Guardian Ranger Jesse Jacobson

Fashion mogul Elaine 'Vandy' Vanderbilt's life had finally settled, two years after a horrifying attempt on her life had been thwarted. Former Army Ranger Sam 'Cowboy' Steele had been sent to watch over her by the Brotherhood Protectors. It was Sam who saved Vandy from certain death. She and Sam had fallen in love, and now shared a wonderful life on a ranch in Montana.

She could not have expected that her world would be turned upside down yet again. Vandy's sixteen-year-old daughter, Lindsay, is missing. Her kidnapping was ordered by an unspeakably evil man with seemingly unlimited resources, and one of the world's deadliest assassins now held her prisoner. Vandy turns once again to Sam Steele, to unravel the mystery and save her daughter's life.

Guardian Ranger is filled with action, unexpected twists and turns, tender romance and the development of a special bond between an unlikely pair that you will not soon forget.

Bad

I liked this read until (spoiler alert) there was the disappearance of Rainhorse. Although the kid needs a good smack. And she's too adult yet young. Movies started being made in the 60's? Come on.

Emily Dickson says

Lots of action as we meet Jackson, better know as Rainhorse. Lindsay is also a character we learn more about as she is Vandy's daughter who is kidnapped. Sam is also back in the story although the story focuses more on Rainhorse and Lindsay as he helps her escape. Loved this story from beginning till the end. The characters are so well developed and the plot was great! I am voluntarily reviewing an arc I received.

OMG! Good!

Very well written. This author and series is new to me, but after this, I'll be reading more. It's chock full of action. I won't lie, I gave some giggles and shed some tears. This is a bit different. There is violence and language. A great story!!

Carolyn Spence says

I enjoyed this story. Lindsay is a 16 year old trouble making teenager who gets targeted by a bad person. Rainhorse is a bad person with a conscious. Or is he really a bad person? When the two of them are together they are a great pair, they complement each other even through their age difference. There was suspense, humour, loyalty and overall rightness. There are characters you love to hate and characters you love to love. I love the brotherhood protector series and this is a great addition.

Received this arc for an honest review.

This was an awesome read.

I could not put it down , you meet Lindsey(Vandy's daughter from Steele ranger).who is kidnapped and her journey with one of her captors. As they story progresses you see beyond her slightly spoilt ways to a really smart quick witted girl.i liked the relationship she cultivates with Rainhorse.this is a great story and keeps you engaged all the way through I do hope that there will be more from this family possibly with Rainhorse

reemerging to the same the day. You will not be disappointed by this read.

Awwh a story that makes the black n white peeps think twice of gray area. Bream ng the law okay under any circumstances?

Lyndsay a typical teenage in not aware of her surrounding's & not being open to her parents, leads her to get into a deadly situation. However she is an old sole and more mature for her age. She strong and independent. Her Ranger Angel is amazing and makes you question good/ bad guy. Her mom and her boyfriend in the mix bring into the modern family complications. Twist n turns...violence2, sex0

This is a great addition to the Brotherhood Protectors kindle world. Well written with great characters that are a bit different than the norm and a few twists make for a great read.

Adventures in friendship

Fast paced suspenseful romance with kidnapping, adventures, family, and unexpected friendship. Learning life lessons helps the daughter Lynsey discover loyalty.

Nancy Bodie says

Good story

This was a well written quick read that starts a nice storyline thread that runs thru several books,yet each story can stand on its own . I loved Sam's character, it took quite a while for me to warm to Vandy. The storyline itself was action packed and fast paced.

This was a rewrite of Rainhorse I thought it was just as good as Rainhorse. I didn't see much difference in the 2 books.

S. R. Lewis says

Lots of heart

This story had a bit of a different kind of story line, but it was very entertaining and had lots of heart. It was very enjoyable.

Betty-Ann Jones says

Does not disappoint!

True to the sense of the series "brotherhood protectors" tidbits it's mark. Have two more at least to get the full story about rainhorse. Thanks

Another excellent Brotherhood book. There are a lot of twists and turns. Vandy's daughter is kidnapped, but things change when her benefactor tries to get her back home when he finds out he's supposed to kill her. They have a long road and become friends in the end. There's a good story here and hope there is another book about the ending of this story.

Sam and Vandy are excited. They finally got the cabin done and her daughter is coming to visit. Jingles and Rainhorse kidnap Lindsay, Bandy's daughter. When Rainhorse finds out the truth, he gets her away. Sam figures out something isn't right and calls Hank. With time running out, they need to find out where they are. Can Rainhorse get her home in time??

If only

If only there were no typos and using the wrong name....it would have been a 5 star rating. Great story
