Sawyer Bennett

Erik Sawyer Bennett

The Arizona Vengeance are developing a reputation on the ice as one of hockey's top teams. But one player's reputation off the ice might just keep him from scoring. . . .

I'm having the time of my life with my new brothers on the Arizona Vengeance. We may be an expansion team, but after notching some big wins, the entire league knows to watch out for Erik Dahlbeck. That's me.

The only person who doesn't seem to think I'm so great? Blue Gardner, the hot-as-f*** flight attendant on our team plane. I sure wouldn't mind joining the mile-high club with her, but besides bringing me lukewarm coffee, she won't give me the time of day. Whatever I did to rub Blue the wrong way, my teammates think it's hilarious. After all, we're used to women flocking to us. #puckbunnies

When I run into Blue back on land, I'm shocked to learn how she spends her time off: taking care of her handicapped brother. There are layers to this girl I never imagined, layers I can't wait to peel away. And that's a new feeling for me.

But first I've got to find a way to melt that ice-cold stare. Because as much as I try to pretend I don't care what Blue thinks of me, how can you *not* care when you're falling for someone?

The Arizona Vengeance series from *New York Times* bestselling author Sawyer Bennett can be read together or separately:

BISHOP
ERIK

And don't miss her Carolina Cold Fury novels:

ALEX
GARRETT
ZACK
RYKER
HAWKE
MAX
ROMAN
LUCAS
VAN
REED
MAREK

The Love Hurts series features sexy standalone novels:

SEX IN THE STICKS
JILTED

And the Sugar Bowl series is one treat you'll want to read in order:

SUGAR DADDY
SUGAR RUSH
SUGAR FREE

REVIEW TO COME

4.5 Stars!

(ARC provided by author)

-The fact she won't give me the time of day makes her infinitely hotter to me for some reason.

☆ Bianca ☆ BJ's Book Blog ☆ says

Erik.

He's a ladies man - always has been. He doesn't have time for anything serious.

But this one girl is different. Blue. She's the flight attendant on the team's plane. And she kinda hates him. He tries flirting and talking and being nice. Not working.

Blue doesn't have time for a player in her life. Even if he's as hot as Erik.

Also, she kind of met him five years ago - and he doesn't even remember!!!!

Poor Erik will have to fight real hard to get his happily ever after with Blue!

Let the fun times begin

**WHAT WILL HAPPEN TO BLUE & ERIK????
WILL THERE BE A HAPPILY EVER AFTER?
READ THE BOOK TO FIND OUT! ???**

????????????????????????????????

Book 2! Yay!

We already met Erik in the first book and we already saw how not excited Blue was to have him flirt with her.

It's really adorable to see the poor guy not getting what he wants for a change.

But it's not taking him all that long to convince her that he's changed.

But getting Blue is not the only thing poor Erik has to fight through to get to his happy end!

I really enjoyed this book.

It was erotic and fun and sweet and I adored how Erik was with Blue's brother Billy! Really cute.

Even though there wasn't much happening in the story. They get together pretty early and by the 50% mark the book could've ended, but it didn't ... it was a bit too long. The best things about those too long parts were the moments about the next books. Legend and his new neighbor and Tacker with his sad past.

There's a lot of book material still left for us in Phoenix! ?

Can't wait to see what Legend will be up to next! And Tacker!!! When will we get his book?!

**ERIK was a fun, moving & sexy new romance in this new hockey series! Great cast!
Run to your nearest amazon for your own ERIK - this one is MINE!!!!**

4.5 stars

I really enjoyed Erik by Sawyer Bennett.

The storyline grabbed my attention from the first page and held my interest until the end.

I loved Erik and Blue, they made me laugh, they made me swoon and they touched my heart with their tenderness and heartfelt moments.

Their story brought out all the feels, I was happy they were able to find a balance between them with honest communication and to respect/trust one another.

Erik loved Blue and Billy unconditionally and I loved his big heart.

Erik is an excellent installment to the Arizona Vengeance series, can't wait to get my hands on Legend's book next, coming Feb 5th 2019.

Thank you to the author via Netgalley for the advance copy, in exchange for my honest thoughts.

