Love Storm

Susan Johnson

Love Storm Susan Johnson

Desperate to avoid a loathsome match, Zena Turku ran from the glittering ballroom into a snowy night—and threw herself on the mercy of a darkly handsome stranger. He was her only hope of escape, her one guarantee of safe passage to her home in the Causasus Mountains. But Prince Alexander Kuzan mistook the alluring redhead for a lady of the evening, the perfect plaything to relieve the boredom of his country journey.

Only after her exquisite innocence was revealed did the most notorious rake in St. Petersburg realize that his delicious game of seduction had turned into a conquest of his heart.

Nessa says

I MOST DEFINITELY ENJOYED THIS BETTER THAN THE FIRST BOOK. IF YOU ARE A MASOCHIST, YOU WILL THRIVE IN THIS.

WHY? Because I torture myself with the fact that the hero is an A-class whore. Despite that, I still enjoyed reading this.

OUR HERO:

He is the son of Nikki and Alisa. And like father like son, he has no qualms about sowing his wild oats. I am only glad he is a cold hearted son of a bitch towards his bastards. I have no care for them because Sasha's whoring made you want to seriously do damage to that man. He even has a reputation as ARCHER for having continuous sex for more than 20 hours as a competition with his bestie Yuri. Although he can be charming, caring and sweet which are his redeemable qualities. I loved how he treated Bobby (Zena's brother) like his own kid.

OUR HEROINE:

This poor creature had to endure it all and as a woman I rooted for her to grow some balls. It may not be as much like some Irish lass with bold spirits but she fought in her own way. Although some may think it is childish for her to runaway but I think those are the times when we get to see the good stuff happening. I would runaway too if I tried to do the mature thing and talk it out but my husband is ignorant and goes out merrying and whoring, while you sit at home loving him and is pregnant with his child...and it is just too heartbreaking to be around him. I VOUCH RUNAWAY. Zena has her moments and she is quite resilient and also very loyal to her loved ones.

OVERALL:

I am just glad for the HEA but seriously the hero can be such a dick. When you're angry with your wife, you continuously fuck any woman and even deflowered a virgin. Wtf! I was glad he was attacked with guilt. Blame it on the fact that they are both young. Only 18 and 24. At least they found their HEA faster than Nikki and Alisa.

My favorite scenes:

- 1) When Sasha acts like a perfect Papa to Bobby
- 2) When Sasha pursues after the pregnant Zena for DAYSSSS (shows you what's going on in his heart)
- 3) When Sasha starts whoring to forget his wife and later has a wake up call that he loves her and goes to win her back

FRANKLY THIS IS ONE HOT MESS OF SEX, HEARTBREAK AND INTENSE EMOTIONS. STORIES LIKE THIS LEAVES YOU UNSATISFIED YET BEGGING FOR MORE.

Theresa says

Eckkkk. Now I know why I didn't finish reading this the first time I read it. It's utter horseshit. Zena is a fuqing M.O.R.O.N. GEEZUS, can she be any more naive?

Second time around and I want to hurl my body off a cliff now that I started reading this series again. I

HATE starting a book and having to force myself to finish it. Now my night is going to be ruined...

PurplyCookie says

I honestly cannot see where this author came up with the title of "Love Storm". The "hero" of this story had sex with so many women before he was "in love" and after he was "in love" that I lost count. Even after Sasha started feeling romantic feelings for Zena, that did not stop his sex feast. He had sex with other women because he was trying to forget his feelings for Zena, he had sex with other women because he and Zena had a fight, he had sex with other women to teach her a lesson.

Sasha is hot-headed, like most men in novels, but the way he treats Zena is horrific. Zena is made out to be some meek creature who can't speak up about the way she's being treated. Why, oh why would anyone think a human being getting "sold" would be romantic? Who thinks rape is romantic? Who thinks being treated like less than decent is romantic?

During her flight from him, she gets sold as a harem slave, drugged and put on display (in the buff) for this group of disgusting lechers (which includes the hero). After they're married for a few weeks, she tries to run away after realizing he's just never going to change his lecherous, alcoholic ways. I thought okay now she'll really make him pay for treating her so badly. No such luck. After this second attempt to escape, she's raped (which I too didn't see why this scene had to be added to the storyline) and in the end, she docilely goes back to him for the final "happy ending."

Sinshine says

This is my second read through of this book and probably loved it even more this time.

When I first read it I was in college and I felt deliciously naughty reading it! It was one of those books that I hid and only took it out at night to read it. Now? Pssh, I was reading it everywhere I went.

It's a great story and sometimes a little weird.

Hero : Sometimes a Dick

Heroin : Always Naive.

But I like my Hero's to be a dick sometimes. It's just the way I tick I guess.

Sydney Mugerwa says

I first read Love Storm about 10 years ago when I was in highschool and for all the detractors out there, this tantalizing romance/erotic historical novel is memorable.

Here's why:

Set against a backdrop of a decadent Russian Aristocracy, Love Storm is one of the few books I've read that don't shade Russians in harsh light and from what I gather, this novel was published in 1981? Susan Johnson paints a human face onto Russian and Circassian people and her historical additives make this erotic romance such a pleasure to read.

The characters are very well developed and memorable and the writing style, albeit for a generation prior, has a certain highclass allure to it. I felt like I was back to the good old days when writing was such a high art that not anyone could venture into and reading was such a joy before the advent of the internet the distraction it brought.

