalities and dependencies besides, Lonely Planet's *Travel Book* is the ultimate introduction to a world of travel and the essential travel reference book for every household!

Each country is profiled by Lonely Planet's expert authors and features details of when to visit, what to see and do, and how to learn more about the country's culture from its film, music, food and drink. Every entry has a map and statistics about the country.

All brand new, incredible photography illustrates each country, depicting what life is like in each nation from photographic portraits of people, beautiful landscape photographs and vibrant street photography.

This premium packaged 448-page book with beautiful rainbow foil on the cover will make an impressive gift.

**About Lonely Planet:** Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, gift and lifestyle books and stationery, as well as an award-winning website, magazines, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in.

*TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, and 2015 winner in Favorite Travel Guide category*

*'Lonely Planet guides are, quite simply, like no other.'* - *New York Times*

*'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.'* - *Fairfax Media (Australia)*

## **From Reader Review The Travel Book: A Journey Through Every Country in the World for online ebook**

### **Sue Flynn says**

This is a wonderful book on all the countries. It gives a great snapshot of each country's character and the pictures are amazing.

---

### **Molly says**

Beautiful, inspirational, informative...a great book to read, and just to stare at, really. A couple of minor irritations: some silly and easily-fixable typos; and some questionable photo choices. Don't get me wrong, the photos and production quality are excellent. But the book states in the introduction that they chose to stay away from "postcard" pictures; that's not really true. Also, nearly every page on an African nation had a picture of either an elephant or a monkey...I feel they could have picked a few more emblematic and unique photos. But these are only minor distractions in a book that has me wanting to study and travel the world in a time when increased isolationism and nationalism makes that desire more important than ever.

---

### **Monica says**

My last read of the year!

I love world geography, okay? I hate travelling in general but I adore cultures and traditions from all over the world. This book is an excellent place to learn more about the world. The photography is stunning and the information is helpful and intriguing.

I did notice a handful of typos, though. It didn't ruin everything, but it made me ask whether there were mistakes anywhere else in the book. I could always find out but I'll worry about that later. Maybe someday I can travel to all these beautiful places.

---

### **Jessica Journey says**

With its gorgeous photos and intriguing facts, this book had me itching to pack my bags and visit...everything. A good book for dreaming.

---

### **Ana Flores says**

This is a must-have book for all travellers!

It is a coffee table book, so not one to carry around in your travels, but definitely a good starting point to decide where to go on your next adventure.

The book features a summary for each country in the world, including highlights, best times to visit, books to

read, and obviously stunning pictures.  
Highly recommend it.

✧**nicole**✧ **says**

This travel book is honestly magical. It gives me that strong sense of need to travel, and I love it. When I'm flipping through the pages I feel as if I'm in the country. The pictures are breathtaking, like I would honestly buy a giant book full of photos from around the world. There's so much useful information, especially for someone who really wants to start traveling the world ASAP. It's a beautiful book and definitely a must in my family.

---

**Stu says**

An update to a book that came out in '05, it's wonderfully simple. Two pages per every country in the world, 3 or 4 pictures per country, a little descriptions, places and things to do.....infor pmative and absorbing, well worth the effort

---

**Mary Huyett says**

This book was so much fun. The pictures are vibrant and beautiful, and the world seems so much bigger to me now! I loved the sections talking about trademarks and random facts. It's a great coffee table book and I'm glad I own it!

---

**Erica Wetzel says**

Amazing book! I borrowed it from the library and fell in love with it - I immediately added it to my Christmas wish list so that I can have it forever.

---

**Chris says**

A beautiful book.

---

**Gail Mitchell says**

Awesome book!!! I vacationed and never actually left my house!!!

---

## **Shannon Knight says**

For sure a travel book, although quite nicely packaged, and it doesn't really have any new information for nerds like me who spent their teens and twenties reading encyclopedias for fun. I bought it for my son for Christmas but gave it a read myself just to be thorough.
