The Ride Jaci J.

Tank

It had always been about the ride. My love for the ride is what fuels me. It's what drives me. That freedom of the open road in front of you, with not a damn thing holding you back, is what I crave.

I don't need much. Shit, I don't want much out of life. My bike, my club, my brothers, my money, and occasionally a warm and willing women in my bed is what I need.

I liked my life that way. It works for me. I enjoyed the familiarity of it. But slowly things were changing. I can feel that change in the air. It's everywhere. There comes a point in your life where things just change. No matter how much I fight it. No matter how hard I hang on, it's changing. Whether by choice or not. For better or worse it gets turned upside down on its fucking head.

The moment I laid eyes on her shit changed forever. Things were on there way to changing, but fuck if she didn't tip that shit right over. She hit me like a blow to the chest, crippling me. Rocking my world. That girl completely blew everything I thought I wanted to shit. She took me on a wild ride and for better or worse she changed everything for me.

Lil

The loud rumble of pipes fills me with a sense of home. Deep gruff male voices remind me of nights spent sitting at the bar listening to the guys tell me stories. The smell of leather, grease, and smoke brings back memories of hot summer days spent around the compound. The sound of classic rock makes me want to dance. A group of rough and mean men makes me smile. Seeing a beautifully crafted bike makes my heart beat a little faster. A man in leather always makes me hot. The feel of the vibration through my body from a perfectly tuned bike takes me right back to my old life. Some things never change. Sometimes those things are never meant to change.

Although much hadn't changed since I left, a few things had. The loss of loved ones, the addition of new ones. With one new addition to life things changed for me forever. My life will never be the same. He changed it all.

Deborah says

I've just read 'Sick Bastard' by this author and loved it so I decided to check out her other books and I found this, the reviews were very mixed although when I looked closer a lot were about the editing or rather the lack of editing but since this was 'Newly Edited & Revised' I was good to go.

I love MC books anyway so I was positively giddy starting this and it worked for me, I really enjoyed this but it's very similar in a lot of ways to 'Sick' strong alpha male falls instantly and hopelessly into obsession with a beautiful, confident, independent woman who swears like a sailor, she feels the same instant attraction but keeps him at arms length for awhile. There was an excellent line in 'Sick' "I know, baby. Whatever you want. It's your world London, I just live in it ." It was too good to use only once and I've no problems I was just surprised to find it's in 'Ride' as well, well I suppose technically it was in 'Ride' first "Whatever you want, always. It's your world baby, I just live in it."

Most of the time I loved Tank, I say most because he annoyed me at times and most of the time I loved Lil. I have to say it's first time I've come across club girls being called gash....not a fan.

While I enjoyed this book I've just read some the reviews for 'Crash & Burn' and I'm not sure I'm up for that, I'll see.

CasPerfitz~SLiTsReaD says

2.5 Stars!

Angie says

I'm glad to see i'm not the only one that had problems with the grammar and editing. i am pushing my way through this to the end but its not easy going. CANNOT STRESS ENOUGH EDIT!!!! EDIT!!! EDIT!!

Definition of FALLOW

: of a light yellowish-brown color

Origin of FALLOW

Middle English falow, from Old English fealu; akin to Old High German falo pale, fallow, Latin pall?re to be pale, Greek polios gray

First Known Use: before 12th century

Definition of FALLOW

1

: usu. cultivated land that is allowed to lie idle during the growing season

2

obsolete : plowed land

3

: the state or period of being fallow

4

: the tilling of land without sowing it for a season

fol-low verb \?fä-(?)l?\

: to go or come after or behind (someone or something)

: to go after or behind (someone) secretly and watch to find out what happens

: to come after (something) in time or place or as part of a series

Ratatosk says

DNF -- usually I can ignore a few grammatical and misspelled words; however, there were just way too many -- lack of punctuation, improper use of words. The over use of fallowed instead of followed. "Walking behind her, I fallow her to my bike". Sever their purpose rather than serve their purpose... Ya instead of Yeah... Funny thing is the h is supposedly a college professor and corrects the H's grammar.

I actually loved this book, loved it so much I stayed up til 2:49 a.m. finishing it, and was late for work this morning but soo worth it.

I loved Lil from page one, yes she is the MC princess, daddy is the president but she wasn't a brat, she didn't think her ish smelled.

I especially enjoyed the character build in this one, I felt as though I was right amongst Lil and Peaches, giggling, dancing and having a ball. Lil is sweet, she doesn't whine, doesn't nag I am totally crushing on her. With Tank it was like you were a part of something so big, you were able to see him grow from a man ho' to a man in love, the journey was beautiful.. at times scary, heartfelt but so so beautiful.

An epilogue would have been nice, however I was satisfied with the ending and I will let my mind do the rest.

Ailee says

I Loved it sooo much! At first the story started off to a good start and you got to see lily and Tank's relationship progress, however towards the middle it seemed to lag on with unnecessary information. But the ending is just WOW! I really wanted an epilogue to see what happens next... but I really hope to read more about Peaches and Gin's story.