If one's not to be daunted with some of the heavy words the author uses(those can be ignored) I felt the plot had some good meat on it. Of course, feminists would claim this book debases females. But the thing is, Susan Johnson wrote from a historical perspective much as she let her imagination run wild. This was how it was back then. Goes to show how far we've come.

All in all, I am glad I got to reread this classic. Would recommend it to anybody who would be able to get their hands on it

Buffy Lynn says

Fantastic

I absolutely love this author. She keeps you hanging on thru the whole book. can't wait to read another of her books.

Amanda says

I wanted to love this book, since I have read a few of Susan Johnson's books in the past and really enjoyed them. However, this books was just...bad. The premise/plot was nice and typical for a historical romance but I could just not get into the characters or their "romance."

★★★★★! **The Russian/Kuzan Family, book 2 of 4. Prince Alexander Kuzan, Sasha, the prodigal son sets out for a night of passion, but finds himself rescuing a girl taking them across Russian to a Sultan's harem & beyond!**

UK EDITION SERIES INFO & REVIEW

Russian/Kuzan Family series

Book 2

Formats: Kindle & paperback in both US/UK

The Russian/Kuzan Family series takes us to a less used setting, the Russian Empire following three generations of alpha males with amber eyes. The Kuzan family is Russian Royalty, wealthy beyond belief, entitled, worldly and sophisticated. Their stories will sweep you off your feet with the glittering ballrooms of St. Petersburg and Moscow, hunting lodges in the country, private railroad cars, European shopping excursions and much more...

Susan Johnson aka C.C. Gibbs, is published by different publishers in the US and UK, hence the different titles and covers.

These are stand-alones, but most enjoyed if read in order:

Book 1: (Year 1874)

Seized By Love (US) / At Your Mercy (UK)

Book 2: (Year 1899)

Love Storm (US) / A Storm Of Desire (UK)

Book 3: (Year 1919)

Sweet Love Survive (US) / Surrender To You (UK)

Book 4: (Year 1877)

Golden Paradise (US)

PRINCE ALEXANDER KUZAN, AKA "SASHA" AKA "ALEX": 23 years/Royalty-playboy/\$\$\$\$/black hair/amber eyes.

ZENA TURKU: 18 years/run-away /red hair/navy eyes/virgin.

In 1899, on a cold winter night in St. Petersburg, Zena Turku finds herself on the run, trying to escape an unwanted marriage and get herself and her little brother back home to the mountains.

Prince Alexander Kuzan, "Sasha" is used to getting his way! He is very much the gloriously handsome, jaded, **playboy**, his parent's (book 1) **coddled love child** and the privileged **royal heir to a legacy**. And what he wants he gets!

When Sasha encounters Zena he **mistakes her for a prostitute**, his perfect plaything for the night. However one night appears to not be enough and instead Sasha finds himself **trying to help Zena and her brother**.

Sasha and Zena's story is a **whirlwind erotic romance**, taking us **across Russia and into the sweltering desert** and a Sultan's harem.

A very *memorable sex scene on horseback at break-neck speed!* **Suspenseful and intriguing plot!**
Excellent storytelling! **Swoon-worthy** playboy hero!

Hero rating: 5 stars

Heroine rating: 4 stars

Sex scenes rating: 5 stars

Sex scenes frequency: 4.5 stars

Storyline concept rating: 5 stars

Storytelling skills rating: 5 stars

Story ending rating: 5 stars

Overall rating: 5 stars

Would I recommend this series: Yes.

Would I re-read this series: Yes.

Caroline says

This isn't a book for romance. It's smart girl porn.

I loved it, of course.

Lady Krishna says

I desperately wanted to like this book. I tried. But I just couldn't understand how the heroine could just accept the hero. He constantly disregarded the heroine's feelings. He didn't even have to grovel at the end because the heroine came back to him and she accepted him. Although I liked the intensity of this book, it's not enough to make me like the hero. All the things the hero did are just too much to be forgiven that easily.

maricar says

what a disappointment...

the prince is selfish, totally condescending, arrogant, and dare i say it, unfeeling. he's probably one of the worst "heroes" (if i could call him that) ever written. i hate that throughout the story, he keeps calling zena "child," as if she's more like a kid sister. and i despised his reaction to their first-born. zena does not deserve such a man in her life.

this is just porn supposedly packaged as a love story. even in the end, i did not feel that the guy was that in love with zena. and zena is just strongly obsessed with him, not in love. the woman has a very weak character. i feel that the prince is going to just overwhelm and trample on her for the rest of their lives. he might feel affection for her, but nowhere is it near a romantic love.

that scene where zena was in the harem and made to pleasure the men gathered was totally degrading. i found it distasteful. and even then the reaction of alex was totally unfitting. he treated her like property and stained goods, even if he feels such a strong lust for her. not even close to romantic.

Velvet Fen says

Oh My Good gracious

Wow what a book!!!! Sasha is such a dick! I LOVED this book! This is what I want to see in a book! So much angst and drama and amazing sex! Oh God I loved it!

Roub says

i loved this book even better than the first one beacuse alex was much better in character than his dad (nicki) and he was faithful while he was with zena and did his best as a husband. i absolutely adored the book !! it lost one star at the end however when he had sex with all those women because zena left him and also the basic plot was much like the first book in the series..i mean alex's story quite ressembled his dad's. so it was not original

Maura says

Ugh. I remember reading this a long time ago and wasn't able to remember the title of the book until I went looking it up a while ago. I remember the Prince being a prick. I remember the heroine gets raped by someone other than the hero(can't remember if it was before, after or during a pregnancy, but I want to think it was during)and I remember not caring if the Prince ever got the girl.
