Pam says

I felt like I picked up a book in the middle. there were way too many other stories and sub plots it was hard to keep up. the hero Steven and the heroine deserve their own story. in fact becuase the story bounced around I felt the hero and heroine story had so many wholes the reader had to assume. such as what did hero ever decide about his work schedule or the fact he was a bad husband to his last wife. I have read other Fortune family stories which I enjoyed but not plus children with cancer too sad 4 me.

Chitra *CJ* says

"Mystery Heiress" is the story of Jessica and Stephen.

When Jessica Holmes finds out that her real grandfather might have been Ben Fortune, she tries to repeatedly contact the Fortune family in order to save her dying daughter Annie. While visiting Minneapolis in a desperate attempt to contact them, she meets the oncologist Stephen, who has had personal and professional losses to cancer, and decides to aid Jessica in the battle of a lifetime.

The parallel storyline deals with Jake being held for the murder of Monica, the dwindling relationship between him and Erica, and how Kate deals with her family's problems despite being "dead".

Honestly, I commend the author for the research she put in about leukemia and its treatment. The book was half about the main couple, but Jake's storyline was way more interesting and dominating. On the other hand, Annie's was expectedly heartbreaking- and I do hope we get to read something good about her prognosis in the coming books.

An average read with good angst, and does push the continuing storyline forward.

Safe

3/5

Dina says

Título em português: **Herdeira Misteriosa**

Tradução: *Nelson Brito*

Sinopse: *Jessica Holmes chegou a Minneapolis em busca de um milagre: salvar a vida de sua querida filha. Para isso, ela contava com a ajuda de um Fortune. Mas somente o Dr. Stephen Hunter acredita que ela não é uma golpista, e se propõe a ajudá-la. Mas Stephen não imagina que, além de ajudar Jessica, terá de lutar contra o amor que começa a sentir por ela.*

Pamela Rabon says

Book 2 of the Fortune Children series. heart wrenching little girl to be so sick. continues on with several mysteries left unfinished. keeps you waiting for book 3.
