Tripp in Love Tressie Lockwood

No strings attached sex with a hot smalltown cop? Yeah, her heart was in serious danger...

Toya is on the way to a funeral when she's pulled over by the sexiest cop she's ever laid eyes on. When she discovers she doesn't have her wallet with her license in it, she decides it's time to use her feminine charms to get out of being hauled off to jail. The super short skirt and the f*me high-heeled boots should do the trick, but this cop doesn't seem impressed in the least.

Tripp is finding it hard to remain detached and professional while doing his job looking at the chocolate beauty he's just pulled over. And when he discovers she's driving without a license, procedure dictates he asks her to step out of the car. With a body he'd like to sample right there on the side of the road, this woman forces him to make her a proposition that has nothing to do with the law—no strings attached sex, all weekend long. But what will he do when it's time for Toya to leave his small town and go back to New York?

Now ladies if you are not interested in short stories then simply skip this review! I loved Toya and Tripp's story it was a great read! The price did not worry me for the page length. Its about the story and not the price for me! Personal point of view! :)

Tripp In Love was a short, quick, fun, and sexy read. Sexy, hot, gorgeous cop with a dirty mouth and a soft heart. Sexy, sassy and lovable heroine. Perfect.

I won't go into much details all I say that I absolutely enjoyed it! Tripp and Toya's relationship has loads of chemistry. The sparks between them was explosive and was obvious the first time they've met. Where Tripp wants to do is get down and dirty with the sexy Toya. He was knocked off his feet from the moment he meets her.

I absolutely loved Tripp. There's not even one inch of him that I didn't love and I loved him even more when he showed us his softer and sweeter side during their official first date. Darn it! Toya was so damn lucky.

Tessie Lockwood was a completely new author to me but since reading *We could be Amazing* and *Hopelessly Devoted To You* and now this, she has definitely got herself a place in my auto-read list.

The story was ok with the exception of the secondary character (the brother). I didn't feel that this scene was necessary and didn't add to the overall plot of the book.

The city girl and country boy always a romance classic. what i didn't like was one of the other character in the story,i got the impression he want the hero to get back with his ex wife so he would no longer take responsibility of child made with the hero ex wife.

Wow

I've read a number of books from this author but must confess this was my favorite. It had a good story line, mad me laugh, and had hot sexual scenes. It was a great book and I would recommend it.
