Gizmo Ellen Miles

Welcome to the Puppy Place -- where every puppy finds a home!

Charles and Lizzie Peterson love puppies. Their family fosters these young dogs, giving them love and proper care, until they can find the perfect forever home.

After taking in Gizmo, a Sheltie puppy, the Peterson's quickly learn that this little guy is full of zest. This energetic puppy needs something to do, besides destroying everything in Charles and Lizzie's house.

Callie Stillion says

Gizmo is the latest foster pup, and this is one is very energetic. He`s a little like Baxter, but not exactly. Charles is going to try out basketball, but first he has to get shots and get something that says he OK and healthy. Charles and his Mom think it`s strange how the puppy ends up with them, but they do. Charles and his Mom meet a women at the doctors office with twins, and triplets underway. But with Gizmo, she feels as if she HAS three children already, so she asks the Petersons to take him for the night. But they wind up thinking that it isn`t a good home for the puppy. And when Aunt Amanda recommends agility classes, Gizmo won`t do a thing! But because he`s a sheltie, and they notice everything around them, Gizmo won`t do anything! But when it`s only a few, he will! And Gizmo finds a home with the trainer, Carmen, so he is happy, and Charles does really, really well at basketball, even though he makes a bad shot, he thinks about giving up. But he doesn`t, and his friend, Harry tells him not to, to always go on!

Lynn says

very good and cute!!!!

I thought Gizmo was really good.
Gizmo is a sheltie. He is very smart. He is also very sensitive. Gizmo is a very athletic pup, so Lizzie suggested Gizmo should do agility classes. At first Gizmo is very scared, but Charles figured out that Gizmo was just distracted by all the other dogs and movement. So Gizmo and Charles toke a private lesson. Later Gizmo was doing everything the other dogs were doing, and was as good as new.
Hooray Gizmo! You did it buddy, or should I call you a SUPERSTAR!!!!

Barnak says

Gizmo is a nice puppy, very energetic

Reagan says

Charles and Lizzie are now fostering a dog named Gizmo. The trouble is when they tell him to do tricks he

doesn't do it. Will they get him to do tricks?
Just read to find out.

Gizmo.....

This was a good book for 1st through 2nd graders. Though I would properly read Ellen Miles other books to get some references to past books. Highly recommend to young dog lovers!!

Keith S says

I loved this book because the dogs are so cute and I would want one of the dogs. This book would be perfect for 5th graders who enjoy dog book and realistic fiction. If you like like a dog series you will this book because the dogs are funny. They are fostering gizmo at there home because gizmo owner had enough of gizmo.

Marlee says

My daughter and I both enjoyed this story. Fans of this series will surely enjoy this one. It felt as though there was a bit more of a story this time, with what Charles was working on. Though his feelings weren't necessarily always noble or just, they gave him a bit of character and something to work on.

Amanda says

From flu shots to not giving up when you don't succeed right away, and agility classes to boot! This is a great addition to the wonderful Puppy Place series, perfect for early elementary dog lovers.
