Zyon and Gianna 2: A North Carolina Love Story Kyoshi

After their worlds are turned upside down by events far beyond their control, these two couples are trying hard to get their lives back on track. Kiya was brutally attacked by her ex, Tyson, sending everyone into a frenzy and Markie on the warpath to figure out what happened and why.

Zyon's ex, Naomi, is back with a vengeance to stake claim on what she feels is rightly hers; Zyon, only he doesn't feel the same way she does. Naomi is determined to make Zyon see that she should be the Queen to his King. But she has her own secrets and has yet to tell Zyon the real reason she left Virginia.

Tyson will stop at nothing to take Markie and Zyon down, not only because Markie has his woman, but because he wants their empire. But he also has his own secrets, secrets that would destroy him if they came out.

Zyon is in a nightmare that he doesn't know how to wake up from. Does he choose the woman that he once loved enough to marry or does he choose the one who now has his heart?

Gianna is trying her best to move on from the heartbreak that Zyon caused her, but how do you move on when the person has your heart in the palm of their hand? Newfound surprises and heartbreaks rock Gianna to the core and have her asking herself, will she survive it all?

Take another ride with the ones you love and the ones you hate as they go on yet another rollercoaster ride. Secrets, lies, deceit, destruction, and murder shake the pages of this book. It will leave you once again asking yourself, who will survive?

That darn Naomi....she did not come to play. I hope Todd finds his baby mom. Zyon can't be that naive. I hope he and Gi get it together...and soon. Can hardly wait for part 3♥️?♥️? #teamZyon

Ok Now?

At this point I'm sick of Naomi, she's annoying. Zyon is being super dumb when it comes to her. It sucks about Kiya not remembering Markie. Tyson is a whole nother annoyance. I'm just ready to see how this ends because at this point I'm ready to throw this phone at a wall?????

Zyon & Gianna 2

As usual, author Kyoshi did not disappoint. This book was definitely a five star read. There was the usual drama with just a little more extra. Pierre is a complete fool & had me laughing throughout the entire book. I love Giannas confidence & I hope it continues thru the next book. Naomi is definitely my least favorite & I hope she gets it in the worst way. It wouldnt be a good storyline without jealous, deceitful characters that believe they will come out on top. So ready for part three to see what shenanigans Pierre has in store & to be front & center when Karma rears her ugly head!

I truly hope part 3 isn't too far behind because I can't with Naomi's trifling ass! Todd is either slacking or not trying hard enough because Naomi should've been dead already. I know Zyon is beating himself up because he could've avoided everything had he not wanted to be captain save a hoe. Tyson is dumb and underestimated Zyon and I can't wait for his karma. Poor Kiya. She's creating new memories but I need her to remember how she ended up the way she did so Markie can handle that bitch once and for all. Markie wasn't so bad after all and I loved how he continued to prove to Kiya how much he loved her. I hope Mrs. Zena check Naomi because she's going overboard when she has other pressing matters and I don't know how she expects her news to be a factor when she's already not handling her business back home. I loved how Gianna didn't allow Naomi to get to her too much and finally gave Zyon the opportunity to explain everything. Pierre had me weak and I can't wait to see his reaction to the ending. People are coming for Zyon and Gianna hard but hopefully their love will be stronger than the tests being thrown their way. #305

Loved it!

When I tell u funny! This book had me rolling. And because I love to laugh...guess what I loved it! This book had me chapter by chapter calling my sister, who by the way told me to read the book... and was just killing ourselves laughing. Love me some Pierre! Tyson and Lamar is really doing too much and needs to be handled. And Todd...come get your woman and tame her...put her on a leash... she is really sickening now. She has overstayed her welcome! Hoping part three is around the corner. Definitely a book to read especially if you are down and need a laugh.

Getting a bit silly...

The story was starting to fade out to me. seems like both Tyson and Naomi were going a bit too far for nothing. Naomi was so over the top I couldn't even get into her story-line. You'd think Todd would be more of a concern for her but even entertaining her was silly to start with. I'd read the next one but I doubt it will be better than the first one.

Jesus take the whole Car!!!

Lord I swear it seems like Gianna can't catch a break. First cancer, bad boyfriend, Kiya getting hurt, then her restaurant getting burned down now she have to deal with the possibility of Naomi being pregnant. I could just strangle Zyon right now but I just hope and pray that it's not his baby. As bad as this may sound I'm so ready for Todd to come and get Naomi and kick her a** ???. Markie is so BAE right now I love the way he's being so patient with Kiya and the situation that she's going through, that just shows how deep his love for her go. I also pray she get her memory back so she could let Markie know that Tyson gay a** did that to her. Lorddddddd I love me some Pierre and can't get enough of him he's soooooo hilarious and so straight forward. Can't wait for part 3 because I know it's going to be the bomb.com. Great work Kyoshi ?

Tonia says

WHY!?!??

Why can't authors just make stand alone books anymore!?!?? It always gets to the good part and BOOM...IT'S OVER!! Will Kiya get her memory? Who burned down Gianna's restaurant? Did they find Tyson? Why haven't Naomi's ex found her yet? What will Zyon do now? Did Naomi send the snake? Guess I will find out in the next book....ugh!

Jessika says

Nice

Good, nice, quick, fast paced read. Read it in less than an hour and a half. Naomi still on that good bs I see. Markie is book bae frfr ? he's so sweet. Congratulations Zyon and Gianni. They did move kind of fast but I guess when it's real you just know... When is part 3?

Abeni Gregory says

Gianna can't catch a break

First of all, I need a Markie in my life to do all that he's doing for Kiya. I hoping book 3 has a great ending for them. I'm upset with Zyon cause how do you let some ex come and shake stuff up for you?? Gianna has so much going on!! I just want her to win!! Part 3 I hope isn't too far away

Tina says

Loved it!

I need book 3 like yesterday! I don't believe Naomi is really pregnant and if she is it ain't Zyon baby! Kiya needs to get her memory back! I think Naomi burned Gi restaurant down!

Hope Thomas says

Damnnnnnnn....

Wth is up wit this damn Naomi chick... She needs to go n have several damn seats n leave Zyon n Gianna alone man. Ughhhhh when is Todd coming to collect her ass man. He needs to hurry up cuz she causing too much problems n I know she is probably the only one who burned down Gianna's restaurant. I'm sure that Tyson isn't gonna give up just like that n will be back causing more trouble. I'll be glad when Kiya gets her memory back n remember that Tyson is the one who beat her up n left her for dead. This was fire right here! I can't wait to read part 3! ????

Tesha Joyner says

Good

Now part 2 will have you in your feelings. Especially the Zyon & Naomi situation. No matter how he try to make it look it still was wrong & still is. He finally makes some decisions that Naomi can't deal with or

move on from. Now she is out to do some damage. Not sure what exactly why when she knows what is up. People just can't let go. Kiya has to deal with some things but she has family as well as Markese. The recovery is really a struggle but with help she will get through it. Gianna has someone messing with her livelihood. This are about to get real crazy in this street cause Markese & Zyon are about to let people see how they get down. Ready for the next part to see how things go. When you mess with family, people your love ,or the way you make your money it makes people want to hurt you. Good read and it may give you some things to think about as far as relationship.

Good Stuff

This was definitely an explosive way to follow up a story.I have to say I was getting a little disappointed because I felt that their were parts missing.I mean we are talking about two professional women and they are acting like teenagers.Also I know everyone has a friend that is over the top ,but I have to say Pierre is just a tad bit too much it gets annoying.I love the two alpha males they definitely give you a look at what two men look like.I think what this story needs a little bit more dialogue.Overall this was a pretty good read just not totally great.
