Guilty but Forgiven Somi Omowo

Separate lives, broken hearts, and struggles. Separate pasts, but destiny drives two hearts in a journey that explores forgiveness and how far each is willing to go to forgive. Can forgiveness really be total irrespective of what the past is filled with? What is forgivable and what is not? Can forgiveness really be all encompassing or are there no-go areas? Betrayal, denial, murder, and unjust imprisonment—can they all just be forgiven like that? Can Gbemi and Leke discover strength to forgive others and then forgive themselves?

Brenda says

An interesting story based in Nigeria. It gives the reader fascinating insight into life in that country with Christian faith.