ARC received thanks to publisher.

Jessica Alcazar says

ridiculous #feels

Could possibly be one of my top three Sawyer Bennett books!

(I'll have to give that further thought)

What I don't have to give further thought to is the incredible heart this story has. Well done!

4.5 STARS!

As per usual Sawyer Bennett is always CONSISTENT! Every book is a hit with me. Erik and Blue were so fun to read about!

I'll post the full review soon!

Pamela Lilley says

What a sweet, sweet, emotional love story. I'm a huge fan of Sawyer's Cold Fury series, and, two books in, and the Arizona Vengeance have well and truly stolen my heart. Erik Dahlbeck may have been a player both on and off the ice, but he's willing to put all that behind him for a chance to date one of the team's flight attendants, Blue Gardner. Blue has a lot more to worry about than looking after The Arizona Vengeance

when they play away games, she has responsibilities that really do take precedence over dating playboys and going out and having fun. When Erik finally breaks through her tough exterior, they both learn that life can be better together. Of course nothing is ever straight forward, and they have a few hurdles to jump along the way. A wonderful story, beautifully written, full of love, life and possibilities. I loved the characters (of course), the writing and the story also were perfect. No complaints from me, I was hooked from the get-go. Roll on Legend. I was provided with an advanced copy of this book from the publisher via NetGalley. This is my honest review.

Hot damn this series is very quickly becoming one of my faves. Of course, we had a brief glimpse of Erik and Blue in the first book, Bishop, so like me, most of you were probably already intrigued about how things between them would play out, and what the story was with Blue's attitude towards Erik.

And boy oh boy, did things play out. I LOVE these two. Blue has her reasons for why she acts the way she does with Erik, and I wasn't really expecting them to be what they were. Other might pick up on it, but I didn't. She also has one very important person in her life - her brother Billy.

Erik is determined to find out why he's getting the cold should from Blue, and when they finally talk about it, and start getting to know each other - cue the swoon! Dead set, Erik is amazing. The way he treats Blue, the maturity he shows, and most importantly, the way he is with Billy. Good lord almighty, that man!

I truly truly loved following these two and their relationship, and whilst Sawyer writes in the inevitable issue towards the 80% mark that we all know to expect within a romance novel, there is no prolonged or unneeded angst here, and as a whole, this book is a very easy and fun read.

Our fave secondary characters are back, and let me tell you, I sure as shit am intrigued and cannot wait for Legends book. And I would really really love for Tacker to get a book. We see a bit more of his personality in this book (which says a lot for Tacker, for those who remember him from Bishop), and I really want to delve into his character more, and would love to see him get his happily ever after. Pretty please Sawyer?

I'd also like to see Dax get a book, because as with the other main guys like Bishop, Erik and Legend, he seems like a good guy and lots of fun, so I'd really like to see this series continue in such a way.

I think I enjoyed Erik and Blue as much, or maybe a little more than Brooke and Bishop, and I definitely cannot wait for the next book in this series. Love, love, loving these!

Kristin ~ Book Lovers Obsession says

Erik's story is the second book in the Arizona Vengeance series and follows Erik and Blue. I absolutely

loved this book.

Blue had moved to LA at the ever so wise age of 18. She was going to make it big. She partied hard and met all the right people but it never quite panned out for her. Returning home to Arizona to care of her brother, she never expected that her new job would involve someone from her past.

Erik has been living the life of luxury as an NHL player. He had the money, the fancy house, the nice cars, the new team, and all the girls he could want. Except the one girl he wants, wants nothing to do with him and he cannot figure out why.

Great addition to a newer Sawyer Bennett series. I highly recommend!

Monique says

I am getting a real kick out of these Arizona Vengeance players. Who would have thought from book one, that Erik would have such a soft side. This novel is a very quick read with little angst or drama. It will make you swoon with how Erik turns Blue around to his charms and how he treats Billy. Five years is a long time to change a person and to get a second chance.

Next up is Legend and I think this one might be funnier than the others with Pepper. I am hoping that we hear more about Tacker at the very least, but his own book would be awesome!
