Witch Pie M.Z. Andrews

It's finally Thanksgiving break at the Paranormal Institute for Witches. With a week off of school, the Witch Squad thinks they're finally going to get to enjoy some downtime. But as the girls start making plans for their big Thanksgiving dinner party, they discover that Alba has yet to contact Tony, her husband from back home. After finally convincing her to call him, what she discovers sends the girls into a state of shock. Will their Thanksgiving be as magical as they'd all hoped it to be? Or will the tragedy that has befallen one of their loved ones ruin Thanksgiving forever.

Reunite with Mercy, Jax, Alba, Sweets, and Holly for this short Witch Squad Holiday special. This novella is Book #4 in the Witch Squad Cozy Mystery series. It does move the plotline between the characters along and the mystery is a complete story – but it is shorter than previous novels.

Carol L. Hensley says

A Little Too Little For Me

I enjoy the Witch Squad Cozy Mystery Series, but to call this a book is misleading. At most, it's a short story. At least we found out what happened to Tony. I'm sure Char is going to figure in the binding of Linda and Merrick. I will continue on to the next book.

SandyL says

I haven't read the other books in the series, but this was a cute mystery. Several girls goes to a witches school, and are off for the Thanksgiving holiday. One of the girls hasn't seen her husband for several months and finds out he left several weeks ago to come and visit her -- but he never arrived. They put their witch and sleuthing skills to the test to try and find him.

Melissa Conley says

I really enjoy this series. Although it is written about late teens, early 20's group of women the situations and moral situations apply to all ages. A fun lively story about a group of girls joining their different skills (powers) to solve a mystery.

Teresa S says

Great read!

Mercy's mom has relationship problems, which man to choose? Alba's husband has gone missing in his way for a surprise visit for Thanksgiving. The Witch Squad is determined to help both!

Toria Bedell says

Great short

I loved this short, at least no one died in this book. Alba finds out her husband came to surprise her for thanksgiving but he never showed up. The girls learned he had a wreck and hit his head and was taken to the hospital but disappeared after that, now they have to figure out what happened to him.

Patrea Beard says

Loved this book and (SMALL SPOILER) in place of murder was a missing person, which made me love it even more. More character development and that was a favorite for me. (I am strangely one of those people who even way back to Trixi Belden and Nancy Drew wished I could read about them not having a mystery to solve; like what would they do. LOL) So anyway , that was a nice breath of fresh air. Especially since the last book just kind had the murder on the way back burner. Accusations accusations but no real discovery.

Vicki Russell says

again, part of the series.

Athena says

Super cute

I loved this story, sweet and short but it definitely has some interesting plot development. I also loved the summoning of ghost, the pie competition and the story grandma.

Sarah Crawford says

This is the fourth book in the series. No deaths in this one, though. There's Aida's husband who has been missing for weeks, an interesting pie-baking contest, a question of which man Mercy's mother is most interested in and an unexpected romance. Just as good as the first three books. Quite enjoyable.

Lisa Eiff says

Fun times

I really enjoyed reading this book. It's lighthearted and a little mysterious. I'd recommend this book for fans of witches and mysteries.

Shantell Kuik says

I really like the book it's a light and easy read

diana romano says

A Witch Squad cozy Mystery book 4,

This was another winner. I just love the characters in This series. They are great. I highly recommend this series to everyone who love cozy witch mysteries. Diana Romano

Lauretta says

In this installment of the Witch Squad Mysteries, the reader sees a new side of Alba, the perpetual grouch of the group. Fortunately there are no murders in this book, but there is mystery which requires the young witches to use their gifts and sleuthing skills. Alba's husband is missing! He disappeared on his way to visit Alba, and the clues to his whereabouts are few and far between. Alba is truly upset and lets her guard drop, showing her emotional vulnerability. With little to go on, the girls resort to house to house canvassing in a neighborhood where a man matching Tony's description has been seen. The day before Thanksgiving results in a happy reunion, and the Habernackle family celebrates Thanksgiving with family and new friends.

?Dani? ?Touch My Spine Book Reviews? says

Love this series!?

This cozy series is fun and just a delight! Highly recommended.? Once you start reading you will feel like one of the squad.????

Renae Hamilton says

Great book series. I love the characters and stories. It is hard to put the books down.
