Omg..

... I'm glad Tiasi and Priscilla got what they earned.. It take a lot to go through what they went through... I'm just happy that things worked out the way they did.. I love me some Knowledge he had a cool head through out even through things he didn't want to do.. Cameron did right by Michaela although he did her wrong.. Just want to know what happened to Zane.. well I enjoyed all the books.. Had me screaming at times

Fast Read...

This story is very entertaining; just as the synopsis of the first book says...it's literally a soap opera! Get your copy!

Sandra R. Edwards says

Great

I'm hoping ratchet wives club continues. It's like reading a soap opera and makes you want to read more. Really great reading.

Slayed...

This series was off the hook. I don't know where to begin in this book. It was full of drama, betrayal, lies, & craziness. This series will have you saying WTF... Who can you TRUST???

Lesyle says

The suspense...

Man!!! Ratchet isn't even the word....I just don't know...you have to read this for yourself...i didn't get to start at book 1, I started at 3, but now I get to go back and get the backstory...unless there is a new one in this series

Ebonie Dozier says

Ughhhhh

I hate to only give this 4 stars I think that it could have had a way better ending I need to see how things play out with Knowledge and Maya...I also need to know how Cameron feels about this new guy X. I feel like there are a ton of unanswered questions. I also need a wedding from Knowledge and Maya. Ughhhhhh

Velmeta Ligons-Carlis says

Should have been the end.

This series is great! It has so much drama that keeps you interested. However, this should be the end. On to episode 6.

Robin Perryman says

Good Series But...

I enjoyed this series although it was hard getting through with all the errors. The story being so good is what kept me reading. There was so much drama and action and twists and turns throughout to hold my interest. All these characters had illegal activities going on. There was also some funny moments like in the end between Tiasi and Priscilla. I'm thinking it's not over though because looks like Knowledge and Cameron have unfinished business. I recommend this series if you can get past all the errors.

Inez says

Wow

The plot thickens, I swear everyone needs a new life because all of them got issues , I can't wait to see who steps in the next puddle ?
