Bound by Light Anna Windsor

The night holds endless pleasures . . . and hides nameless terrors.

As the broom end of her Sybil triad, Merilee Alexander has the sacred duty as a warrior witch of taking out the trash. Lately, though, she's been a little overwhelmed: Manhattan is a mess. And her prophetic end-of-the-world nightmares aren't helped by the waking fantasies of love. Or the fact that the object of her affections, gorgeous Jake Lowell of NYPD's Occult Crimes Unit, is playing it so cool.

Actually, Jake wants Merilee desperately, every luscious inch of her. Still, he's holding back. He's got secrets. Dark, dangerous, demonic secrets. But as Jake and Merilee trawl the city's supernatural underbelly to out a demonic kingpin who, disguised as a charismatic leader, is amassing dark power, it's make-or-break time. For their lives, their love, and the world are about to be sucked into the undertow of the tides of an unstoppable evil.

Stephanie says

Definitely better than the first two... I couldn't put this book down. This book is the last in the trilogy, all about the third sister, Merilee, who is an air Sybil. Her Sybil sisters, Cynda and Riana, both found true love in the first two books, and now it is her turn.

There were twists I didn't expect and a very god plot. I don't want to give anything away and spoil it for those who have not read the book yet. However, I will say that for me it was a real page turner.

Read the first two, and then this one. Don't read them out of order... you need the info from the first two books to know what is going on in this one.

Katie says

This book is amazing. I loved that the characters from the other books are involved so much in the rest of the characters stories. I completely fell in love with Jake and Merilee. The babies were so cute. I think that this book tied up the trilogy very well, although I'm sad to see Sal go, Andy did come into her own. She was hilarious before in her robes, but now she really owns it, without losing her character. I loved the strong sense of family that went through these books. The Sybils captivated me. The strength and devotion, the loyalty and the love was wonderful. I like seeing powerful female roles in things. I loved seeing the mothers again, and the fact that Jake is so close with them. You get to really meet Mother Anemone in this novel, which I also liked. The Keres were interesting to say the least. I really enjoyed their role in the book. I think that the other Asteroths were wonderful additions too. Definitely 5 for 5 recommended. This was an intricately woven story. Probably my favorite so far. I can't wait to read more of the series. :)

Searcy says

See book one for series thoughts.

I loved this one, because Jake is a serious favorite. And astaroth....Mmmm. Just ticked all the boxes!

Well worth giving this series a try.

Stephanie says

This is my favorite book in the Dark Crescent Sisterhood series so far. I loved Merilee, I love that she's intelligent, funny, loving and brave. I'm an Air sign myself so I guess that's another reason I feel akin to her. And Jake is such a perfect match for her. I was skeptical at first about them ending up together since this is now the third Lowell brother ending up with a Sybil from the same triad but it worked out so perfectly...eventually. It's definitely not smooth sailing for them though. There's a lot they have to overcome both in their relationship and with the new threat they have to deal with. This time the Sybils and the OCU are up against their most powerful, evil foe yet. Another thing I liked about this book is that we get the POV

of this villain. There's a lot of loss that the Sybils and OCU undergo as well but I find that pain and suffering is necessary to make a story more believable. I also love that the characters are so strong, even when faced with the end of the world (literally) they forge ahead and never give up.

Lily says

all i have to say is read the series!

Benny says

So, My thoughts on this book, is that I love The name. Bound by light, how beautiful is that, right?

Secondly the characters have a lot of spice, which I love. I love how Jake is so different, and how his lack of knowledge is so plain to see with the 'Tarzan' quote.

The desire in the book was fiery, the awareness they had between them, and trust. I like that between characters who are warriors.

I absolutely love the Story line, The Idea of Sybils is great and it keeps the reader wanting more, without indulging them with too much sex, it gives you plenty of action, without that 'action'.

I also believe that the sex scenes were very steamy and very well thought out, I loved the last couple of pages. I'm sure plenty of people have had that fantasy, no doubt.

All in all, I think this series is a great read, it gives you a lot of action, without it all being about sex. Which is something I have to respect in a writer, they don't need sex to keep the reader interested.

Many Blessings,

Benny.

Natalie says

Book 3 in the Dark Crescent Sisterhood series. Well, the author manages to tie up all the loose ends in this book, bringing this trilogy within a larger series to a close. Yes, book 4 begins another trilogy. It's still a standard Paranormal Romance storyline except that both main characters are supernatural beings. Hot sex but not porn. I already own the next book but I'm going to read some others before going back to this world.

