SNOW: A Gentry Boys Christmas Story

With December 25th fast approaching, brothers Stone and Conway Gentry have a lot more than holiday festivities to keep them busy.

There's newlywed life to adjust to, a business to run, a baby arriving any minute and to top it off, an unusual forecast of snow threatens to cover the desert for the first time in decades.

Plus when ghosts of the past threaten everything they've built the brothers find their close bond and their dreams of the future tested yet again.

Luckily the rest of the loyal Gentry Boys always have their backs. Stay tuned because this season there may be more than one Christmas miracle on the way....

SNOW is a novella and it picks up several months after the epilogue of EDGE.

April Symes says

This is a beautiful and emotion-laden story that Cora Brent paints so that you truly feel as if you are right there living every moment. Being that this is a novella, you don't feel like it though, you feel like this is a full novel.

This story is really focused on brothers Conway and Stone and their business and their relationships as they wait for the arrival of Conway and Roslyn's baby to arrive with a Christmas due date. We also get to see our fav Gentrys and get to get a refresher of the children that we will get to know in the future spin off that is upcoming down the road. When I realized that was coming, I was super excited. What a lively, sweet, beautiful and exciting novella for Christmas.

My Rating: 4.5 stars *****

"I voluntarily reviewed an Advance Reader Copy of this book in exchange for an honest review***"

Vanessa Hillmann says

I absolutely loved this book! It felt like an epilogue to the whole series, but especially to Con and Stone's story.

Ever since they were introduced in Hold and their story was told in Cross (oh, that book made me cry so hard) I hoped they would make it and get their perfect HEAs just like their cousins/brothers. Seeing how they met their wives in Walk and Edge and found their way back to each other was great, but their story feels more complete after this book. I can now believe that they really made it.

And it was also great seeing all the other Gentry Boys again, seeing Cord, Creed, Chase and Deck with their families, seeing how far they have come since this series started, the lives they have made for themselves. It is just the perfect ending to the series and I'm really looking forward to reading the spin-off featuring the kids!

Bellereader says

This is the perfect wrap up to Stone-Evie and Conway-Roslyn. Stone and Evie are still so in love and have been happily ensconced in marital bliss for a few months. These two really prove that it can be done the HEA is possible. Now the only hurdle left to tackle for the couple is Stone overcoming his fears about starting a family. Conway and Roslyn are counting days hours and seconds until the newest Gentry enters the world. They couldn't be more excited about the newest phase of their lives to begin. Now with the new baby, along with their recent marriage and Con and Stone going into business together, their lives are all bright and shiny and new with possibility. The only thing that could put a damper on this could be old influences from Con's past. With Christmas and all its miracles afoot it seems that the Gentrys just might have it made...

Carrie Gubish says

Cute

I love these Gentry boy's. This was a cute short story. It's great reading about everyone again. I loved how close net everyone is at the end. I liked these books especially because it's not about millionaire men it's about normal struggling families. Love happy endings.

Gurpreet K. Cheema says

Wonderful story of brothers

Two brothers found their way back to each other and each found their love and got married and lived happily ever after with their families. Read on for what really happened.

Candy says

Loved this series! I read the first few a while back and stopped for some reason. Well I just went on a Gentry reading spree and I'm kicking myself for not finishing this series sooner! It's amazing!!!

? FREE on Amazon today (12/13/2017)! ?

This was a heartwarming Christmas novella. Can't get enough of the Gentry Boys!

Gracie says

Love this Gentry Christmas

A tear jerking, heartwarming Christmas novella. Catch up with the Gentry clan as they celebrate the holidays (and more than just presents get delivered). A great prelude to the upcoming Gentry Generation books!

Miriam Rivera says

Gentry Christmas

I read this book nonstop in a couple of hours. It was that good. I laughed, and shed a few tears together with this great characters I've come to know as friends. This book was perfect for the Christmas holiday and I

loved that we got a piece of everyone including the kids. I can't wait fore gentry books and if your looking for a great extended family this books are it.

Vero Stro says

This novella is wonderful. We can read about the gentry boys in love and that gives me a warm feeling!

The book is about Conway and Roslyn. They are about to be parents and Christmas is a couple of days ago. We also read about Stone and Evie. The boys are trying to make the business to work. We also learn how the other boys are doing so the read is wonderful! Sweet and happy!

Nice read!

I Voluntarily Reviewed A Complimentary Copy Of This Book

Alexandra says

Cora Brent has a way of just running you flawlessly through a gamut of emotions, very realistically, in everything she writes and Snow is no exception. Honestly, I don't know how she does it but even with a novella, like Snow, she has a way of perfect pacing and giving you a complete story.

Snow is a sweet story focused mainly on brothers Conway and Stone as they navigate their way through their new business and relationships as they wait for the arrival of Conway and Roslyn's baby to arrive with a Christmas due date. Don't fear, we also get appearances from all of our favorite Gentry's and get a refresher of the children that we will get to know in the future with the Gentry Generations spin-off series. I for one can't wait!

Thank you Cora Brent for another fun, sweet, and heartwarming Gentry story!

CarolBee says

This Gentry family is still one of my favorites. (:

Sue says

I love these Gentry boys and even though this book was a tad "lighter" than previous ones, it was supposed to be...after all it takes place during Christmas week and at an important time in Conway's life. Babies, brothers, cousins, wives and friends from the past all converge in this novella that deals with family, love, pasts better left in the past and a completely bright, happy future when a new life comes into the world. A sweet family story with a lot of humor and brotherhood along with some unsettling occurrences that ultimately work out for everyone in the end. Wonderful epilogue as well that will warm your heart during

this holiday season.

***** 4.5 ***** "Gentry blood is thicker than anything in this world" stars

Bev says

A heartwarming catch up with my favourite Gentry boys ♥

Cathy says

Beautiful

Beautiful story. Conway is one of my favorite Gentry boys and I love how happy he has managed to become. This story made me laugh and cry (tears of happiness). It was a perfect ending to the Gentry boys and I can't wait for Gentry Generations. Cora Brent has done it again!