JudyB says

This book was a train wreck with editing/formatting issues. The editing is so bad I cannot understand how an author let the book be released with such glaring errors. It was a pretty good story line with some good characters with real, gritty MC behavior and a good love story. When will an author understand that such a badly edited book reduces the book rating? I would have rated this book four stars if the errors were reduced by even one half. And the kicker to me was when I read the "About the Author" at the end of the book. Totally error free, good grammar and an excellent three pages of good English composition. Tell me how three pages about the author can be written so well when the whole book is embarrassing with errors. Come on authors, take accountability for what you are publishing. I hope this author tries again because the capability to write a good story is there. Sadly I will be hesitant to buy another book without getting reviews from other people.

Review and rating updated to 4 stars after clean version of the book was released. Very good story and now I have read all 3 books in the series.

Taylor Freeman says

I love a faithful biker.
Loved Tank and Lil together.
Cried a lot at the end there.
Really wish there was an epilogue or maybe a half book for an update.

Thank god Gin and Peaches weren't the main characters. All they did was fight and him cheat left and right. Not my favorite thing in a story it really kind of destroys it for me a lot of the time, so I'm glad Tank was a good guy in that sense.

The spelling errors didn't bother me at all but there were quite a few mistakes.

I probably would have given this 4.5 stars because of the mistakes but I really loved this story enough to move past that and rate it on the actual story itself.

Would totally recommend it unless you can't get into a book because of spelling and stuff. That might put you off. Unless you're like me and it simply doesn't matter as long as you understand what it really meant.

So but it it was fun, sweet, gritty and emotional.

Vallykes says

Is there such a thing as Writer's Jail?

Julie says

One word EDIT!

I'm not one who gets really caught up in the grammar & etc in a book. It's something I can usually overlook & still be able to get into the meat of a story. This was too distracting. I had to keep going back over passages to figure out if it was verbal or mental dialog as well as who's POV. The usage of incorrect words drove me batty to the point I stopped keeping track at 17.

These were the most irritating:

Fallow instead of follow

Vary instead of very

Chock instead of choke

With some editing I think this could be a good read. In my opinion it needs more work and wasn't ready to be released.

Alisa says

WTH.

I'm not too snobby on grammar or punctuation errors IF I can get into the book and it doesn't stop the flow of the story.

This was just bad. And it's a shame because I do like the story which was the ONLY reason I finished it.

I read some of the reviews on this book (after I had finished it) and everyone completely agrees that this book needs a major editing re-haul.

I'm just flabbergasted? Because .. I mean... really? Follow vs fallow? That was the one that bugged me most because I admit misspelling is a pet-peeve of mine. Most people should be able to figure out that the red squiggly line underneath your misspelled word means something! But follow. FOLLOW. That's just... IMO such a simple word!

There was also a mix up of aesthetics vs ascetics. That, okay, those are big words, but they also mean TWO DIFFERENT THINGS. The ascetics of a shack would mean the shack was practicing some sort of strict spiritual discipline vs. its aesthetics - meaning it wasn't looking very nice because it is a shack after all.

Mixing up patients with patience. So she's a horrible doctor who's losing patients all because her man wouldn't do what she wanted him to do at that exact time.

And someone please tell me WTF is feining? Or what is chock? How can you chock on something? Or that she shutters around him. Hmm, I'm not sure I would like reading a story about how a woman turns into window treatments whenever she's near a man. Just saying. I shudder in thought of that.

And man, I guess this is a PNR/UF book too because there's this one character who's eyes can "wonder" upon someone's body. Mine can only wander.. my BRAIN can wonder in fascination upon someone's body. But not my eyes.

It's a book about a heroine who is a professor who does a "shit loud of paperwork". A hero who likes blown things up. Or rather, blowing things up.. but you know, either works unless you're a stickler on things being written correctly or in proper structure.

Ohhh boy. I couldn't go TWO whole pages without running into some type of glaring error and I had to rant to everyone and any one nearby >_<

Susan says

Liked the story, like the characters, liked the plot. Why only two stars? The grammar! The spelling and mis-use of words was extremely frustrating to get past. Fallow versus follow appears so many times it's ridiculous. I'm not a grammar nazi but this book was frustrating to read.

Lu Bielefeld *read.laugh.love* says

Re-read June 2014

The book needs editing and grammatical correctness.

But the story is good.

My first language is Portuguese, so I had some difficulties due to grammar errors.

The story is pretty cool and I really enjoyed the characters. I hope the author follow with a book for each Member of the MC!

Club Whore: "I swear they all shop at the whore Baby Gap!" (LOL)

Kaprii two ordinary girls and their books says

The ride. few editing issues but putting them aside!!

4****

Love Hot bikers??? Lots of hot bikers??This story is crammed full of them.

Tank is sexy ass leather clad biker, vice president of the disciples.

Lil is hot headed and strong willed but is so the daughter of the president and is out of bounds to all the boys.

We haven't read a good biker book in a long time,,The ride really got our engines humming. The end of the book is fantastic so much action! It even had us crying by the end hoping everything would be ok. The sex

scenes are great not over powering for a change.

We want to be part of their "family" who wouldn't!!!

We are so glad it's not a cliff hanger don't think we could of waited to see what's happens to tank and Lil.