StrangeBedfellows says

This is my favorite of the Dark Crescent Sisterhood series thus far. Jake is a much more developed character than his brothers, and he's far more interesting and sexy, too. You also get more bang for your buck with this one, since the plot has more going on than the first books. The situation is rather dire for the Sibyls, which

makes this one hard to put down. There's love, there's pain, there's violence and magic. What's not to love?

Julie (jjmachshev) says

Whew! What a cataclysmic ending to the 'Dark Crescent Sisterhood' series by Anna Windsor. "Bound by Light" is the story of the last of the triad and the most mysterious of the demon brothers.

As the broom of her triad, Merilee is used to being the clean-up crew and she's certainly seen some horrible things. But none of that explains why lately she's have nightmarish dreams and visions of death and destruction. She'd much rather be dreaming about the hunky demon brother standing in front of her in just a towel!!

Jake wants Merilee every bit as much as he's sure he can't have her. He's determined to live as a human but can never forget that he's a demon. He refuses to endanger Merilee especially when it's hard to control himself once he's near her.

But these two have WAY more to worry about. There's something B-A-D headed their way...and it's got its eye on Merilee.

Huge, colossal, big finish. Saving the world was never so fun...or so darn hot. What those demon brothers can do when they change only certain parts of their bodies...excuse me while I have a smoke!

Lauren says

Bound by Light

4 Stars

Synopsis

The Sibyls are facing their most dangerous foe yet in the form of a demonic power bent on garnering political power. It will take everything that air Sibyl, Merilee Alexander and her OCU partner, Jake Lowell have to defeat this evil enemy but in order to do so they must first come to terms with the secrets and the desires between them.

Review

A sweet romance and an action packed plot with a climax of epic proportions.

Despite the common threads linking the books in this series, each has its own storyline and there is no repetition or rehashing of previous plot points. We do get updates on the goings on in Riana, Cynda and Andy's lives, which is very entertaining.

Jake and Merilee are wonderful together and their abilities are complimentary, which adds another layer to their romance. Merilee is courageous, loyal and certainly knows how to kick-butt. Nevertheless, it is Jake's story that is truly gripping.

Jake is the most enigmatic and mysterious of the Lowell demon brothers and his internal struggle with his dual human\Astorath identity is the main focus of his character development. If he wishes to protect Merilee and survive the upcoming battle with the diabolical villain, then he must learn to embrace all aspects of his

personality.

The villain is the most threatening in the series thus far and his agenda made my skin crawl. The manner in which he ultimately receives his just rewards is very satisfying.

The next trilogy focuses on a new Sibyl trio and I look forward to reading their books.

Cindy says

The conclusion to this series actually worked the least for me although not because it was a bad book. Nick and Cynda definitely had chemistry and I liked him telling off the Mothers who had the nerve to sneer at him after he had helped save them... But eventually it does work out although a lot of good people are killed. The plot introduced in the first book - the death and transformation of Creed and Nick's brother - is resolved. The fourth element of the Sisterhood is reborn...

Order REALLY matters with this series...

Dark Crescent Sisterhood:

- 1 Bound by Shadow
 - 2 Bound by Flame
 - 3 Bound by Light
-

Barbara ★ says

I absolutely loved this book. Jake is a tortured hero who has to fight for everything he has and Merilee is strong, fierce heroine. I love the concept of the Sybil triad and think Ms. Windsor did a terrific job of world-building. This is the conclusion of the trilogy but not the series conclusion. Since the big baddie is defeated in this one, I wonder what's next for the Dark Crescent Sisterhood.

Krystyna says

Can he be saved?

This is the third book of the first series. As when they were first released they were released as two series. A wonderful story. Can the Triad save him and at what cost? Brilliantly executed and I love the interaction between the characters. For anyone into paranormal, magic, dark fantasy, romance and mysteries. A must read!

Carolyn F. says

I give this book 3.5 stars. I really liked Jake a lot more than Merilee. He's sort of a tortured soul. Merilee's the normal sassy gal that you find in most stories so nothing really new or special. This is the first book I've

read in the series. Like usual, I bought a huge lot of books and this was in there. From reading about the other women in this triad, I'm not sure I would like the other books, but who know.

Charice Lind mehring says

This book completes the first triad's stories. It wraps up the fate of the three Lowell brothers and the triad that started this series. A good read.
