Grounds for Change Stacey Joy Netzel

Charlie Russell lived with a secret for fourteen years, but now guilt has pushed him to the breaking point. He meets psychologist Dana McClain and feels an instant connection that has nothing to do with his Great Dane, Sugar, spilling coffee down her shirt. Dana switched to counseling animals because she has a history of becoming too emotionally involved with her clients. She figures she's safe helping Charlie with Sugar's issues, until he reveals his secret and asks for her help. She tries to convince herself it's all about the dog, not the guy, but history has a way of repeating itself.

Great series!!

Lenore Kosinski says

Fun short read -- and I was a sucker for Sugar's antics in Tara and Wes's story, so more is always good....

Amy says

Where were the editors on this one? Drives me nuts when I see loose for lose. Other than the editing, I enjoyed the story.

Dakota Storm says

This is the first book I have read in this series. I have read Chasin Mason by this author and was looking forward to this one. This read was on the shorter side and I enjoyed it. I enjoyed the characters thought they were good. Love when animals are in books, Sugar is awesome. Charlie is dealing with guilt of a bad decision he made and its only getting harder to function. Dana switched from being a psychologist with human's to pets, she's got her own issues to deal with. As these two characters navigate through emotional turmoil they get closer. I liked then together and enjoyed the secondary characters as well. Very good read 4 stars review by Nanee at upallnightreadallday.blogspot.com

Matt and Carrie. Hated her. She hated him, was always complaining about him, did nothing but talk bitchy to him, yet she had the hots for him? I don't think so!

Jeanille says

Received this in a collection. First 6 books of the series. I read one when I feel like reading short quick reads. None of the stories are very long. I've been waiting for Charlie's turn. He's been in all the books so far. Now its finally this turn.

Angie says

Charlie and Dana both have issues that they need to work through. This was a good quick read! Charlie and Dana are a cute couple and have so much in common. Dana is trying not to make the same mistakes as she has in the past and Charlie needs to talk to his family about something that happened fourteen years ago. This was an emotional book and I am enjoying this series!
